## The Home Circle

Pleasant Evening Reveries Dedicated to Tired Mothers as They Join the Home Circle at Evening Tide.

Are you an "if" or a "ean?"

bring good returns. Many a man has made a fortune by the aid of advertising.

of cards, a good reputation.

There is ever a new field in the business world for the ambitious.

Opportunity and possibilities never rise on the horizon of the pessimist. . . . There are many housekeepers who

we saw one of our citizens beating rather than fashionable. his dog. The dog desired to follow his master, and he followed in spite of the kicks he received, simply beof the kicks he received, simply because he loved him. As a matter of heart." How well it is that no class ble professions are true, whatever befail, till death itself.

City Attractions. The illustration of the sea-bird drawn to its doom by the glare of the as a mouse is of the mechanism of a trap, unsophisticated in the blandishments of sins; holding blankly to the belief that sheep and goats never mingle she drops into mael-strom of a city existence as a snowflake settles into the river. "One moment white, then gone forever." There lie in wait for innocence, the wide world aver a legion of plotting devils arhooks with which the devil angles for surroundings it remains that the souls; employers who scarcely take fairest home ornaments are bright the pains to hide the fangs of wolves joyous faces; and where these behind their smiling lips; boarding- wanting, all else goes for little.

houses infested with other and more Honesty and good manners always roach; companionship of more fatal effect to the soul than hydrant water to the health; counsellors who spin viewless webs and plot ruin as the spider works destruction to the stupid fly. All these, and a great many more pitfalls lie in the way of the country girl as she turns her light step from the cowslip and the green turf to take her place in the ranks of those who walk the path of daily

Girls, listen to your mothers; you will never regret it. No matter what your advantages are above what hers were, you are no better, you can rest work sixteen hours a day, while three assured that it is no book learning or four healthy, active boys stand or knowledge of fashion that will around and watch her. They cannot keep your feet away from the many help her because housework is "girl's pitfalls that she can warn you from, work," and they cannot lower their in a tender, loving fashion, that you standard of American manhood. A would do well to heed. No matter little reform would work for good in how mothers may speak, you may more ways than one in all such cases. rest assured their hearts are in the right place, and that they want their As we went to our office yesterday daughters to be innocent and good,

True Courtesy.

fact a dog will die for a master who has a monopoly in this kind of beaustarves and beats him, while man— divine man himself—has been known stances undoubtedly do render good to sneak away from a friend in trou-manners more common among \*perble, disavowing all obligations. It sons moving in higher rather than in was a philosopher none too cynical lower spheres, there should neverthe-who said that the more he saw of less be positive hindrance to the poormen the more he thought of dogs. est classes having good manners. Here The dog is always genuine, always is an illustration of true politeness exfrank, and honest and faithful. He shows more honesty in one wag of his tail than some men do in a whole crooked street in the city, a young lifetime. Speechless, he can express lady ran with great force against a more love than a man can, and he ragged little beggar boy, and almost never expresses it falsely. His hum-knocked him down. Stopping as soon as she could, she turned around and said very kindly to the boy, "I beg

your pardon, my little fellow. I am very sorry that I ran against you." The poor boy was astonished. He type than in the case of the country girl lured from her home by dreams of fortune to be realized in the girl lured from her home by dreams of fortune to be realized in the great smile spread itself all over his face, city. As ignorant of the wiles of evil as a mouse is of the mechanism of a welcome; and the next time you run

over, a legion of plotting devils ar-rayed in livery of light, honest ap-pearing advertisements that are tent may lend attraction to a home and its

### Bright, Sparkling Paragraphs-Selected and Original. If love wasen't so blind, so many want anything done to them." "But

FACT, FUN AND FANCY.

The ones you do the most for are likely to do you the most.

If a female Indian is a squaw a baby Indian likely is a squawker. Although Rockefeller is completely bald he will have a lot of heirs.

cloud around the silver lining. outside doesn't matter so much. Some people regard it as a poor rule

butter with her. but a fresh young man is an abomina-

Some people get to be grouches from talking to themselves. Asso-ciation frequently is the downfall of

60,000 men, who marched them up a hill, then marched them down again. If old mother Eve could appear in New York society at this day, she would run a chance of being kicked out by the "400" for being overdress-

Wanted No Animal Food,-Doctorthat you are convalescing you may have a little animal food. Pa-tient—No, sor. Of dhrank yer grool all right, but I'll be hanged if Of can chew yer straw.

