—Miss Lulu Spicer was admitted to the Bellefonte hospital on Monday for the removal of a growth on her neck which has been giving her considerable trouble for some time.
—The Knights of Columbus held a delightful euchre and dance in their rooms over the Bellefonte Trust Co. on Tuesday evening. The affair was largely attended and was a success in every particular.
—Mrs. Dr. George F. Harris, accompanied by his daughters, Mrs. John M. Shugart, of this place, and Mrs. J. Mac Curtin, of Pittsburgh, departed on Friday for a brief sojourn with friends in Philadelphia.

—Work has again been resumed on the new Brandman building, corner of Allegheny and Bishop streets, after a delay of a week or more due to the contractor being unable to secure stone for the cement walls. It was Mr. Brandman's hope to occupy the building by the end of next month, but at the rate it is going on, cold weather may catch the workmen before the walls are up.
—On Sunday the congregation in the Methodist church raised a sum of money for Rev. E. E. Harter, the unfortunate Methodist minister who suffered loss in the Austin flood. About ninety dollars was raised by contribution, and since then Rev. Yocum has received other sums, which will probably swell the fund to an even hundred. The gift will no doubt be highly appreciated by Rev. Harter and his family, and is a most worthy act.
—William Mayer returned home on Monday evening from a six weeks' trip through the eastern portions of the state where he visited relatives and spent some time with his daughter who resides near Philadelphia. He is very much pleased with what he saw, the good treatment he received, and the fine time he had. Part of his time while away was spent in New Jersey and Delaware, but Mr. Mayer stated that he never could find as good water as Bellefonte possesses. This is a fact, too, as many others have learned.
—Frank Rowe, who recently returned from the Diamond Rubber Co., Detroit, where he spent the past year in the repair department, and Ray Davis, of the Garman House will open a new auto-tire repair establishment in Tyrone, to be known as the "Auto Tire & Repair Co." New machinery will be installed to do the work according to the latest and best methods. All kinds of rubber vulcanizing, and rebuilding of outer shoes for autos will be one of their specialties. Such an institution in this part of the state will be a great convenience to all automobile owners in this part of the state. Messrs. Rowe and Davis are enterprising young men and we commend them as trustworthy and reliable.
—One would need travel a great ways and then run many chances of being disappointed, in order to find a more pleasant and genial couple than Mr. and Mrs. Eugene Beck, who had been visiting in Bellefonte the latter part of the week, and who returned to their home in Bustleton, near Philadelphia, on Saturday. Mr. Beck is a brother of our townsman, R. A. Beck, and is likewise a barber in the pretty and beautiful little suburb town in which he resides. As Mr. Beck states about once in seven years and his wife take a little trip through Pennsylvania, and Bellefonte is always included in the route. May the trips know him in our direction never grow less but be more numerous in the earnest wish of those who know him.
—An exploding lamp at the residence of Mr. and Mrs. Edward Latham, on Logan street, last Thursday evening shortly before 8 o'clock, was the cause for bringing out the fire companies, whose services luckily were not needed. A lamp had been left burning on a bureau during the absence of the family from the home, and it exploded, setting fire to the top of the bureau. James Kreps, who happened to be in that vicinity, first discovered the blaze, and with the aid of several others broke in the door and extinguished it. The large glass on the bureau was cracked by the heat, and a number of articles in the room was damaged. Had it not been for the timely discovery it received, the blaze would have made a serious conflagration in that section of the town.

—Miss Helen Ceder was the guest of Tyrone friends last Thursday.

—John Tonner Harris was an over Sunday guest of his mother, Mrs. Harvey Harris, of Howard.

—Last Thursday evening Rev. Ezra H. Yocum, D. D., of the Methodist church officiated at the wedding of Mr. George Pearson Glenn and Miss Elizabeth L. Keim, which was held at Lewistown. Miss Bessie Miles, of Milesburg, was one of the four bridesmaids at the nuptials.

