Injured By Dynamite Cap. A 3-year-old son of Adam McCaslin, of Orviston, was taken to the Lock Haven hospital last Thursday frightfully injured by the explosion of a dynamite cap of the kind used by clay miners. The little lad found the cap lying on a shelf and placed it on a stone. With a hammer he struck the cap which exploded with a loud report. A portion of the metal embed-ded itself in his skull, causing a terribly lacerated wound. His condition is regarded as critical.
