party of pants. It is not consistent... It is not true. If you have any memory at all you can easily recall conditions four years ago when banks refused to honor your checks, and business generally was paralyzed.

Bill Flinn, Pittsburgh's corrupt municipal boss, under oath before the Senate Investigating Committee last week testified that he spent over \$144,000 at the Spring primaries to carry Pennsylvania for Roosevelt.

How much other rich men spent for the same purpose in this state is not known, but it is an astounding sum of money to influence men to vote for a third-term candidate.

PLEADS IGNORANCE.

When Roosevelt ran for president the last time he was the boss of his campaign, and the dictator over everything therewith connected.

Every old soldier knows what party brought about the recent increase in their pension allowance. For years they tried to get a favorable bill through the house, but it remained for the last Democratic session of congress to give them what they deserved long ago.

The New York Herald has made a canvass of the presidential campaign this year and comes to the conclusion that the election of Woodrow Wilson is almost assured.

A vote for Gramley is a vote for either Penrose or Flinn, and this state would better get rid of these two men. Foster would not likely be found voting with either of these notorious political roosters.

Think of it, Bill Flinn offered Quay \$2,000,000 for a seat in the United States Senate from this state. The offer was rejected and Knox got the place.

With the betting in New York 4 to 1 in favor of Wilson's election, with the poll of the New York Herald making a forecast that Wilson will carry almost every state, with Taft considered completely out of the race, with Roosevelt asking for a third term more through revenge than anything else, there can be little doubt of the result.

For seven years Roosevelt, who now wants the third term, had all the opportunity to bring about reforms that he now urges, which he then avoided. Had he been nominated at Chicago he would have accepted the platform on which Taft now is running and which he now so vigorously denounces.

MEANING OF EMBLEM.

'Bull Moose' Means Distressing Disease and Signifies Staring. Hebrew scholars in Chicago have discovered a new meaning for 'Bull Moose,' the emblem of the Progressive party.

a "distressing disease," and are spelled "Bulmoose." "Bull Moose" has been recognized as the Aramaic name of disease, found by Jewish rabbis in the Responsa.

WILSON ODDS NOW 4 TO 1.

Lengthen in New York--Taft Favored Over Colonel. On the Bronx curb in New York City on Monday, for the first time since the presidential campaign opened, bets were registered which practically allowed for no doubt in the minds of the bettors as to the election of Woodrow Wilson to the White House in November.

To the Voters of Centre County.

With the consent of the Editor of the "Centre Democrat" I wish to address you concerning the Democratic candidate for Auditor General of the State. I have known Robert E. Cresswell for upwards of sixteen years and I can truthfully say that he possesses all the qualities that go to make up a gentleman.

More Straws.

The New York Herald last Sunday printed its second article of a series based on a nation-wide straw vote which shows that out of a total of 53,644 votes cast, Roosevelt has 20,748 and President Taft, 13,055. The straw votes show a net Republican loss from 1908 of 17,358.
