BUSINESS MEN WILL PICNIC ON TUESDAY

COMPLETE PROGRAM FOR OUTING AT HECLA.

A FINE LINE OF AMUSEMENTS

Music by the Tyrone Band—Phillipsburg and Tyrone Will Play Ball—Special Trains—Entertainment for All—Large Crowd Expected.

The committees in charge of the various features in connection with the Annual Business Men's Picnic at Hecla Park, report everything in readiness for this yearly outing of the Business Men at Hecla Park, Tuesday, August 22nd, and indications point to a much larger crowd than ever. The Business Men of Tyrone and other points in Blair county were extended an invitation to attend, and arrangements have been made with the P. R. R. for special return trains to take care of the people. Phillipsburg will also have special train service, and a special number is expected from that region. The Centre Railroad of Pennsylvania has made ample arrangements to properly and comfortably handle the large crowd. If the day is favorable there will likely be more people on the beautiful grounds of Hecla than ever assembled there before in one day in its history. Local base ball teams in Tyrone and Phillipsburg occupy the diamond in the afternoon. An attractive program of other events has been made up, and the fifteenth annual gathering of this Association should equal, if not surpass, any that have preceded it.

The following program has been definitely announced only a few more attractions will be added to it.

- 9:30 A. M.—Concert by Tyrone Band.
- 11—Base ball game, Belleville vs. Lock Haven.
- 11:50—Shooting contest, Centre vs. Clinton County. Prize—Remington Pump Gun.
- 12:30—100 yard dash, for men; prizes—shoes, sweater and watch fob.
- 11:45—50 yard dash, for boys; prizes—tennis racket, tennis shoes.
- Afternoon:
 - 12, noon—25 yard handkerchief race for girls; prizes—parasol and handkerchief.
 - 1:30 P. M.—Swimming races; prize—bathing suit.
 - 2:15—Diving contest; prize—\$1.00.
 - 2:30—Cracker race for boys; prize—box candy.
 - 2:30—Base ball game: Tyrone vs. Phillipsburg.
 - 9:30 A. M. to 10 P. M.—Dancing; music by Lock Haven Orchestra.

At the last meeting of the Executive committee of the association, the Central R. R. Co. advised that by reason of the expense incident to handling this large picnic, the business would not be attractive to them at the old rates of fare and asked for the concurrence of the association in a slight advance in the excursion rates, which was granted. It was decided to increase these rates 10 cents from Belleville and Mill Hill to the Park, and return. In other words, where the rate had been 35 and 20 cents from Mill Hill, and 25 cents and 15 cents from Belleville, the rates will be 45 and 25 cents from Mill Hill, and 35 and 20 cents from Belleville.

A SAD ENDING.

Steele S. Crisman Shoots Himself in Johnston.

Steele S. Crisman, a former well known resident of Phillipsburg, took his life last Saturday morning by shooting himself at his home in Johnston. He arose about 9 o'clock, dressed himself, walked out and came back to his room, lay down in bed and shot himself in the right temple.

For some time he had been suffering from nervous trouble. The past day or two it was observed that his mind was very much affected, and in a moment of severe mental aberration committed the rash act. The major part of Mr. Crisman's life was spent in Phillipsburg, and by energy and industry he had become one of its leading business men, where he was engaged in the drug business.

An aged mother, five sisters, a wife and two children, Steele and Doris, survive him. When he lived in Phillipsburg he was recognized as an influential citizen and a prominent republican.

Woman Has Limb Cut Off.

A terrible accident occurred near State Run Monday morning when a horse attached to a carriage occupied by Mrs. Randolph Swartz and her daughter, Lizzie E. Keen, ran away, dashing the carriage over a very steep embankment onto the New York Central railroad tracks beneath the wheels of a passing freight train. Her right leg was cut off below the knee. Mr. and Mrs. Hilborn and their child escaped with less serious injury, but all were badly hurt. Mrs. Swartz was taken to the Williamsport hospital in the afternoon. Her condition is critical.

