

BELLEFONTE AND VICINITY

THE LOCAL HAPPENINGS IN SHORT PARAGRAPHS

Mrs. Hugh Crider left last week for a two-weeks' visit with friends in Philadelphia. John Bauer, who is employed by Eyre and Shoemaker, contractors, spent the week-end with his family in this place. Mrs. Edward Irvin, formerly of Bellefonte, now residing at Cherry Tree, spent Easter with her many friends in this place. Mr. and Mrs. Boyd Musser and little son Harold, of Altoona, spent Sunday in Bellefonte with the former's parents on east Lamb street. Mrs. J. C. Meyer and daughter, Mrs. W. B. MacIntyre, left last week for their new home in Tennessee, where Mr. MacIntyre is employed. Lawrence McClure, employed in the railroad shops at Renovo, spent his Easter vacation with his parents, Mr. and Mrs. Jas. I. McClure in this place. Mr. and Mrs. Charles Moran have gone to Lima, Ohio, to make their future home. Mr. Moran is employed as a traveling salesman for a large shoe firm. Mrs. James Corl, having had sale of her household effects, left for Chicago the past week, when she joins her husband who holds a good paying position in that city. Stratford Hewitt, of Atlanta, Georgia, arrived in Bellefonte last Thursday for a visit with his parents, Rector and Mrs. John Hewitt, at the Episcopal parsonage on Lamb street. Jesse Osman, of Altoona, spent last Thursday in Bellefonte at the home of Mrs. Alice Showers, on Allegheny street, and on Friday morning went to State College for a few days' visit. The office furniture owned by the late Edward R. Chambers was disposed of by public auction on Saturday, thus bringing to mind how rapidly the old and once familiar legal firms are passing away. Mr. and Mrs. Frederick Topelt and little son, of Brooklyn, N. Y., were arrivals in Bellefonte on Friday to spend a brief time with Mrs. Topelt's parents, Mr. and Mrs. R. S. Brouse, on Thomas street. Mrs. John Huffman, daughter Leonore and son William, of Williamsport, spent a very pleasant Easter in Bellefonte at the home of the former's parents, Mr. and Mrs. G. R. Spigelmyer, on Howard street. A meeting of the Alumni Association of the Bellefonte High school will be held in Fortney & Fortney's office, Monday night, April 15th, at 8 o'clock sharp. A full attendance is requested. John J. Bower, Pres.; Elsie M. Rankin sec'y. Mr. and Mrs. Daniel Heckman, of east Lamb street, entertained as Easter guests their daughter, Mrs. C. G. Spicher, of Wilkesburg, and Mrs. Minnie Hunter and son Dorsey, of State College. Mrs. Spicher returned to her home on Monday. The City Steam Laundry recently installed some new machinery for laundering lace curtains and stringing them, and the work will be sure to please all our patrons. We are making a specialty of this line of work at this time. Our prices are reasonable. List of unclaimed letters for the week ending April 6: J. N. Baker, H. J. Beyrent, A. R. Clark, Mrs. J. P. Culbertson, Miss Tessie Hays, M. D. Kittell, Mrs. Wm. Rushton, Mrs. July Saxton, William Sulston, Mrs. Gaylard Woods, Foreign, Michele Clavuro, H. C. Valentine, Postmaster. High street pedestrians are having an example of the convenience to be enjoyed in widening the sidewalks on the north side has been thrown open to the public during the week. With its enlarged area presents a decided improvement over the old walk. Fruitful evidence of the Civic Club's request at last meeting of council to have the streets cleaned once a week, was noticeable on Allegheny street Sunday morning. After the refuse had been carted away, several members of the fire department late Saturday night used the fire hose to excellent advantage in washing the brick paving. Miss Luella Shook, of Pittsburg, and Mrs. S. R. Poorman, with her two interesting children, Sarah and William, of Huntingdon, were arrivals in Bellefonte on Saturday to spend Easter with their mother, Mrs. Sarah Shook, and other friends. Miss Luella left on Monday again to resume her position in the State capital, while Mrs. Poorman and children will remain in Bellefonte for a week or ten days. On Saturday morning Louis Schad son of Mr. and Mrs. Albert Schad, became suddenly ill while at work as a clerk in Montgomery & Co's store. He was removed to his home and later a physician diagnosed his ailment as appendicitis. His removal to the Bellefonte hospital followed and the same evening the young man underwent a successful operation. Louis is a popular young