Editor Centre Democrat-In answer the amendments, whose terms of of- Green's Pharmacy Co. fice may expire in 1911, shall continue to hold their office until the first Monday of December, 1911. It is also provided in the same schedule that township and borough officers, the regular term of which is two and also all election officers, and assessors who were elected at the February election in 1910, shall serve only until the first Monday of December of this year. School directors whose terms would expire on the first Monday of June of this year continue in office until the first Monday of the coming December.

It should be observed by all town-ship and borough officers that this change of time as to when their term of office will cease does not, for the present, affect the time fixed by law for the annual settlement of accounts. The act of Assembly of June 4th, 1879, for Supervisors and Overseers, Tax Collectors, etc., fixes the second Monday of March of each year as the time for making the annual settlement for these officers, and for school directors on or immediately after the first Monday of June following.

In all things, except as to the term office, the law as it now is, must be carefully followed. We have had no new legislation on the subject since the amendments to the constitution were adopted, but such legislation is -DAVID PAUL FORTNEY, Esq.

Want to Vote.

Away back in 1885 an effort was made in this State to secure the adoption of a constitutional amendment giving women the right to vote. It passed the House but was defeated a small majority in the Senate. Now, after the lapse of more than a quarter of a century a similar resolution has been introduced, and much interest will be taken as to its fate. Public sentiment on the question of suffrage is different today from what it was in 1885. Five States have given women full citizenship and many others have accorded them partial suffrage. The State in which they are on a par with men are Wyoming. Colorado, Utah, Idaho and Washing-

ALL MY PIMPLES GONE

Tells How a Blotchy Skin Was Girl Cleansed By a Simple Wash.

"I was ashamed of my face," writes Miss Minnie Pickard of Altamahaw, N. C. "It was all full of pimples and scars, but after using D. D. D. Prescription I can say that now there is no sign of that Eczema, and that was three years ago."

D. D. has become so famous as a cure and instant relief in Eczema and all other serious skin diseases, that its value is sometimes overlooked in clearing up rash, pimples, blackheads, and all other minor forms of skin impurities.

The fact is, that while D. D. is so penetrating that it strikes to the very root of Eczema or any other serious trouble, the soothing Oil of Wintergreen, Thymol and other ingredients are so carefully compounded there is no wash for the skin made that can compare with this great household

remedy for every kind of skin trouble. D. D. is pleasant to use, perfectly harmless to the most delicate skin, and absolutely reliable. A 25-cent bottle will give you positive proof of the wonderful effectiveness of this great remedy.