His Preference in Trousers.-A 11t. tle boy had been permitted by his mother to accompany her to the store and, while there, she told him that he might choose a pair of pants. He promptly picked out a pair that bore the sign: "Can't be beat."

Fun With the Goat .- Old Gent-Where are you going with that goat, little boy? Little Boy—Down to the take. Come along if you wanter see some fun. This here goat has jest et a bushel o' dried apples, an' I'm going down to let him drink.

Would Still Be There.—"Where," asked the female suffrage orator, "would man be to-day were it not for woman?" She paused a moment and tooked around the hall. "I repeat," she said, "Where would man be to-day, were it not for woman?" "He'd be in the Garden of Eden eating strawberries," answered a voice from the gallery.

Advice Just as Valuable.—"These shoes, doctor," said the cobbler, after a brief, examination, "ain't worth mending." "Then, of course," said the doctor, turning away, "I don't

"What for? "Well, sir, you charged me \$5 the other day for telling me there wasn't anything the matter with me."

Cause for Alarm .- Two wives, who had known each other in years gone A pessimist is a man who sees the by, met at the Ball. The one a bride oud around the silver lining. If a man's head is grey inside, the triplets, all girls. The other lady had been in the bonds of matrimony a couple of weeks. "What beautiful children!" exclaimed the newly-mar-About the only thing that a pretty girl ha to know is that she is pretty.

When you initiate something be sure that you do not take the part of the goat.

When a man's home life is happy, his business cares don't cause many wrinkles.

Tied one with interest. Tes, the proud mother, "let me tell you of a funny coincidence. At our wedding supper they played, "Three Little Maids, from "The Mikado.' Isn't that queer?" At this the newly-married one turned pale. "Mercy!" she gasped. "At our wedding supper Tom's friends serenaded him, also, and they rendered "The Sextette' from Lucia."

When the cow jumped over the subject. Almost everyone had told moon, she evidently took the price of his experiences when an old gentle-Shot Too Low .- Hunting was the A scientist is trying to prove that ve was not a beauty. Nonsense, said, "I have an old breech loader A scientist is trying to prove that Bye was not a beauty. Nonsense, said, "I have an old breech loader she was the prettiest girl in the world. that's brought down more game than you all ever saw," "That so, uncle?" asked one of the crowd. "I have a consense than you all ever saw." "That so, where the sent save a sen have," replied the gentleman. "One day a flock of nigh onto a million blackbirds lit in a bunch of trees near my house. I got the old gun and af-ter puttin' a good sized load in each ciation frequently is the downfall of many a person.

An Oregon woman masqueraded forty-nine years as a man. She probably learned what we poor men are up against.

The thermometer reminds us of that thermometer reminds us of that thermometer years as a man are up against.

The thermometer reminds us of that thermometer years are the downfall of the flock and was just gittin' good aim when they flew. But I give 'emboth bar'ls." "How many did you kill?" "Didn't kill a one. Aimed too low. But," he added. "I picked up a two-bushel sack full of feet and legs."

Not Guilty .- Geo. W. Martin, secretary of the Kansas State Historical society, tells a story about an early-day Kansas justice of the peace, who will be nameless here: "This J. P.," said Mr. Martin, "would marry a cou-ple one day as justice of the peace and divorce them the next as notary public." One time as the story ran, a man surrendered himself to this J. P. "An" phwat's the matter?" asked P. "An' phwat's the matter?" asked the judge. "I killed a man out here on the prairies in a fight," was the reply. "I want to give myself up." "You did kill him, sor?" asked the J. "You did kill him, sor?" asked the J. P. "Yes, sir" was the reply. "Who saw you?" asked the J. P. "Nobody." "An' you're shure nobody saw you?" asked the J. P. "Of course I'm sure," was the reply. "Then you're discharged," said the J. P., bringing his fist down on the table. "You're discharged. You can't 'criminate yourself. Fifty dollars, please!" self. Fifty dollars, please!"