As there are some decided changes in the school laws relative to the payment of taxes, due to the recent act, J. Kennedy Johnston, Esq., the present tax collector of Belleville, has furnished us for publication, a brief comment on the new method. The opinion will be found on an inside page and should prove of special interest to tax collectors and taxpayers.

ASSAULTED AND ROBBED.

Charles Ricketts, a traveling upholsterer, who has been working in Belleville for the past several weeks, claims to have met with a rough experience at the hands of three men, Wednesday night of last week while in the vicinity of Mrs. Reuben Valentine's residence, near the Nittany furnace.

On the night in question Ricketts says he walked out along the road leading from the Evangelical church to the Valentine residence, and to enjoy the cool of the evening sat down on the hill which faces the right hand side of the road. Shortly after, three men came down the hill and accosted him with the query as to whether he "had anything on his hip." Ricketts' reply was that he had not, and at the same time he turned his back to one of the men, who immediately hit him on the head with a stone, dazing him. Another of the men then struck him in the face with a flat, knocking him down, and while he lay unconscious on the ground, his assailants rifled his pockets, securing about ninety cents, all the money Ricketts had on his person at the time.

Ricketts, although an itinerant, is said to be an expert workman, and is an inoffensive, unquarrelsome fellow, who, when he is employed, commands large wages, and it is thought that the men who robbed him were of the opinion that he carried a large sum on his person. Ricketts for a time was pretty badly knocked out and was marked with the scars of the encounter with his assailants for several days.

148th REUNION.

The members of the famous 148th Regiment will hold their annual reunion in Belleville today which will be attended by quite a number of comrades from a distance. The program of entertainment that has been prepared for them will keep them busy in the rooms of Greag Post at this place, between the hours of 10 a. m. and noon where the old soldiers will have time to meet and greet each other and recount many of the incidents of the Civil War in which they were engaged from 1860 to '65. After a lapse of over a half a century, there naturally will be a thinning out of ranks and time will have to be taken to recount to renew acquaintances, and recount the days when they were engaged in that terrible conflict.

At 1 o'clock the visitors are to be given an automobile ride about the town and surrounding country, which will give them an appetite for dinner, which will be taken at the Bush House where they will be the guests of the Colonel of the Regiment, now Justice of the Superior Court of Pa., and a former Governor of this state, General James A. Beaver.

A Nervy Hobo.

A knight of the road, giving his name as John Oesechug, and his residence as nowhere, got himself into a peck of trouble one day last week while in the vicinity of Nittany, all because of an abnormal appetite. The fellow had been seen loitering near where workmen are erecting a bridge and at a moment when he was unobserved he picked up several of the men's dinner pails and made off with them.

Two Austrians Fall Out.

John Thomas and Ludric Carmen, two Austrians in the employ of the American Lime & Stone company, quarreled while at work in the blacksmith shop at Armor's Gap one day this week, with the result that Carmen was struck on the head with a poker, and he in turn had Thomas arrested for assault. At a hearing on Tuesday evening before Squire Brown, the defendant, who was in charge of the blacksmith shop, claimed that while Carmen, who was assisting him at the work, made a very insulting remark, and he handed him one with the poker. The Squire pointed out to both parties where they had done wrong, and disposed of the case by dividing the costs equally between them.

Nineteenth Annual Picnic.

The citizens of Belleville and vicinity will hold their annual picnic at the new park, known as the Beaver Dam park, one-fourth mile north of the Pennsylvania Furnace railroad station, on Saturday, August 19. This great big county picnic always attracts four or five hundred people from Tyrone and already many of our folk are making preparations to attend the big outing.

MEETING OF THE DEM. CO. COMMITTEE

PRELIMINARY WORK OF CAMPAIGN OUTLINED.

CHAIRMAN NAMES COMMITTEE

An Enthusiastic and Harmonious Gathering—A Change in Party Rules Made—Good Reports From All Sections—A Good Organization.

