MEETING OF COUNCIL

Borough council met in regular session on Monday night with Messrs. Harper, Judge, Musser, Beezer, Grim and Yerger present. Minutes were read and approved without alteration. Street committee reported the raising of Valentine street, and a number of needed improvements made upon othstreets. Water committee's report embraced the cutting off of the water at the American Lime & Stone Co's house, and the tapping of the water for Isaac Underwood and James Seibert.

Treasurer reported a balance on and Nov. 6, \$252.39.
"Progress" was the report on the esidence.

In regard to painting the Lamb street bridge, street committee re-ported that all bids had not as yet een handed in, hence no letting made. Mr. Musser stated that the commissioners were willing to purchase a good quality-of paint if the borough would put it on. The mat-ter was referred back to the street committee to see that the work was

In the matter of changing the light at the Penna. R. R. Passenger station on High street, Clerk Kelley stated one of the officials at Tyrone, that gentleman had assured him of the company's willingness to comply with any action of the borough council that would bring about any improvement along that line, but did not care to make any change that would add upon them additional expense. matter was turned over to the street committee.

The ordinance for paving that portion of High street from the Spring creek bridge to the race, was given final reading, and upon a vote adopted as read. That part of the street on the east side of the big bridge, between the three crossings, was also included in the paving job. Upon reading the bid of R. B. Taylor, which is the same price as previous paving, he was awarded the contract, Boro treasurer asked for a note in he sum of \$1,000 for six months, dated October 4, for renewal of note of like amount, and an order of \$25 for interest thereon, both of which were granted. That official also asked for note of \$7,000 at 3 months, to take up a note of similar amount, which was granted.

The report of the auditors of the Pruner orphanage was then taken up and read, which showed a careful handling of all funds connected with the estate. By motion the report was H. Devor, of Chambersburg, which ccepted and ordered to be filed

The removal of the 4-inch strip from the breast of the dam at the Phoenix station, over which there had been ome contention, was ordered to be lone at once. A communication from the boro solicitor stated that permission had been given the Hale estate a number of years ago to put on this trip, with the provision that the boro uld remove it whenever they deemed necessary.

The walk on St. Paul street leading to the A. M. E. church was reported to be in a very bad shape, and the matter was referred to the boro englneer and street committee for remedy. A lot owned by Mrs. J. L. Spangler, on