—Little Mary, daughter of Mr. and Mrs. E. Eckenroth, celebrated her fifth anniversary of her birth last Saturday by entertaining eleven of her youthful playmates at a delightful luncheon and an afternoon frolic. The dozen little tots were the joy of each other, and Miss Mary was pronounced a tip-top hostess.
—The ladies of the M. E. church, of Milesburg, will hold a carnival on Friday and Saturday evenings, October 20th and 21st. Tressler, son and daughter, of Hunters Park; Mr. and Mrs. H. C. Burkett, Stormstown; N. H. Tressler, Pittsburg; R. L. Tressler, Williamsport Seminary. It was a delightful event and long to be remembered by all.
—Mrs. H. H. Rachau, of Spring Mills, spent Tuesday in Bellefonte while on her way home from a visit to eastern cities. She also spent some time with her son, F. M. Rachau, at Altoona, who holds a responsible position with the Penna. R. Co. in their shops at that place. On her way to Bellefonte Mrs. Rachau was the guest for a few days of her daughter, Mrs. C. C. Daley, at her beautiful country home near Milesburg.
—At a recent meeting of the directors of the First National Bank of Bellefonte, Edward Richards was elected as a member of the board to fill a vacancy due to the death of Dr. Geo. F. Harris, who also was secretary and vice-president of the board. Col. W. F. Reynolds will act in that capacity for the unexpired term. The new member of the board is one of Bellefonte's well known and prominent business men whose experience in financial matters makes his name and services a desirable acquisition to this bank.
—Mr. and Mrs. Charles Armstrong, who had been called here by the illness and subsequent operation of the latter's sister, Mrs. Minnie Colston, at the Bellefonte hospital returned to their home at Curwensville on Monday. The ladies are daughters of Adam Smith, who resides on the Humes farm, southeast of town, and during their two weeks' stay in this place, Mr. and Mrs. Armstrong were his guests. We are glad to state that Mrs. Colston is improving very nicely, and will soon be restored to her usual good health.
—J. Horace McFarland, president of the American Civic Association, conspicuous as one of the leaders of those who would make this country, and especially the cities in it, cleaner, more beautiful, more joyous and altogether better places to live in, will tell the people of Bellefonte how to renovate their town, in his lecture on "The Crusade Against Ugliness" which he will give in the auditorium of the high school building, Friday night. The lecture will be illustrated by stereopticon views and there will be ten cents charged for admission.

—Rev. James P. Hughes, of the Bellefonte Academy, has been housed up the past few days with a cold, which has been just bothersome enough to be annoying without seriousness.

