### ONLY ONE ISSUE IN STATE SAYS KELLY

### PEOPLE WILL SOON AWAKE

A Brief Summary of the Last Legislature by One Who Was There-Pose as Honest and Upright-Only One

"Well, what have you to say about the session?" was asked M. Clyde Kelly, insurgent leader in the Pennsylvania House of Representatives, as he sat in his office at Butler, Pa.

Kelly took his fingers off the keyboard of his typewriter, pulled out the sheet on with the session?"

Already we have a single hour, and in that last triumph will come a gladness which will outweigh every defeat, the memory of every failure."

FOOD AS MEDICINE.

board of his typewriter, pulled out the sheet on which he had been working, wrote the headline, 'After Bull Run Comes Appomattox,' marked it 'Editorial, sent it to the composing room

and then turned in his chair.
"What have I to say?" he repeated. "Not very much except this: I have summed up my political beliefs and doctrines into one feeling and that is an atter hatred for the Penrose ma-chine of this State, which is the sum of all political villainies and the greatchine of this State, which is the sum of all political villainies and the greatest menace to this old commonwealth of our today.

"I went to Harrishurg carnest in my

"I went to Harrisburg earnest in my support of certain issues, which I regarded as vital and to advance which I was eager to make every honest effort. I have come to believe, through fort. I have come to believe, through bitter experience, that there is but one issue in Pennsylvania today, and that is whether or not the state shall be controlled by a corrupt political machine allied with privileged interests that the counces of sugar a day will increase a man's weight one nound a later of Forestville, N. Y. Mr. Hopkins was educated in the public schools of Forestville and at Alfred academy.

In 1867, he went to Lock Haven, Pa., and hece me, engaged in lumbering, at which is responsible for the govern-

Government of Injustice.
"The session just ended ought to show conclusively to every honest, right-thinking citizen that we are living under a government where injus tice reigns, under legislation enacted by stealth when that will avail, and when that fails, under legislation en-

acted by thuggery. tactics prevailed from the first day to the last, the purpose being to carry out nefarious plans concocted by the machine and at the same time hoodwink the people and delude the attractions of Lockwood, O., has just hatched out 12 chicks. He did it all by himself, spent all his time on the contraction. "False pretense, deceit and humbug tactics prevailed from the first day to

a man introduced himself to me as a special-feature writer and declared that he was compiling a symposium of expressions from leading members of the House, giving their opinions of the House, giving their opinions of nest so well and the hatch might have Speaker Cox. He asked me to give been lost, him a statement, and I very willingly

Somehow he didn't seem to appreciate my words and stated that, of their nests. But a few days ago he course, the article would be complimentary to the speaker. I told him poultry gone. He grabbed up a basthat it could hardly be true and complimentary at the same time, and he ran home. then told me it would be impossible for him to use my statement if I insisted them in looking at it in that way. He

"That little incident is eloquent in the light it throws on the method of the 'gangsters.' Not content with at-taining their ends by the most putrid breats and intimidations, woright. They are hypocrites to their hood of those who, when they perform States Supreme court in the case of misdeeds, are willing to face the con- Dr. O. A. Johnson, of Kansas City, Mo. sequences and desire no masks or cloaks of virtue to hide their vices.

These Pennsylvania gangsters on contrary, are cringing cowards, willing to sell their souls in secret, but tents, the praying that their dastardly deeds be his goods. kept from the knowledge of the people they have betrayed.

despicable tactics. That is to turn on the searchlight. We don't need the muck take as badly as we need the flashlight. Let the people of Pennsyl
meaning of misbranding "is aimed" probably is the best time of the year to observe the results of experimental work and a most cordial invitation is given to every farmer of the country to be presented. flashlight. Let the people of Pennsylvania once see conditions as they actually are, realize the deplorable con-ditions politically, and I will stake my life that this miserable band of masquerading poltroops will disappear in a twinkling. They would not last longer than a straw heap in a cyclone.

Puts it Up to Voters. er must the birds of prey which make report continue throughout the growing up the Penrose machine be permitted to plunder and betray a state while the citizenship sees nothing, is blind this year will amount to 764,291,857 to the facts. I would ask nothing bet-ter than that every voter at that state over that gathered last year. could have been present at that last shameless orgy of recklessness on the

"If they could have seen legislation enacted amid the scenes which would shame savagery, amid disorder which prevented an intelligible sound being heard. I feel sure the result would have been satisfactory when those same voters got a chance at the machine which plans and profits by such proceedings. On that night bills were passed when there was not a quorum in the House and when not a dozen men responded to the roll call. Yet the journal shows a large majority voting for the measures.

"Such flagrant violations of common decency are possible only when every cog in the machine is working perfectly. It takes a speaker who has no sense shame, employes with no conscience and a majority of members who will bow to the dictates of a boss. And all those elements were in evi-dence during the session just ended.

"What's to Be Done." "What's to be done?" Agitate and keep agitating until the plundered, exploited, betrayed people of this state realize the truth. That's all that is necessary. The people of this state are honest and true, they are safe and same and conservative; but let them once come to the realization that their representatives are miscovern. their representatives are misgovernwithout compunction and they will unite in declaring that the time for forbearance is over and the time to strike has come. And, when they do strike every traitor to the weal, from Speaker Cox up as far as you want to go will be kick-ed into oblivion, with nothing left but a warm, red memory of how it all tures will be given free in connection

"Agitate," continued Kelly. "Yes, that's it. That's why I have been publishing a weekly letter during the entire session in my newspaper giving the facts just as they occurred. That's the new state bar why the citizens of the Tenth district directors elected. of Allegheny county are informed as to actual conditions and are crying for vengeance against the 'gangsters' who

a moment when I despaired of the ultimate triumph of right.

Only One Issue.

IN STATE SAYS KELLY

"Yes, there's only one issue in Pennsylvania today; that is the Penrose machine against the people. It is inconceivable that the people of this grand old state of ours shall submit forever to this combination of oppression. The people are going to govern clon. The people are going to govern this state, they will govern it through one of the old parties, if possible, or a new party, if necessary; but they

e going to govern it. "For my part, I am willing to taste the ashes of defeat always on my lips.

rest hemorrhage from the lungs; Wat-ermelon is useful in forms of disease in which it is desirable to make the kidneys act. A South American cured eight cases of yellow fever by feeding each of them one-half of a watermel-on. The body became so drained of fluids by disease that the patient beame ravenous for liquids.
