Bright, Newsw Letters From the Various Sections of the County.

JULIAN.

Recently the Pennsylvania Railroad Co. sounded another warning to the trespassing pedestrians who still persist in disobeying the company's order to the traveling public not to walk on their road on account of the great danger of life to those in question. Some of these days when it is least expected R. R. Policemen Giles and Millward will drop off a side-door pullman and round-up a "baker's dozen" or more, then when about \$9.00 has been handed to these "Gentlemen of Authority" by each and every one, to cover fines and costs, all will go their way, rejoicing or regretting, as the case may be. Just to think, of the nine big yearly subscriptions to the "Centre Democrat" this would buy.

If the Centre Democrat falls to have therein the usual Julian items next week, you readers may take it for granted that the writer has gone to Sunbury, Pa., to kill flies, as the Men's Civic Club of that place offered in this paper last week to pay the sum of one dozen for flies. What a boom! equivalent to the Klondike gold field financial industry, if the flies were more plentiful and the tax higher.

Thomas Burns, of Benore, drove over to Julian to visit his friends and relatives as well as to attend memorial services here. Thomas is an old veteran and a former resident of our little town.

At this writing, since the weather has dried up a little, the writer believes, (considering the lateness of the season,) that our farmers are putting in their seed corn at the rate of something like 5,000,000 grains per minute, more or less.

KLINE.—Many of the citizens of this place will no doubt remember Earl Kline, who some 18 months ago spent several months at the hospital home of Mr. and Mrs. James Turner. It will be remembered that Mr. Kline was an invalid suffering with lung trouble and was here hoping to recuperate from that much dreaded illness. On Sunday the 26th, of last week, the disease conquered him in his weakness and he passed from this life to the promised land of rest. His home was near Pittsburg, Pa., where interment was made. Those who visited at the home of Mr. and Mrs. Reuben Alexander over the Sabbath were: Mrs. Ed Young and daughter Ella, also Mrs. Young's brother, Arthur Krebs; and Miss Ella Alexander, all of Bellefonte.

Although very weak, hopes are entertained that she will recuperate rapidly and soon regain her former health and strength.

Rev. Smith delivered a very impressive sermon in the U. B. church on last Sabbath evening to a well filled sanctuary.

There will be preaching service in the M. E. church on next Sunday morning by the pastor, Rev. Gilbert, at 10:30, providing the congregation is not disappointed by the Rev's absence, as frequently is the case.

Mrs. Charles Catherwood, of Osceola Mills, was a recent visitor in Julian, and of course while calling at the homes of her many friends and relations, dropped in and enjoyed a very pleasant chat with the writer at his parental residence on west railroad boulevard.

Miss Elsie Alexander and Miss Irene McGinley, of Bellefonte, came up on Saturday to circulate among their many friends and relatives.

James Turner was the loser of a work horse on Saturday, June 1st.

Policeman Fred Giles, of Tyrone, was perambulating in our town on Saturday, spying about for some railroad victims.

One of the largest memorial turnouts that has been here in many years occurred on the 30th of last month. This indicates that the fire of patriotism is still burning brightly within our people.

Through a typographical error a western paper published the following: "A citizens' mass meeting for the discussion of the electric light question will be held at the court house tonight."

REBERSBURG.

The Decoration Day services at Rebersburg were never more patriotically and universally attended, probably because of some slight rivalry between its "bars" and Millheim. Not only were the graves of the soldiers of all the war decorated, but the graves of those who triumphed in the campaigns of peace were not forgotten. There was a large concourse of citizens, young and old, to witness the evening formalities. The Aaronson band, led by Al Stover, furnished the music for the parade and the cemetery exercises, with credit. At 6 p. m. the procession formed in front of St. Peter's church, led by Capt. James Corman. The G. A. R. post, which is no longer numerous, was led by Hon. Henry Meyer. The Sons of Veterans numbered about twenty and the local lodge of Odd Fellows was well represented. The school children carrying flags joined at the churches. At the cemetery the G. A. R. invocation was delivered by Rev. Stauffer. The original order of Genl. Logan was read by Hon. Henry Meyer and Lincoln's Gettysburg address by Snyder Miller. A lengthy and eloquent address on the topic of the day was delivered by S. D. Gettlig, Esq., of Bellefonte, and a beautiful recitation was charmingly delivered by Miss Nellie Burr, of Aaronsonburg. The volleys by the Sons of Veterans, concluded the services.

