-A clearance rale is now going on at Finklestine's.

The good old summer time is thing of the past. Autumn having full sway, old Jack Frost will now be the reigning king over all, especially the vegetation. Already we have had evidence of his presence with us, as there was a very heavy frost a week ago, but no damage was noticed whatever, Everyone will be harvesting and gathering the fruits and vegetables and storing them away for the

Henry Woomer has been working at State College as a stone mason for

George Shuey has been working in the woods, getting out saw logs. The little baby born to Mr. and

Mrs. John Colpetzer this summer is very sick at present. Little Rebecca and Verda Fike were visiting their little niece, that just ar-

rived a week ago at the home of Geo. Rider, of Valley View. The beautiful scenery about Spring Creek enchants every traveler passing through here, no matter who he may be, for who would not notice the beauties of nature anywhere. The great high rocks, with the beautiful green hills and fields, and the many large trees, all arranged to present a picture that no artist could attempt to paint, for he could not do it justice. And the birds from sunrise to sunset continually singing-the meadow larks and the robin, too, and other unknown

birds helping in the chorus. John Benner had the able assistance of fifteen or more teams helping him get all the saw logs to the saw mill for his large barn.

Mrs. Susan Hamer, of Philipsburg, arrived on Saturday at the home of Emanuel Roan for a short visit. Wm. Bartley, of Jacksonville, has the contract for building the large hay

shed, at the farm of Nathaniel Krape.

Harvey Fike and wife, of Bellefonte, were pleasant visitors Sunday, at the home of Harry Fike.

The home of Frank Shuey is well surrounded with all kinds of fruit trees, mostly all bearing fruit this summer. But the reason of this is, Harry Holderman knows how to treat the trees so they will bear every sum-

Rev. Engle preached at the Methodist church on Sunday; he took for his text and sermon, St. Mark, 4th chap-

ter 26th to 30th verses. The woods back of Harvey Benner's have quite a changed appearance since the saw mill was moved there. They have made considerable lumber from these woods, the timber taken mostly from the strip of woods leading to the farm of Wm. Shuey. A few trees will be cut on the strip next to the home

of Watson Struble The Sunday School at the Methodist church here has been well attended all summer more so than other years. A teachers' training class was organized some weeks ago with quite a few teachers and others enrolled as members. The first meeting was held on Tuesday evening at the home of Wm Eminhizer
