

BELLEFONTE AND VICINITY

THE LOCAL HAPPENINGS IN SHORT PARAGRAPHS

Mrs. Jennie Canfield returned home Tuesday from a visit to friends in Philadelphia. Prof. Cephas Gramley was in town on Monday and attended the big picnic at Hunters Park. Lee Sholl, of Pittsburg, was an over Sunday visitor at the home of his brother, W. Sholl, of this city. Lawrence McClure, employed in the railroad shops at Renovo, was an over Sunday guest of his parents in this place. Miss Myra Humes entertained a party of lady friends at luncheon on Tuesday at her home on North Allegheny street. Mrs. F. E. Nagney and Mrs. T. H. Harter departed on Thursday of last week for a ten-day's sojourn at Atlantic City. William Rider, of Bush Addition, left Monday for Beaver Falls where he expects to be employed by the Standard Scale Works. Thomas J. Kellher, yard master for the Pennsylvania Railroad at this place, is confined to his home on East Bishop street by illness. On Tuesday evening the Misses Mabel and Rose Faber returned home after a delightful two months' vacation which they spent touring Europe. About the only way that Labor Day was observed in Bellefonte was in the closing of the banks and post-office, and the stores in the afternoon. Miss Pearl Royer entertained a party of her young lady friends at cards Thursday evening of last week at the home of her aunt, Mrs. Orrie Klime. Russell Linn, of Beech Creek, has accepted a position in the tonorial parlors of the Park Hotel, State College, and passed through Bellefonte this week for that place. Mrs. Harry Dawson and little daughter returned to their home in Philadelphia Sunday after a pleasant visit at the home of her parents, Mr. and Mrs. Theodore Cherry of north Thomas street. There will be services in the Presbyterian Chapel on Sunday morning, Sept. 8th at 10:30 o'clock, to be conducted by Dr. Charles W. Carroll, State Supt. of the Anti-Slavery League, No service in the evening. Dr. and Mrs. J. A. Ward leave here on Saturday for Huntington where Dr. Ward is to spend some time in his auto to Washington, D. C. where they will attend the National Dental Convention next week. The annual Welcome Reception and Dance for the Academy students and friends will be given in the Arcade Hall on Friday evening, September 6th, at 8 o'clock. Music by Christy Smith's orchestra. Admission only by complimentary ticket. On Friday of last week, Mrs. Hugh S. Taylor entertained a small party of ladies at the Nittany Country Club in honor of Mrs. Victor Beam, of East Orange, N. J., who was a guest of Mrs. E. E. Davis of East Linn street. On the same afternoon and evening Mrs. H. E. Fenlon entertained a party of friends at the Country Club. Dr. Thomas C. VanTres left Monday for a tour of the West. He will visit Philadelphia, Detroit, Toledo and Ann Arbor, Michigan; at the last named place he will visit the Michigan University, where he attended school forty-six years ago. He spent one year in this city last year, graduating from the University of Pennsylvania. Oliver Hazel came up from Philadelphia the fore part of this week to visit his old friends and incidentally take in the County Fair. Mrs. Hazel and two children have been here for the past two days. Hazel holds a responsible position with the Singer Sewing Machine Company in the Quaker City and we are glad to say is doing well. List of unclaimed letters for the week ending Aug. 31st: Mrs. Geo. Bailey, Mrs. Fannie Bassie, Miss Priscilla Pines, Dr. Gilliland, P. D. Geo. Gates, Russel Gates, Miss Myrtle Glossner, Mrs. Gaullin Krughe, L. M. Kyle, Maurs D. Keeler, Howard Peters, Miss Louisa Smith, James Steele, Miss Margaret Pitts, Miss Adeline Walker, Francis W. Ford, Mrs. C. S. Bownke (2)—H. C. Valentine, Postmaster. The Bellefonte postoffice on Sunday distributed the mail to the box-holders as usual and it was difficult to note that there was any change in the service. The recent order sent out proved so unpopular and such a great inconvenience to so many people that the department actually took a back track and violated the order originally sent out. This shows that this department can skin a cat a half dozen ways, to suit the occasion. Mrs. Abie Rockey and family, including Helen, Harry, Anna, Fred, and Roy, were recent guests of Mr. and Mrs. Frank at Atlantic City. After remaining there a few days they departed for New York City where they were greeted by Mrs. Rockey's son Arthur. From there they went to Long Island to visit another son Frank, and thus mother and children were together most of the time. Frank owns a large motor boat and the party enjoyed a trip to Coney Island by water. They returned home on Saturday. Hon. Robt. M. Forster was in town on Monday, having returned from a visit of a few weeks to his brother William, who is summing at Ocean Beach, New Jersey. Mr. Forster finds the sentiment in New Jersey strong for Wilson, and from conversation with people from all parts of the country, he reports a disposition to put an end to the factional fight in the Republican party by voting for Wilson. When asked as to how he stood on the hospital of this county, he simply waved his hand as to indicate that there was no time for answering unnecessary questions. The State Highway Department recently employed William Mayes, of Coleville, to look after the loose stone on the roads throughout the county, and last week he made his initial trip through Bald Eagle Valley. His duties consist in traveling over the different roads taken up by the Department in Centre county and removing all loose stone therefrom. Early last week Mr. Mayes started at Millsburg over route No. 29 and covered the distance to Mill Hall above, clearing the road of loose stone as he found them, and stopping at village inns along the way as night overtook him. There is a good deal of walking connected with the job but Mr. Mayes states that he enjoys the exercise and sleeps like a top when night comes. He will take up the various other routes in the county in their order and perform the same duties

