PORT MATILDA.

Saturday, January 6th, being regular meeting day for Port Matilda Grange, No. 1284, they concluded to have a love feast, so accordingly they ordered oysters and the good wives prepared chickens and other good things to eat and plenty of the very best and invited their friends to have a good social time. Among them were Rev. H. A. McKelvey and wife, and Rev. Gilbert and wife. At 12 o'clock the putting away of good things began and lasted until after 2 o'clock, and all did justice to it but do not know about themselves. From the trouble Rev. McKelvey had to get started to talk, I think he had too much chicken to handle. After all had eaten to their satisfaction worthy master, W. H. Laird, invited all to the hall, it being installation night. Grange opened by singing, followed with prayer by chaplain, Mrs. A. W. Woodring; then followed installation of officers by past master, James Goss and his wife, after which Grange closed with prayer by chaplain, and the following program was carried out: Singing, by choir; address, by Rev. McKelvey; recitation, by Wilda Laird; recitation, by Laura Laird; singing; address, by Rev. Gilbert; recitation, by Russel Woodring; solo, by Ethel Williams; recitation, by Wm. Shultz; singing; recitations by Catherine Pringle, Minnie Laird and Ida Williams; singing; recitations, by Wm. Shultz; singing; closing prayer by Rev. Gilbert.

To Subscribers—1912 Pointers.

In remitting money on subscription for the Centre Democrat, during any time in a month, do not look for a change of label until the first week of the following month. The labels are only changed once a month.

When any of our patrons move from one postoffice to another, and write to have their address changed, always give the name of the postoffice it had been going to, as well as the name of the office of the new address. Always sign the name same as given on the address label.

These two pointers are important with us and as well as to the patrons of this paper.

Coughs and Colds

You could not please us better than to ask your doctor about Ayer's Cherry Pectoral for coughs, colds, croup, bronchitis. Thousands of families always keep it in the house. The approval of their physician and the experience of many years have given them great confidence in this standard cough medicine. Sold for seventy years.

Any good doctor will tell you that a medicine like Ayer's Cherry Pectoral cannot do its best work if the bowels are constipated. Ask your doctor if he knows anything better than Ayer's Pills for correcting this sluggishness of the liver.
