FROM GALVESTON, TEXAS.

Dear Editor: Enclosed please find check for \$1 for my sixteenth year subscription to the Centre Democrat. The lookout at Pt. Bolivar wharf is not altogether settled yet, but will be soon. Galveston has a prosperous time at present, so I am working there at present at the carpenter trade. We get 50 cents per hour and 75 cents per hour over time. There are three new buildings to be erected soon, one eleven-story building is started now. The other two will be fourteen and eighteen-story buildings. The new eight-story Rice Hotel building at Houston will soon be completed, and makes a fine appearance. Houston is also on the boom. Galveston can scarcely secure enough ships to handle the shipping trade at present, and especially cotton. J. W. BRUNGART.

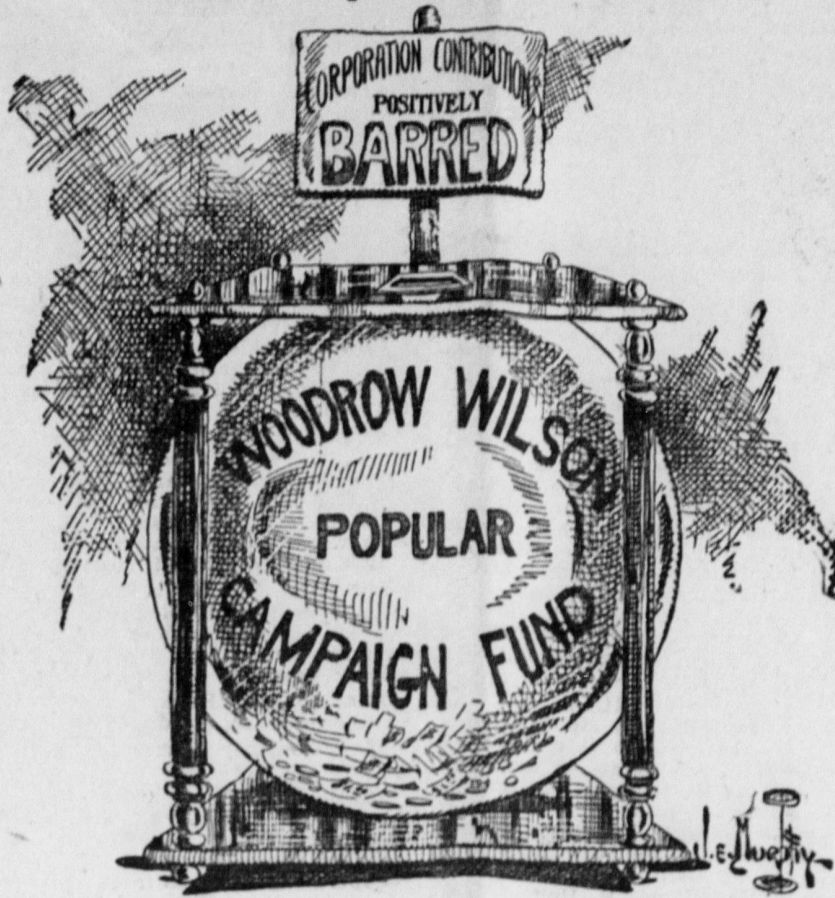

Your Lungs and Throat.

The preparation mentioned by the Rev. Chas. Sager has been for over sixty years of incalculable worth to sufferers from consumption, asthma, bronchitis, catarrh, grippe, coughs, colds and all lung and throat diseases, and is a household remedy in many, many homes to which it has brought health and happiness.

Ms. C. A. ABBOTT, August 11, 1905, 60 Ann St., New York City. Dear Sir: I have known for over 40 years of the effects of Wilson's Remedy (Wilson's Preparation of Hypophosphites and Biogel) in cases of pulmonary troubles. At this point I will say to you what you have not before known of; that 40 years since, while I was a resident of N. Y. City, I was severely ill with lung trouble. Physicians said I was a consumptive and my family physician told my wife that he thought I could not recover. My attention was directed to the Wilson Remedy, which I used with splendid effect. I have been on my feet and at work ever since my cure. Yours truly, REV. CHAS. SAGER, Pastor M. E. Church, Hunter, (Greene Co.) N. Y.

The above letter shows what a great boon the Wilson Remedy was to Mr. Sager, but it is but one of thousands received testifying to the curative powers of this wonderful remedy. Write at once to Mr. Abbott at the above address and he will furnish you convincing proof of the great worth to humanity of this preparation.

Iron News From Its Source.

Pittsburgh is the center of the iron and steel industry of the world, and as the source of all the news of that enormous trade it is naturally the place to refer to for all information. One would think that one of the chief departments of the Pittsburgh morning newspapers should be devoted to the city's chief industry. Yet the only daily that conducts such a department is The Pittsburgh Post—more evidence of its superiority and its progressive character. The "Iron and Steel Market" department of The Post is a fairly recent institution, but it has already demonstrated its merit so decisively that business men are beginning to consider it indispensable. The Iron and Steel Market editor, F. C. Wilkes, knows the industry and the markets thoroughly. Each day he comments on the trend of the price movements. Pittsburgh Iron and Steel prices are quoted daily, revised to the minute. Keep yourself posted on the activity of the Iron and Steel Market right from the source. Give The Post a trial, and you will immediately recognize the value of this feature.

"A diller, a dollar, a nine o'clock scholar, what makes you come so soon? Now you come at nine o'clock, you used to come at noon." "Since mama washes with Fels-Naptha soap, she has plenty of time, And always gets me ready, to come to school at nine."

Fels-Naptha Soap won't gather your soiled clothes, put them to soak, rinse them and hang them out on the line.

But that's about all it leaves you to do with the weekly washing.

It takes the place of boiling and hard rubbing and takes all the dread out of washday.

It saves your making a hot fire because Fels-Naptha Soap cleanses the clothes in cool or lukewarm water.

No stewing over a hot suds.

No roughening or reddening of the hands.

Isn't it worth while? Both in Winter and Summer.

More than a million women are doing their washing with Fels-Naptha Soap every week and thanking their lucky stars that they've found a so-much-easier way.

Better join them now.

All that's necessary is to get a cake of Fels-Naptha and follow directions printed on the red and green wrapper.