Mrs. James P. Horner, of Colyer, spent last week among relatives in Bellefonte. Dr. Friedman, of New York City, spent Friday in Bellefonte with his wife and child, who have been staying at the home of her parents, Mr. and Mrs. Herman Holz, the past few months. Mr. Harry Haines, who is employed in Clatter's store at Huntingdon, Pa., has stored his goods in this place, and on Wednesday, accompanied by Mrs. Haines, left for their new home. Chas. G. MacAvoy, superintendent of the Bellefonte electric plant, added to his already large store of electrical knowledge by attending the State Electrical convention at Bedford Springs this week. James Lambert, of Pitsburgh, came to Bellefonte last week and on Monday of this week accompanied his wife and child to the home of her parents, Mr. and Mrs. Lambert, who is a guest of friends in this place. John D. Meyer, cashier of one of the leading Altoona banks, spent Sunday among his old Bellefonte friends. Mr. and Mrs. Harry Smith departed on Saturday of last week for Nelson, Nebraska, where they will visit Mr. Smith's parents, Mr. and Mrs. Valentine Smith, of that city. Mrs. Mary Walker and son Penrose, of Snow Shoe, passed through Bellefonte on Monday on the way to Scottdale, where the young man entered the orphan's school of that place. The ladies of the U. B. church will hold their annual chicken and waffle supper in their room adjoining the church Thursday, Sept. 12th, supper beginning at 5 o'clock; tickets 25 cents. Horace Hartman left on Wednesday morning for Watsonstown, Pa., where he will visit his aunt, Mrs. Krum. Before returning home he will make brief visits to friends in Bloomsburg and Williamsport. Norman Kirk, youngest son of Dr. M. A. Kirk, who graduated from June from State College, left recently for Clayton, N. C., where he has received an excellent position on the United States Soil Survey. James K. Barnhart, cashier of the First National Bank, took advantage of the added holiday which Labor Day affords, and spent Sunday and Monday with his family who are visiting friends in Punxsutawney. The Bellefonte Lodge of Elks will entertain the members of the 148th Regiment at luncheon on Friday afternoon from 4 to 6 o'clock, it being the occasion of the reunion of that regiment to be held in this place on that day. Mr. and Mrs. Claude Thompson left on Monday afternoon for Pittsburg where they will visit friends. They were accompanied by Mrs. Norman Thompson and little child who will go on to Tiffin, Ohio, where she will visit her mother. Horace Seltzer, who about eight years ago was a clerk at the Bush House, was a Bellefonte visitor the latter part of last week. He now resides in Reading and travels for a manufacturing firm. He is as handsome and genial as ever. Lieutenant James G. Taylor, of the 6th U. S. Infantry, who has been visiting his mother, Mrs. Taylor, of east Howard street, for the past few days, left Tuesday afternoon for San Francisco. Lieut. Taylor has been located in New York since last January but has just been transferred to the Pacific coast. After weary hours of walking around at the fair grounds there is no better way of refreshing yourself than by going to the scenic beauties of the pictures are unusually good this week, and in addition there will be shown the old favorite "Rip Van Winkle" tomorrow evening, in two parts. Don't neglect the scenic in your rounds of pleasure. A unique feature of the Blair & Co. auction sale is what they term a grab bag in which articles of jewelry, watches, and novelties are sold for fifty cents each. No article is worth less than that amount and among the lot is a number of valuable watches. The following named have secured a watch: Forest Tanner, of Ticonderoga, Francis Musser, and Walter Rishel. Mr. and Mrs. Roy Brandon, who have been staying in Bellefonte the past summer and boarding with Mrs. Tanner on High street, had their household goods shipped from New Castle this week and will hereafter occupy rooms at the residence of the late Frank Brandon near the post-office. Mr. Brandon is the district agent for the Oliver typewriter, and has been unusually successful in this vocation. Frank Miller, formerly of this place, who has been employed by the Adams Express Company at Tyrone for the past year or two, has been assigned to the office at State College, Pa., one of the most important locations handled by the Adams Company. He will move his family there as soon as possible. He is a young man of sterling character and full of business, and will look after the Company's business at State in a capable manner. William F. Blundell, the young man who was committed to jail about