Flowers are remembrances of the heart. But, alas, how soon they fade.

Wm. H. Frank killed a monster snake, Friday in the lane south of Smulton. He drove over it with his wagon and it fought viciously. It was a variety never seen here before. It looked like a rattler but had no rattles.

Teddy, get out your goat.

A large party of workers cleaned up Union cemetery for Decoration Day. It has looked more attractive.

Let us hear from General Wolf by all means. He can tell incidents of Brush Valley life which have departed with the memories of our fathers. We are always willing to sit "at the feet of Gamaliel" and learn.

Genl. Taylor has hitherto done the themselves proud, in decorating business places and homes, on Memorial day.

"How little a spark doth kindle so great a fire." One makes a guess about the conduct of Miss or Mrs. [name] in the hearing of another, who then repeats it to a third with further imaginary embellishments, and, after a while, the poor girl is reported on the road to Gehenna or the man traveling to Pittsburg, which is the nearest station.

"Judge not, lest ye be judged."

"Sammy" said he wasn't in good fettle physically, but he was there with a good speech on Memorial Day.

VALLEYVIEW.

Say, Scribe No. 1, wake up; we have not heard from you for a long time and are getting lonesome.

Say, Raymond, you had better get a move on, the boy is peeping around the corner.

Well, the farmers have finished planting corn; that is right smart for this time of the year.

There will be a free to all entertainment given by the Sunday school in the U. B. church at Valley View on Sunday evening, June 9th; all come.

Elmer Breen spent Sunday at the home of Philip Resides, of near Valley View.

Say, scribe, No. 1, you say Phil Walker had to feed his hens crushed ice to keep them from laying hard boiled eggs. I presume it would have paid Elmer Breen; I guess.

I would like to know who that cute farmer is that is going to get an auto. We don't have any cute farmers.

Mrs. Anna Wilson and children, from Danville, is spending a couple of weeks with her mother, Mrs. Mary Houser.

Edward Houser, the merchant, is on the sick list; hope he may soon be able to go to work.

The Sunday school was well attended on Sunday, June 2, there being 66 present and could have been more.

Elmer Breen says the only kind of a seat to have is a sulkey plow with a seat on and a big umbrella attached.

Call that dog back, Teke, he will bite some one.

The other morning Mrs. Foster Houser called Guy to get up for breakfast and he forgot and said, "Alright, Stella, dear."

"I used a word in speaking to my wife which offended her sorely. She hasn't spoken a word to me in a week," said a sad husband to a friend. The friend's face lighted up instantly as he asked, "Would you mind telling me what it was?"

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for women's ailments. It is known as Dr. Pierce's Favorite Prescription. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.

MADISONBURG.

We had a good rain on Sunday for which the farmers are very thankful, as it will make oats and corn.

Decoration Day services were well attended on Thursday, Aaronsonburg band furnishing the music. Rev. C. Carls delivered a very good address for the occasion. In the evening of Memorial Day some of our town people went to Millheim and one of our young men, Ernest Wise, was very unfortunate, as he drove to Millheim and afterwards started to Spring

Mills; as his horse was walking along about one mile above town he dropped down dead in the road. As he is a very respectful young man we will have much sympathy for him. The rumor is afloat that this young man with three more boys were on a drunk and drove this horse to death is untrue as he was all by himself.

One way to prevent bleeding of the nose is to keep the nose out of other people's business.