man, and his friends will rejoice in his speedy recovery. William Doak, the blind, deaf and dumb man, who sells pencils and novelties on the streets, has devised several useful household articles on which he is desirous of securing patents. Being without funds and with no physical means of raising the money, he asks his friends to help him by contribution. To this end the Potter-Hoy Hardware Co. has placed a box on one of the show cases in their store, where contributions may be placed, or money may be sent direct to the Potter-Hoy firm who will place it in the box. Any sum however small, will be thankfully received by Doak, who feels that his inventions have sufficient merit to enable him to better his condition. A public drinking fountain for horses is badly needed at Bellefonte. You have only to stop and think of the number of animals that are driven a long distance to Bellefonte, left standing around for several hours and then going without water until they reach home again, to realize the truth of the above assertion. This is not the case in every instance, but the majority of drivers will allow their horses to go thirsty until they reach a convenient watering place. At the last session of council, a proposition was presented by a Bellefonte lady to donate such a fountain to the borough. It was also stated at the same time that a similar move had been contemplated by another prominent citizen of the town, and under the circumstances, the lady's offer has been held over. With two donors in the field, a public fountain should be an assured fact, and if it is not asking too much, why not have two—each located in different sections of the town?

Mrs. Alice Showers and son Fred spent Easter with friends in Howard. John Meyer, of Altoona, was greeting friends in Bellefonte on Easter. Wilfred Kurtz, a student at Penn State, was a week-end guest of his grandparents, Editor and Mrs. Fred Kurtz, of this place. Mrs. Hugh N. Crider and Mrs. Charles Lukenbach returned to their homes in Bellefonte on Tuesday from a delightful sojourn in Atlantic City. Charles Roth reports that his hens scored an egg record of 379 during the month of March. Pretty good target for his little family of 23 hens. Announcement of Miss Eva Crissman to Mr. Alex. Cromer, of Scranton, N. Y. Mr. Cromer is a former Bellefonte Academy student. Mrs. Dr. Freidman and daughter, after a pleasant visit with friends and relatives in Bellefonte, departed for her home in New York on Wednesday, accompanied by her father, Herman Holz. Don't forget the famous Thespians and State College orchestra at the opera house Saturday evening April 13. "The Commandant" will furnish a night of rare enjoyment. Prices 25, 50, 75 and \$1. Friends in this place of Mrs. D. H. Hastings, who with her daughter Sara, is traveling in Europe, learn that the latter is very ill with asthma. They are now in Italy, but expect to sail at once for home. The annual boys' banquet of the Y. M. C. A. will be held on Tuesday evening in the Association rooms. This is always a big event for the junior members, and is being eagerly looked forward to. Don't forget, Mr. Business Man, that the lecture of Bishop Bell, in the Methodist church next Monday evening, will not begin until 8:15, thus giving you plenty of opportunity to attend. A large audience is anticipated. James Krape, who was employed at the Brant House the past winter, has gone back to the Bellefonte hospital to resume his former position as orderly. Fred Showers, who had been filling the job of late, has resigned. Mrs. Chas. Dougherty and daughter Margaret, of Canton, O., and Mrs. James McLain, of Massillon, O., will arrive in Bellefonte this evening for a week-end visit at the home of their sister, Mrs. H. P. Harris, on Howard street. Mr. and Mrs. Chas. Donachy and children, of Williamsport, were Easter guests at the homes of their respective parents in Bellefonte—Mr. and Mrs. C. C. Shneyer on High street, and Mr. and Mrs. S. A. Donachy of Allegheny street. The base ball season opened in Bellefonte last Saturday afternoon with an interesting game between the High school teams of Bellefonte and State College, the local boys winning by the score of 8 to 1. Hafer, pitcher for Bellefonte, struck out 14, and Krumrine for State College, 8. A. A. Dale, of Bellefonte, will deliver the Memorial Day address in Bryansburg, under the auspices of the John S. Melvin Post, No. 