two weeks ago on the charge of stealing a bicycle from a State College boy, stoutly maintains that the parents of the 148th Regiment, to be held in Bellefonte, are not satisfied of the point that Blundell is not over 17 years of age, and it is thought by some that he ran away from his home in Philadelphia and by reason of his late escape was not divulge the names of his parents. Any reliable information that will be appreciated by the sheriff. Mrs. Aaron Katz, of this place, was stricken with apoplexy last Friday afternoon while on a visit to her sister, Mrs. Bower at Elkins Park, Pa., a suburb of Philadelphia. She was later taken to the Jewish Hospital in Philadelphia. Her condition is considered quite critical as she has never regained consciousness since suffering the attack. Her husband and son, Joseph, the latter of Lewistown, are with her. The news of her illness has caused a feeling of sorrow among her many friends, in Bellefonte, who sincerely hope that her condition may change for the better and that she will ultimately recover. Harry McKee, a former Bellefonte boy, was an arrival in Bellefonte last week together with his wife and baby, on a visit to his grandfather, Mr. H. Y. Stitzer, who remained until Wednesday when they returned to their home in Pittsburg. On arriving in Bellefonte Harry was somewhat surprised to find that Mrs. Stitzer had started for his home, and in consequence he curtailed his stay here in order that he might get back in time to see her. While here they were the guests of Mr. and Mrs. William Ishler on east High street. Since moving from Bellefonte a number of years ago Harry has been gradually advancing himself in the world and occupies a good position in the Carnegie Institute of Technology as instructor in mechanical drawing.

M. W. McCloskey, some years ago a resident of Curtin township who now lives from Lock Haven, was a Bellefonte visitor on Friday and gave the Central a call. He is a brother of our townman, William McCloskey, and a good Wilson democrat. Saint John's Parochial school including the Commercial Department will re-open on Monday, September ninth. The Sisters will also open their Musical Studio and are prepared to give lessons on the following instruments: Piano, violin and mandolin, banjo, cornet, clarinet and cello. MEETING OF COUNCIL. Council met in session at the usual place on Monday night at 7:30, and proceeded at once to transact the accumulated four weeks' business since last meeting, August 5th. That ever troublesome walk leading from the Rhoads residence on west Linn street to Beaver & High grew was again made a subject for discussion by reason of John McCoy being present with a complaint. Mr. McCoy stated that it was desired to set the walk further back, which would require a certain amount of excavation and attendant blasting of rock, and for the carrying out of all this, permission was asked of council. The matter was turned over to street committee and the instructions to report at next meeting. The respective street, fire and police, market, and village improvement committees had nothing to report. Water committee reported 91 meter bills due, to the amount of \$448.26. About five weeks ago council entered into an agreement with Homer Carr, of Millsburg, whereby he was to have possession of the Green mill property and operate it upon a share-and-share alike basis. Thus far Mr. Carr has taken no steps to put the mill in operation, and this fact was the reason for Monday night's meeting when it was stated that Ellis E. Resides is desirous of leasing the property with the intention of operating a chop mill. Inasmuch as Mr. Carr has kept the mill in idleness, some of the members of council were of the opinion that the change of tenants would prove more remunerative to the borough. Referred to special committee. Secretary Kelley stated that Gamble, Gheen & Company had been notified by letter to remove the strip from the dam above the high street bridge within thirty days from August 7th, as he had been instructed to do by council at a previous meeting. In reply he read a letter from the Gamble-Gheen Company in which they courteously but emphatically denied the right of council to demand that should the strip be removed, they would have to increase the capacity of their race, and this would bring about the same low water condition as now exists. The matter was discussed and allowed to stand as it had been. The report of the financial condition of the E. J. Pruner Home for orphan children as prepared by the auditors, W. A. Miller and A. B. Barr, was read by the secretary, Frank Edgerly. It referred to a financial committee for approval before its final acceptance. Borough Engineer Wetzel stated that a walk had been laid on north Thomas street near R. B. Taylor's coal yard, as far as the railroad company's property. He also reported that a new street had promised to lay a new pavement within a short time. Burgess lower brought up the subject of the waste of water throughout the town by leakage of spigots and faucets. He showed to show the loss in gallons per hour from a given size leak in a pipe, ranging in diameter from 1-32 of an inch to 1 inch. The statement is convincing that a large volume of water can be wasted through numerous small and apparently insignificant leaks, such as may