—The ladies aid society of the Lutheran church will have a supper this Thursday evening, Oct. 19, in the room next to Sticker's tailor shop on Bishop St. Price of supper twenty cents. Ice cream and cake extra.
—Ed. Keichline, who is employed at Renovo, was a guest of his parents over Sunday. To the gratification of his friends, "Doak" is unfalteringly keeping in the promotion line, and will some day reach the pinnacle of his chosen vocation.
—A great game of football is scheduled for Saturday afternoon at 3 o'clock, between Dickinson Seminary and Bellefonte. The last time these two teams contested for supremacy, Dickinson beat the Academy 6-3, but they are going to have one of the liveliest times in their football career if they down the Academy this game. Don't forget—3 o'clock, Saturday afternoon.
—George Koeler, of Bellefonte, was the lucky holder of a ticket which recently swelled his bank account \$5 heavier than it had previously been. An arrangement has been made whereby the proceeds of the sale of tickets was to be applied to benefiting the aged, infirm and blind deaf mutes at Doylstown. Those who took part from Bellefonte were Burns Crider and John Leopard.
—Veteran John H. Bryan has been pretty sick for the past ten days, suffering from indigestion and heart trouble, which finally compelled him to go to the Bellefonte hospital for treatment. While attending to his duties in the Salvation Army hall Sunday night a week ago, Mr. Bryan was seized with a fainting spell, and he was at once removed to his boarding place, William Bathurst's, near the depot. It is to be hoped that he may be speedily restored to health again.
—Saturday was a great day for local football fans, and it only lacked the winning of the Athletics from the Giants in New York, to make their cup of happiness full. As it was there was ample cause for rejoicing for the local fans. Advertisements in the Indiana Normal to the tune of 12-97. And didn't Bellefonte High school trim the Lock Haven reserves by a 19-0 score. And when the answer came from Penn State that they had brought home the bacon from her game with Cornell, happiness reigned supreme.
—On Monday of last week the venerable Samuel Walker, of Salona, underwent an operation in the University hospital, at Philadelphia, which we are glad to state was very successful, and in spite of his advanced age of 72 years, he will be enabled to return to his home at Salona yesterday. Mr. Walker is the father of W. Harrison Walker, Esq., of Bellefonte, who accompanied the former to the institution in Philadelphia, and returned home the beginning of this week.
—Dr. Thos. C. Van Tries will deliver his famous lecture "Choses from the Southland" at the A. M. E. church on Friday evening, Oct. 20th at 8 o'clock. Various features of southern life will be introduced. Booker T. Washington to improve writing, especially mentioned. All invited. Refreshments served. Monday evening 22nd, there will be a "Queen's Contest" celebration in the said church. A specially interesting program awaits those who will avail themselves of this invitation to attend. Refreshments served.
—On Wednesday Clem Sager departed for Lock Haven where he will enter the hospital to have an X-ray examination made of his right foot, which had been injured about six weeks ago but never rightly healed. He was employed by the American Lime & Stone Co. and at the time of the accident his foot was run over by a car loaded with three and a half tons of stone, and several bones broken. The injured foot has given him a great deal of pain lately, possibly due to improper knitting of the broken bones, the correctness of which can best be determined by the aid of the powerful X-ray.
—The Bellefonte Academy boys had prepared for a great bon fire celebration in the center of the town on Monday evening, but on account of the damage which has been done to the brick paving, the fire was held on Hughes field instead. When council convened on Monday evening the first question that came up was whether the boys be allowed to build a fire on the Diamond, and what damage might result from it. Several loads of ashes had been hauled to a spot on the paving where the fire was to be built, but council decreed that this was not sufficient to prevent damage to the brick. However, several teams removed the huge pile of boxes to the ball grounds, where a large crowd followed to enjoy the fun.
—The first number of the Y. M. C. A. Star Course, given last Thursday night in the auditorium, was a rare musical treat, and greatly enjoyed by the large audience present. The "Musical Favorites" are rightly named, and it would be a hard matter to secure a quartette who could so successfully blend their musical talents as do these four. The next entertainment on the course will take place on the evening of Wednesday, November 22nd, when John B. Ratt will be the attraction. There are still four high-class numbers to be given during the course, and for \$1.50 you can now secure a ticket that will admit you to each and everyone. Those who do not have course tickets should secure them at once.

COUNCIL PROCEEDINGS.

Council convened on Monday night with Messrs. Harper, Judge Keller, Musser and Grimm present. Under verbal communications, Mr. Huff, who was present, stated that he resided in the American Lime & Stone Co. property at Sunnyside, and would either have to have his water rent reduced, or the dwelling outside of the borough, and like a number of other houses in that vicinity, is furnished with water by the borough. In this case the house is double and occupied by two families each being assessed \$8 a year for water rent. As this amount is fixed by ordinance council could do nothing in the matter, hence the water was ordered to be cut off.

A petition was read from a number of citizens in the vicinity of Beaver and Hoy row, asking that a light be placed between the residences of E. K. Rhoads and Frank McCoy on west Linn street. Referred to street committee with power to act.

Council was notified by letter of the election of J. S. Knisely as fire marshal; Geo. H. Eberhart, 1st assistant, and Herbert Amant, 2nd assistant.

A bid was read from C. A. Thomas, Bellefonte, for repainting the Lamb street bridge, the prices specified being \$75, \$65, and \$55, according to the quality of paint desired. It was ordered that the bid be accepted.

Street committee reported the re-flooring of the Lamb street bridge, the Phoenix station bridge and the glass works bridge. Also a number of other needed repairs were made throughout the town.

Market committee reported \$8.50 market fees.

