From an Illinois Subscriber. Kaneville, Ill., May 7th, 1912. Editor Centre Democrat:

Enclosed find one dollar for The Centre Democrat. It is always the first paper taken up after its arrival. Tuesday from the Canadian govern I will write a few lines in regard to weather and happenings. Our spring is very late. Farmers are hustling to get land ready for corn; much of our seed corn is poor, this year. Farmers here have been raising winter wheat now several years. This year they have to plow it all up

on account of our severe winter.
One of the sad happenings recently was the suicide of Jerry Lutz, an old Centre county boy. His wife, Dron-na Gramly, died some months since. They had amassed a small fortune of \$30,000 which he willed to his brothers and sister who live in Pennsylvania. The state of Illinois keeps no part of the estate. Yours truly, B. F. GRAMLY.

Rearick, of Williamsburg, formerly of Centre Hall, stopped with us; he has not changed any-the same old fashyears since we organized a General Synod church here with 40 members; we now have 310 and our own church and parsonage. The main audience room is not finished, but we have a basement seated with chairs, pipe organ, piano, a Sunday school of over 300 and are getting along finely-everything is a free will offering, no one is asked for money at any time at all. Mr. Rearick was very much impressed with our way of giving, but thought it would never have worked at Centre Hall.

Very truly yours, MRS. JERRY MILLER.
