Miss Mary Caldwell has returned from Altoona, where she spent the winter with her sister, Mrs. Frank McClain.

Samuel Baird has returned to Lewistown, after spending a few days at the home of his parents, Mr. and Mrs.

Joseph Baird. The street light placed on the dia-nond by George Fisher, of Boals-urg, for demonstration is attracting burg, for demonstration is attracting much attention, especially on dark nights, as herelofore you did not know if you were going to fall over a cow or down a well. We certainly do need the town lighted. Now if the council could see their way clear we don't think they could do anything better than to light the streets, as it is much more needed than anyother improvenore needed than anyother improve more needed than anyother improve-ment. This arc light, we are told by Mr. Fisher, of Boalsburg, will burn 24 hours on one gallon of gasoline, and produce 1500 candle power of light, which means 6 days, 4 hours per night, for 14 cents. This is certainly a very economical proposition. There is no question about the light produc-