The annual meeting of the Democratic County Committee was called to order in the Arbitration room at the court house on Tuesday morning shortly after 10 a. m. by County Chairman B. Kimpfort, with a large representation from all parts of the county. This meeting of the committee was made necessary at this time in order to conform strictly with Rule 5 adopted a few years ago by the party. At that time the party nominating and numerous Democratic leaders' campaign was begun earlier throughout the county.

I. J. Drees, of Lemont, was appointed secretary of the meeting and read the roll, showing over three-fourths of the committee present, while in addition to these there were many candidates for nominating president, and numerous Democratic leaders who were interested in the proceedings.

After the roll call the various committees were called to give a report from their districts and one after another they responded, going into detail as to the local conditions and the prospects for getting the full party vote to the polls at the coming November elections.

Owing to the new election law changing the time for holding the primaries now to September 30th, the time provided for the Annual County Committee Meeting in the party rules for the third Tuesday in August was deemed unnecessary, and for that reason a resolution was offered by Hon. J. W. Kepler, of Pine Grove Mills, that amended Rule 5 so that in the future the calling of the County Committee in annual convention would be left to the judgment of the County Chairman; and that the committee could also be called at any time by the action of a majority of the members of the committee. The resolution was briefly discussed and was finally unanimously adopted. This resolution will have to be ratified at a mass meeting later in order to become part of the party rules.

Hon. Wm. C. Heine, Hon. John A. Woodward, of Howard, and Chas. E. Kurtz were called upon and made brief addresses, after which the committee adjourned.

An unusual air of confidence seemed to prevail among the delegates from all parts of the county, that presaged success at the election this fall. Everywhere there was noted a disposition of the people to revolt at the high cost of living that has followed the trail of republican rule in this country. There was not a note of discord anywhere, it was a veritable love feast, harmony and the best of feeling prevailing in every portion of the proceedings. This we regard as an auspicious start for the coming year, and in full accord with the trend of sentiment that is sweeping over the entire country.

County Chairman Arthur B. Kimpfort this week announces his list of committees throughout the county. They are the men he selected to look after the interests of the party in their respective districts, and he believes that each one has signified a willingness to accept the position, and thereby upon his honor pledges himself to see that the interests of the party are not neglected in his district during the coming campaign. It means a personal sacrifice of time and labor, day in and day out, work making a close canvass, to influence every vote is polled at the general election. Your appointment is an expression of confidence in your fidelity to Democracy, and an estimate of your standing and influence in your community. But it is more than that, it is a responsibility placed upon you that implies a lot of generous hard work, to do your duty, and if you are not willing to cheerfully and promptly respond to the numerous calls that will be made upon you by our County Chairman between the 1st and November, we would plead with each of you, if you are so inclined to gracefully retire at this time. Chairman Kimpfort desires only, a committee that will be active and energetic, prompt and efficient, and then good results will follow.

Therefore, if you accept the appointment as a committee man, be faithful to the County Chairman and perform every duty with fidelity and loyalty to the Democracy.

A NEGRO BURNED TO DEATH BY MOB

DRAG WOUNDED MAN FROM THE HOSPITAL.

OUTRAGE WAS AT COATSVILLE

Body Burned to a Crisp—Had Killed a Special Policeman—A Disgrace to Our State—Prosecutions Will Follow—Order Restored.

Zacariah Walker, a negro desperado, was carried on a cot from the hospital at Coatsville, Pa., on Sunday night and burned to a crisp by a frenzied mob of men and boys on a fire which they ignited about a half mile from that town.

The negro, who had shot and killed Edgar Rice, a special policeman, of the Worth Iron Mills, on Saturday night, was first dragged to the scene of the shooting, begging piteously for mercy. He had been arrested by a posse late Sunday afternoon after a search which had stirred the countryside.