141, G. A. R. Our townsman is having a wide reputation as a Memorial Day orator, and is deserving of it all. His superior is not found in the central part of the state. On Monday Gehret & Lambert broke ground for another new dwelling house on south Allegheny street, on a lot adjoining the one on which stands the modern dwelling recently erected by these enterprising young contractors. The houses when ready for occupancy will make desirable residences. The annual meeting of the Spanish American War Veterans Association will be held in Bellefonte on April 16th and 17th. On the evening of the 16th a banquet will be given at the Brockerhoff House. The business meeting will take place the next morning. All members of the Association are urged to attend. The Friday night dances are continuing in the Logan Hose Hall each week, and as Lent is now over, larger crowds than ever are expected to attend. As usual both square and round dancing are participated in. It is of much interest to many to learn that a leap year dance will be held there Tuesday, April 23rd with the usual square and round dancing. On Wednesday the well known Mrs. David K. Tate, of this place, reached her 84th birthday, blessed with clear faculties and enjoying good health. With the exception of failing eyesight, this good lady is no older than twenty years ago, and still possesses her old-time cordiality for her friends. Mrs. Tate is the mother of Benj. Tate and Mrs. Geo. Beezer, of this place. All those holding tickets for the "Maggie Pepper" entertainment that failed to take place at the Y. M. C. A. some time ago, can use the same tickets for admission to the Special Grand concert this Thursday evening. This is one of the best quartets of entertainers sent out by the Ithaca Conservatory of Music, and will probably be the last to be heard at the Y. M. C. A. this season. Dr. A. W. Hafer convinced us on Tuesday that he was a good boy in his younger days, by producing a card of merit given him just fifty years ago, by his teacher, R. M. Magee. The card bears witness that the Doctor was at the head of his class the oft-tenest, and we have the right to presume that the membership of the class numbered more than one. Mr. Magee was county superintendent of schools for a number of years, and was a scholar of great ability. Bellefonte has a brand new industry that has been successful from the start, and plans are under way to operate it upon a much larger scale. It is the mining and shipping of granite rock, or mountain stone, used very extensively in the manufacture of steel. The operations are being carried on near McCoy's Works, and there is known to be an almost inexhaustible supply of this material there for which there is great demand. Charles Schad, Frank Clemson and J. Thomas Mitchell, comprise the firm who have about fifteen workmen employed at present. The rock is conveyed from the mountain to the road by a chute, where it is loaded on cars and hauled to the cars. At present about one car a day is being shipped, but after the new sidetrack, now under construction, is finished, it is expected that three cars a day can be handled.

See Katz & Co's carpet ad. this week. Don't forget the Special Grand Concert Company at the Y. M. C. A. to-night. The Special Grand Concert Company at the Y. M. C. A. to-night. You'll be delightfully entertained if you attend. Mrs. Frank Wooster left on Monday for Lock Haven to spend a week with her husband, who is employed in a laundry in that city. Clarence D. Parker's latest laugh play, "The Morning After," will be presented at Garnett's opera house on Tuesday evening April 23rd. Mr. Daniel D. Bolch, of Mt. Carmel, a brother of Mrs. Dr. J. L. Seibert, and of Mr. William Bolch, who has been quite ill at the Seibert home, is a guest of his brother and sister at present. The Moose Lodge moved their quarters from Spring street to the third floor of the McClain block. The change will be a decided advantage to the lodge as it affords them more room than they enjoyed before. Miss Mary Hicklen, who is a student in the Maryland College for Women at Lutherville, Md., accompanied by her school-mate, Miss Bess Fimple, spent their Easter vacation in Bellefonte, at the home of the former's parents, Mr. and Mrs. Charles Hicklen, on Pittsburg coal street. Miss Fimple is a daughter of Judge Fimple, whose home is near Cleveland, Ohio, and during her brief stay