be found in all sections of the town. Naturally those who have a meter on their premises attend promptly to a leak, for if they don't the meter will charge it up against them. It is the private residences where most of the waste occurs, as the tenant is negligent in having a leak repaired, knowing that he will not have to pay for the water wasted. Under this topic Engineer Wetzel stated that he had notified parties three months ago to repair leaking hydrants, but it had never been attended to. Council was of the opinion that much of the waste could be prevented, and instructed the borough engineer to make an inspection of all spigots and hydrants in the borough and give advice for their repair. It might be added that there is a penalty of not less than \$1 nor more than \$5 for willfully allowing a waste of this nature. The flushing of the paved streets was given a few minutes' discussion, as some of the members thought \$6 a night was a little steep for this work. It developed, however, that the three men who were thus employed in furnishing the hose, Company No. 2, were doing some odd jobs that was lying around unused that might be secured, and thus have the flushing done a little cheaper. Finance committee asked for the renewal of two notes—one of \$700 dated April 1st, 1911, and one of \$500 also a new note for \$3960 for two months, to pay an overdraft of the treasurer's, \$42.50 accrued interest, and to liquidate current bills. Coming Meeting of the Woman's Club. The Woman's Club will hold its first meeting of a new year on Saturday afternoon at 2:30 o'clock. This naturally will be a most important meeting, since the plans and suggestions for the success of the year's work must be discussed, and the duties distributed. It behooves every member to be present, if she wants to keep in touch with the work and its results. The Club has accomplished much in its short life, but a glance at alley, vacant lots, streets, walks, drying trees etc., shows that there is plenty to do. There are 96 members with an average attendance at the meetings of 25 small percentage. It goes without saying that those who are regular in attendance are the most interested and are the best workers. The Club needs working members. Every woman can make her own choice of work and find something to do, and the only attend the meetings to become interested. Please be present on Saturday and give your help and encouragement. Come with suggestions for new or renewed efforts. The club is an organization of women who stand for beneficial purposes and progress—for the betterment of conditions. Every woman should be anxious to become a worthy member when the object is to "do noble deeds, and dress the all the days." Place—Hall—Hall—Day—Saturday—September, 7th. Time—3:30 o'clock. Number expected—90. Object—work.

ACADEMY OPENING. Coming Term Promises to Be a Very Successful One. The Bellefonte Academy will open its fall session, Wednesday, Sept. 11, at 2 P. M. with a full attendance. The faculty is composed as follows: Rev. James P. Hughes, A. M., Principal Emeritus, (Princeton University); J. J. Mathematics, James C. Hughes, A. M., Headmaster, (Princeton University); Latin, Greek, and Oratory, Arthur H. Sloop, A. M. Assistant Headmaster, (Dickinson College) (University of Michigan); Physics, Chemistry, Higher Mathematics and Mechanical Drawing, Helen E. Canfield Overton, Precipitress, (Formerly of Minneapolis City Schools); Elementary English and Mathematics, Isabella S. Hill, Ph. B., (Wesleyan University); (Columbia University); English, Rhetoric and Literature, Rev. Geo. E. Hawes, D. D., (Washington and Jefferson College) Thursday lecturer on Bible History and Bible Truth, Fred E. Mallek, A. B., (Dickinson College); History, Ancient Languages and Civics, David L. Harstine, A. B., (Lafayette College), Higher Mathematics, Ellis C. Weller, A. B., (Franklin and Marshall College) Book-keeping and Mathematics, Robert M. Beach, Ph. D., (Yale University) (University of Penna.), French and German, Charles S. Hedges, A. B., Business Mathematics, (Princeton University); Physical Geography and Mathematics, Ellis C. Weller, A. B., Director of Athletics. Veteran Club to Meet Sept. 17th. At a meeting of the executive committee of the Centre County Veteran Club held at the office of Squire W. J. Musser, the secretary, last week, the date for their annual outing was considered and Tuesday, September 17th, was selected in commemoration of the fifth anniversary of the battle of Antietam, which falls upon that day. The place of meeting will be Grange Park, Centre Hall, upon invitation of Hon. Leonard Rhone to have the Club meet there during the Grange Entertainment. It is to be hoped that all members will make a special effort to be present that day, for by the time next year's meeting rolls around, there will be fewer to accept the invitation. As the late President McKinley said, in addressing the Grand Army of the Republic, shortly before he died: "The circle is narrowing. One name after another is crossed out by the black pencil of grim death. Day after day at roll call we hear of veterans who are 'not present' but 'accounted for.' They have gone to join the great majority of our comrades who sleep tonight beneath the low green tent whose curtains never swing outward." Marriage Licenses. Floyd E.
