One of the most severe storms passed over our town for sometime occurred on Saturday afternoon about 4 o'clock. It was accompanied by a high wind and vivid lightning in rapid succession. Heavy rain and hail, some of which measured an inch and a-half in circumference. At the writer's home many apples the size of a hickory nut were cut off, thus it is to be presumed that some damage was done to the fruit and crops along this storm's path.

On Sunday, toward evening the Western horizon began to indicate rain. The clouds rose higher and became dark and threatening, but that did not deter our people from the children's entertainment. They came by twos and threes in buggies, carriages, spring-wagons and on foot until the church was full to almost an overflow audience had assembled. When the exercises were about half completed the audience became somewhat alarmed as the lightning flashed and the thunder rolled, indicating the approach of a storm. Those who had driven there went out to look after their teams. Some went home, while others put their horses in stables and sheds and came back to hear the exercises, but the storm became more threatening and the audience kept going out until there were but a few who remained to hear the closing exercise. At that juncture the storm was at hand and to go home was out of the question. Some remained in the church while others took shelter with the villagers until after the rain which was a heavy downpour and lasted till after eleven o'clock, when the last stragglers wended their way home as best they could through mud and water which in some places had assumed the proportions of a small river. The event will no doubt be long remembered by many who were there, because of the very good success of the entertainment, the heavy rain and the flooding through mud and water on the way home.

**Deafness Cannot be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; it can be cured by the method of the Eustachian Tube. We will give One Hundred Dollars for any case of Deafness cured by our method. Write for circular, free.

## Weak Heart

Many people suffer from weak hearts. They may experience shortness of breath on exertion, pain over the heart, or dizzy feelings, oppressed breathing after meals or their eyes become blurred, their heart is not sufficiently strong to pump blood to the extremities, and they have cold hands and feet, or poor appetite because of weakened blood supply to the stomach. A heart tonic and alterative should be taken which has no bad after-effect. Such is Dr. Pierce's Golden Medical Discovery, which contains no dangerous narcotics nor alcohol.

The ingredients, as attested under oath, are Stone root (Collinsonia Canadensis), Bloodroot (Sanguinaria Canadensis), Golden Seal root (Hydrastis Canadensis), Queen's root (Squilla Silyvestris), Black Cherry bark (Prunus Virginiana), Mandrake root (Podophyllum Peltatum), with triple refined glycerine, prepared in a scientific laboratory in a way that no druggist could imitate.

This tonic contains no alcohol to shrink up the red blood corpuscles; but, on the other hand, it increases their number and they become round and healthy. It helps the human system in the constant manufacture of rich, red blood. It helps the stomach to assimilate or take up the proper elements from the food, thereby helping digestion and curing dyspepsia, heart-burn and many uncomfortable symptoms, stops excessive tissue waste in convalescence from fevers; for the run-down, anemic, thin-blooded people, the "Discovery" is refreshing and vitalizing. Stick to this safe and sane remedy, and refuse all "just as good" medicines offered by the druggist who is looking for a larger profit. Nothing but Dr. Pierce's Golden Medical Discovery will do you half as much good.