in Bellefonte she made many pleasant friendships. MARRIAGES. Shoppe-Boyer. Clayton Shoppe, of Marsh Creek, and Miss Marcella Boyer, of Yarnell, were united in marriage at the United Brethren parsonage in Bellefonte on Thursday morning of last week at 10:30, by the pastor, Rev. C. W. Winzey. Williams-Swab. Fred Williams and Miss Helen Swab slipped away to Boalsburg on Tuesday evening of last week where they were joined in marriage by Rev. J. H. Grover. The bride and groom were given a reception that evening upon their return to the Williams home at White Hall. Plank-Beck. At the home of the bride's parents at Snyderstown, Centre Co., Pa., on April 8th, 1912, Miss Helen J. Beck was married to William B. Plank, the ceremony having been performed by Rev. L. N. Fleck, of Newry, Pa. The bride is the accomplished and highly esteemed daughter of J. H. Beck of the above place, and the groom is a young man in the employ as a draftsman at the Pittsburg Coal Company. Promptly at 12:00 P. M. the ceremony was performed in the presence of the family and a few guests the ring ceremony being used. After partaking of the bountiful repast provided for the occasion the bride and groom departed for their new home at Crafton, Pa., bearing with them the hearty congratulations of their friends and a goodly portion of the rice that was good-naturedly showered upon them. The many friends of these popular young people wish for them only increasing joy as the years go by and a large share of such prosperity and blessings as tend to make life truly pleasant and precious. PRIMARY RETURNS. Democratic election officers throughout the county, or others, are requested to telephone the result of their returns to the county commissioners' office where same will be compiled. The commissioners have kindly granted the use of that office for this purpose. Hospital Notes. Operations: Elizabeth Rishel, Louise Schud, appendicitis; Bellefonte; Fred Shultz, Milesburg; Fannie Walker, Yarnell. Admitted for treatment: Mrs. Della Keeler, Bellefonte; A son born to Mr. and Mrs. Wade Cruse, of Bellefonte. Discharged: George Zerby, Tusseyville; Mrs. Anna Parker, of Pottery Bank. Thirty patients now in the hospital. Liberal Easter donations were received from the merchants and public schools of Bellefonte that were much appreciated by all connected with the hospital. R. W. Matthews Dead. R. W. Matthews, who for the last five years has been in the employ of the Lock Haven Y. M. C. A. died in the Lock Haven hospital Monday evening of peritonitis, following an operation for appendicitis. The operation was performed on Wednesday last week. Mr. Matthews was fifty-four years of age. He was well known in Bellefonte, and just about one year ago made an address here at the boys banquet. Injured at Brick Works. George Katen and David Burton, employees of the brick works, were injured, the former seriously, on Monday forenoon about 11 o'clock. They were in the act of making repairs to one of the pans, when a heavy piece of casting connected with the same gave way and fell on them. Katen's back was broken, while Burton suffered several broken ribs. Both are married men with families. Reunion-5th Regiment. The fifth annual reunion of the Fifth regiment Pennsylvania Volunteers will be held at Bellefonte on April 27. The regiment won considerable renown during the late Spanish-American war by the exploits of its members. A large percentage of the recruits for the regiment hailed from Blair county and Altoona, many of them being prominent business and professional men. Sand! Sand! William Burnside is prepared to mine and ship a high grade quality of building sand, plastering sand, concrete sand from the mines at Scotia. Address Scotia Sand Co., Benore, Pa.—Commercial phone, x22. He Was the Worm.—A country girl was home from college for the Christmas holidays and the old folks were having a reception in her honor. During the event she brought out some of her new gowns to show to the guests. Picking up a beautiful silk creation, she held it up before the admiring crowd. "Isn't it perfectly gorgeous!" she exclaimed. "Just think, it came from a poor little insignificant worm!" Her hard-working father looked at her then said: "Yes, an' I'm that worm!" Mrs. Adam Garbrick and Mrs. William Reed, of Valley View, and Mrs. William Reed, of Bellefonte, spent a few days with the former's son, Carl Garbrick, of Tyrone.