When the posse finally located him he was found hiding in a cherry tree, and with the last bullet in his revolver shot himself in the mouth, falling from the tree. He was removed to the hospital and placed under police guard.

AN ENJOYABLE EXCURSION.

Those from Belleville who took advantage of the "bargain" excursion to Gettysburg on Sunday last seemed very well pleased with the trip, and so far as the number, and the successful handling of the same go, the excursionists were well satisfied with the venture. There were just 442 tickets sold from the Belleville station—really more than was anticipated, as evidenced by the fact that Agent Hutchinson ran out of tickets before the crowd was all supplied. However no person was left because of that. The train of eight coaches was quickly filled and started by way of Lewisburg, picking up excursionists all along the route. The train departed at 3:30, the second pulling in at 4:15.

The only inconvenience suffered by the crowd was the lack of eating facilities, as many had started in the morning with little or no breakfast, and on reaching Gettysburg were unable to purchase food. No provision had been made by the people of that city to feed the thousands who were returned to their home hungry.

Taken as a whole it proved an enjoyable outing and we venture to say another excursion could be run under similar conditions this season with equally as great a success as this one.

Next year will mark one of the most notable events in the history of this famous battle ground since the Civil War, when the veterans of both the federal and confederate armies will meet at Gettysburg, in a peaceful reunion.

MARRIAGES.

Eyer—Grazier.

Wednesday evening, Forest Eyer, of Warrior's Mark and Miss Merle L. Grazier, east of Tyrone were married. Only the immediate friends of the family were present.

Watson—Parks.

Edward Watson, of Pleasant Gap, and Miss Sadie Parks, daughter of Mr. and Mrs. James Parks, of this place, were married at the United Brethren parsonage on Thursday evening last at 7:30, by the pastor, Rev. C. W. Winey.

Sproy—Bower.

On Sunday morning, August 6, at the Reformed parsonage, Boalsburg, Mr. Jacob B. Sproy and Miss Sadie C. Bower were united in marriage by Rev. S. C. Stover. Both parties reside near Centre Hall and are well known. Miss Bower was Mr. Sproy's housekeeper for four or more years, and now has made this her permanent home.

Shook—Kerr.

Announcement has been made of the wedding of Mr. James Ambrose Shook and Miss Nellie Susan Kerr, which took place at New York on Wednesday, August 9th. Mr. Shook is a son of Mrs. Sarah Shook, of Belleville, and is a most trustworthy young man. He is a graduate of Juniata College, and during the term of 1909-10, filled the position as one of the instructors in the Tyrone High School. His bride had been for a number of years stenographer to the president of Juniata College. Mr. Shook is well known in Belleville and the best wishes of his friends will follow him and his bride throughout their wedded life. They will be at home after the twenty-fifth of August at Pottstown, Pa., where the groom is employed.

Cornerstone Laying at Yarnell.

Sunday, August 27th, the cornerstone will be laid for the new United Brethren church at Yarnell, and the event will be solemnized with appropriate services. Rev. C. W. Winey, of Belleville, will make an address, and have charge of the services, assisted by Rev. J. H. Dean. When the edifice is completed, the congregation of that church will have a handsome and comfortable place of meeting. The building will be frame with brick casing, and should substantially serve the people of that community for a great many years. The laying of the cornerstone on August 27th, will be an interesting event in the history of the church, and a hearty invitation to attend is extended to the public.

Inspection of Orchards.

As previously mentioned in our columns, relative to the work of the Division of Zoology, State Department of Agriculture, in which the inspection of all orchards throughout the county was being pushed along as rapidly as possible, we are advised to say that the representative of the Dept. of Agriculture is at present visiting Boggs township and hopes to complete the inspection there in the near future. Owners of orchards are cordially invited to ask any questions affecting their trees when he makes his appearance—the service is free.

A NEGRO BURNED TO DEATH BY MOB

DRAG WOUNDED MAN FROM THE HOSPITAL.