Finance committee stated that F. W. Crider asked that \$2000 be paid him which he wished to apply toward liquidating his taxes. Council was of the opinion that this amount included school taxes, over which they had no control, hence an order of \$1200 instead was ordered drawn, to be applied to what Mr. Crider holds against the borough.

Police officer Mitchell stated that he had written a letter to the Penna. R. R. Co. in regard to laying a sewer under the tracks near Stoney Battery.

In regard to the sewer connection which G. E. Haupt wishes to make at the new house on Thomas street, the engineer stated that at the point where the tap would be made, near the Cherry residence, he found there would not be enough fall, as the sewer was not low enough. The matter was referred back to the engineer for solution.

An ordinance for paving west High street between the large bridge and the race bridge, was read. Mr. Grimm also stated that what portion of the street needed was lights in similarity to those on the Diamond and Allegheny street, to take the place of the street committee was ordered to proceed to get bids for the paving of the street with brick.

The matter of taking care of the surface water at the Lutheran church was referred to the street committee. The pavement in front of the Lingle office on Linn street was ordered to be brought up to grade.

A note of \$700 was ordered to be drawn in favor of Col. W. F. Reynolds to take up a note of similar amount and favor, to be dated at time of old note falling due. A note was ordered drawn in favor of R. B. Taylor for four months, on account of balance due on State road.

At midnight in his guarded ten the Turk was dreaming of the hour when he should wipe out the Black Hand.

The suddenly through the flap of the door the appearance of Marko, on its head and beneath its hair it bore the map of a Cornell man while it wept and could not wipe its eyes. It signalled rather than spoke. "Mother! I'mn may have a lot of brass, but isn't 'Pop' Golden?" Hark! 'Tis the bargains of Scotland!

P. S.—Our Breezy Swat Colyum.

That if the iron business is on the blink around Bellefonte, the pool room business is doing Knisely (nicely)! How can he do it on the salary he gets?

Ray Miller's Debts Settled.

W. F. Slagle, of Bloomsburg, Pa., surprised merchants of Atlantic City and the mainland on Saturday when he appeared at their places of business to settle up the accounts of Ray Miller, a pretty Southerner, who was sentenced to a year in State's prison last week by Judge Higbee, as a swindler. Slagle secured releases to the credit of the young woman by paying cash.

The testimony to the testimony adduced at the girl's trial, she worked a swindling game by duping installment houses, departing with the goods she had secured in one payment, and then disposing of the stuff at a profit. The Southerner was apprehended there, just as she was boarding a train, after selling a complete house full of furniture for a mere song.

All along she has declared her schemes were not actuated by evil intent and asserted settlement would be made. Now that the claims of the merchants have been satisfied, efforts are being made to secure her release.

E. J. Burd and wife spent several days at the home of A. B. Lee, near Tusseyville, being called there on account of the serious illness of Mrs. Burd's mother, Mrs. Lizzie Swabb. As Mrs. Burd has no assistant in her milliner shop many of her customers were disappointed on Saturday, but she returned on Monday and is ready to trim up the prettiest, fashionable ladies' hats for all who call at her milliner parlor.

Lulu Hosterman spent several days at Millinburg the guest of H. S. Snyder's.

Mrs. Kate Neese, of Rebersburg, is assisting Mrs. Reuben Harter to do her fall house cleaning.

Engineering Extension.

A wing to the Penna. State College Engineering building has been authorized to be built by the college trustees, says the Times. The new section will be 100x60 feet and will be located near the thermal laboratories. It will be used for the study of iron and steel, high tension electrical apparatus and cement laboratories. The experimental mill will be placed in the electrical extension. The new building is certainly needed, as the Engineering department is handicapped for want of space.

After Political Liars.

H. A. Davis, candidate on the Republican and Prohibition tickets for district attorney at the recent Blair county primary elections, entered a trespass suit in court last Tuesday against Karl Kuny to recover \$1000 damages for alleged circulation of a false story that Mr. Davis drank beer at a German picnic. Mr. Davis alleges that he attended the picnic to honor the memories, but not to revive the customs of the fatherland.