Man Shot Two in one Day and Game Warden Got After Him. On Saturday Britton Hall, a Union township citizen, was arraigned before Squire W. H. Musser on a charge preferred by game warden Hummelbaugh and Davidson. That Mr. Hall had killed two wild turkeys in one day, during one of his hunting trips last season. The charge was not denied by Mr. Hall, but he stoutly maintained that the second turkey met his death by getting in the way of a bullet meant for the first. In other words, the defendant claimed that he shot only at one bird and the charge killed another that was close by. It all occurred along about the 2nd of November, but the game warden had but lately gotten wind of it, and at once investigated the matter with the result that Mr. Hall was arrested. He is now in the county jail, where he is held until the game laws, and Squire Musser was compelled to impose a fine of \$25 and costs upon Mr. Hall, which was promptly paid. The costs amounted to \$54. All this expense and trouble would have been avoided, had Mr. Hall after his double killing last fall, gone at once before the proper person and made affidavit as to the circumstances in which he was placed, and surrendered the extra turkey. However, it is presumed that Mr. Hall did not realize how serious his act was. Warden Hummelbaugh stated that he had received complaint that dogs have been running deer in different sections of Centre county, particularly near the Christ Shiner farm, near Fort Matilda, and with Deputy Davidson he left for that section to investigate conditions. He declared that if any dogs were found running deer they would be promptly shot. The Oldest Member. At a special meeting of the Centre County Association at Philadelphia, which was held on Saturday, March 30th, it was given the honor of membership of the bereaved and sorrow-stricken family of the late Charles McCafferty the sympathy of the entire association. He was the oldest member, had been a director of the association for a number of years, and was always interested in everything that concerned its welfare. Another sudden death which took place just recently among the members of the association was that of Thomas Miller Murray, formerly of Milesburg, a grandson of the late Sheriff John Hall. The sympathy of the association is extended also to the bereaved widow and other relatives of this deceased brother. JOHN C. BEALE, Sec'y. Stocking Trout Streams. Distribution of trout for stocking streams was begun by the state department of Fisheries Saturday, and it is expected to keep up the shipments at a lively rate for the next three weeks. No estimate of the number to be put out can be made, but it is calculated to take care of localities where assurance has been given to the commissioner of fisheries that the fish will be cared for. The shipment of young trout this year is later than usual because of the lateness of spring, many of the streams still being high and very cold. In some sections the trout will not be received for a fortnight. Only what are known as breeding fish, stock fish and fingerlings will be put out this year. Most of the young trout will be put out by the Pleasant Mount, Bellefonte and Corry hatcheries. Being Grieved. In order to carry out Guffy and Hall's wishes, Sheriff Kimpsey and G. L. Goodhart are sending out letters over the county for Democrats to "come and see him." Many consider this an invitation to come in and get "grieved." Sheriff Kimpsey says he will not be a candidate for the office, and thereby defeat the late Hon. J. Calvin Meyer, for legislature. Democrats did not take his orders that time. Marriage Licenses. George W. Fink - Taylor Twp. Leona Meryman - Taylor Twp. William B. Plank - Pittsburg Helen J. Beck - Nittany Harry L. Moyer - Centre Hall Bessie E. Meyers - Centre Hall Ralph C. Swires - Phillipsburg Esther A. Schmidt - Phillipsburg George Robertson - Hartford, Conn. Roxanna Brishin - Centre Hall Normal. A select school will open in Howard on May 6th to continue for a term of eight weeks. Special attention will be given those who wish to prepare for teaching. Those wishing to continue their study in the common branches or review same. LEXIS R. M. DECKER, Teacher. Small Pay. Robbers carried off 400 pound safe from the Morrisdale postoffice some distance from the building last Friday, blew it open and got \$1.63 for their trouble. Witness Falls Dead When Called. John D. Quay, forty-five years old, fell dead in the courtroom at Lewisburg, when he was called as a witness in an equity case, on Friday. Color fast matting, newest floor covering and only \$2.00. Will not fade by sun or water, at Gilliam's. Why does Sheriff Taylor want everybody to vote for Walker? He is a rascal because Guffy and Hall then would get anything they demanded.