OUTRAGE WAS AT COATSVILLE

Body Burned to a Crisp—Had Killed a Special Policeman—A Disgrace to Our State—Prosecutions Will Follow—Order Restored.

Zacariah Walker, a negro desperado, was carried on a cot from the hospital at Coatsville, Pa., on Sunday night and burned to a crisp by a frenzied mob of men and boys on a fire which they ignited about a half mile from that town.

The negro, who had shot and killed Edgar Rice, a special policeman, of the Worth Iron Mills, on Saturday night, was first dragged to the scene of the shooting, begging piteously for mercy. He had been arrested by a posse late Sunday afternoon after a search which had stirred the countryside.

When the posse finally located him he was found hiding in a cherry tree, and with the last bullet in his revolver shot himself in the mouth, falling from the tree. He was removed to the hospital and placed under police guard.

Cap on Guard Blindfolded.

A few minutes after 9 o'clock a crowd, numbering almost one thousand persons, appeared at the hospital. The leaders were unable to gain admission, but quickly smashed through the window frames and crawled through the corridors. A policeman, who had been placed on duty to watch Walker, was the only person in the building beside the nurses and patients.

The leader of the mob placed his hands over the eyes while others who had entered the building set about to take their man from the hospital. He was strapped down in order to prevent his escape. The mob, seeing this, gathered up the bed and placing it on the shoulders of four men, started for the country.

They left the town by way of the Towerville road, and when a half mile from the hospital stopped at the farm of Mrs. Sarah Jane Newlin. Here they entered a field and quickly gathering up a pile of dry grass and weeds, placed the bed containing their victim upon it.

Rails Piled on Burning Negro.

The negro was being piteously to be released, but his pleadings fell upon deaf ears. A match was placed to the pile of grass and the flames shot up quickly, entirely enveloping the screaming victim. That got a yestime of the murderer be left the hospital down the fence, and the road and piled the rails upon the burning negro.

After waiting for half an hour, the mob dispersed as quietly as it had come. A curious feature of the burning was the fact that there were almost as many women in the crowd as men.

Since this outrage was perpetrated an uprising of the colored population was feared, and a fearful riot was possible. The state constabulary was rushed to the scene and their presence prevented any further outbreak. Since then the local authorities have taken steps to arrest and punish the ringleaders in this awful crime.

WILLIAMS REUNION.

The Williams Re-union, the annual event of John Bald Eagle Valley, will be held in John Q. Miles' grove near Martha, on Saturday August 19, 1911. It will be bigger and better than ever. All trains except the fast train east in the afternoon will stop at the grounds and a suitable platform will be erected for the accommodation of all passengers on the B. E. V. branch of the Pennsylvania Railroad.

The Port Matilda band will be in attendance, a "Merry Go Round" for the children, two games of ball and other athletic events for the athletes. Col. H. S. Taylor, of Belleville, and Rev. Gordon A. Williams will address the assembly and their reputation as entertainers is sufficient for that part of the program.

Who this is the "Williams Reunion" a cordial invitation is extended to all to attend this annual outing. Harry G. Ebbs, of Millsburg, the well known caterer will have charge of the refreshment stands which fact guarantees that the proper and whole some refreshments can be had for all who wish them.

Fell From Hotel Window.

George Miller, of Beech Creek, a guest at the Clearfield House, Lock Haven, at 4:30 o'clock Sunday morning, was rudely awakened when he found himself lying in the alley at the north of the hotel, attired only in his night clothes. It appears that Mr. Miller is a somnambulist and at times walks about his room when sound asleep. This he again did on Sunday morning, but unfortunately fell out the second story window landing on the ground with a thud. That he was not instantly killed or even seriously injured is indeed a miracle. When Mr. Miller had fully realized what occurred he hobbled to the rear porch and summoned assistance. An examination was made and beyond a thorough shaking up Mr. Miller sustained only a fracture of a small bone in his left foot—Lock Haven Express.
