Epidemic of Matrimony. Whether it was simply a coincidence, or by connivance; because of some occult condition of atmosphere; by reason of the cold weather, or owing to the quieting and steadying influence of T. R.'s Monday's announcement that he is coming back, cannot be even guessed, but the fact remains that an epidemic of matrimony broke out in our town last Wednesday afternoon, and before dark six young people had been compacted into three couples for life, three parsonages made gay, and our three resident ministers' wives made happy by the wedding fees received by their husbands for doing the compacting. About quarter past two George F. Rogers, of Clintondale and Miss Edna R. Waite, of Jacksonville, daughter of Mr. and Mrs. E. E. Waite, stepped into the Reformed parsonage, and requested the bride's pastor, Rev. E. F. Faust to make the twain one, which he promptly proceeded to do, summoning a big quilting parwhich happened to be present to witness the ceremony. At its close the newly wedded couple promptly departed for the bride's home by private conveyance. As soon after the arrival of No. 52, as the walk from the station to the M. E. parsonage could be accomplished, Clark H. Beatty, and Miss Bella L. Leathers, of Kennedy, who had gone to the county seat on the morning train for a license, entered and summened pastor R. S. Taylor to the pleasing task of pronouncing them man and wife. It just so happened again that a quilting bee was in session, but that was not allowed to interfere with the mere important business in hand, which promptly and satisfactorily concluded in time for principals to take No. 55 for their home. At six o'clock the same afternoon, Bernard Long and Mary L. Hinton, both of whom are Howard residents, stepped into the Reermed parsonage, where pastor M. J. Snyder, who had been previously notined, awaited them, and again the solemn ceremony which binds two for life was pronounced. There was no quilting party here, but at the psycho-logical moment another sort of party appear on the scene, and in the twinkling of an eye the principals, with their escorts, were hustled into the magnificent wedding coach, (Kline and

ning entertainments, and indulged in wedding-cake dreams.
