Your Lungs and Throat.

The preparation mentioned by the Rev. Chas. Sager has been for over sixty years of incalculable worth to sufferers from consumption, asthma, bronchitis, catarrh, grippe, coughs, colds and all lung and throat diseases, and is a household remedy in many, many homes to which it has brought health and happiness.

Me. C. A. ABBOTT, August 11, 1905, 60 Ann St., New York City.

Dear Sir: I have known for over 40 years of the effects of Wilson's Remedy (Wilson's Preparation of Hypophosphites and Bioglycine) in cases of pulmonary troubles. At this point I will say to you what you have not before known of, that 44 years ago, while I was a resident of N. Y. City, I was severely ill with lung trouble. Physicians said I was a consumptive and my family physician told my wife that she thought I could not recover. My attention was directed to the Wilson Remedy, which I used with splendid effect. I have been on my feet and at work ever since my cure. Yours truly,

REV. CHAS. SAGER, Pastor M. E. Church, Hunter, (Greene Co.) N. Y.

The above letter shows what a great boon the Wilson Remedy was to Mr. Sager, but it is but one of thousands received testifying to the curative power of this wonderful remedy.

Write at once to Mr. Abbott at the above address and he will furnish you convincing proof of the great worth to humanity of this preparation.
