EDITORIAL.

Prof. C. L. Gramley was County Superintendent of our schools for ov-

congress to save his life. This district never heard of him at Washington, and often when important bills were up he was among the missing or afraid to vote.

If you want to see a different kind about the kind of men you send to the town last week, Mr. Morris does not agree with President Taft on that question. On September 24th, 1908, at the candidate for legislature represents. That is the important point.

A third term is a most dangerous policy for any republic. Others would be entitled to the same consideration. A step further and we soon might ment. Two terms should satisfy any

as president should satisfy any man. so manifest and the burdens it put up-The suggestion is thoroughly un- on the consumer of woolen goods, were American.

Berry is the man who exposed the ules just as indefencible.
When the Tariff Bill, then known State Capitol steal. He would have been the present Governor of this at the special session of 1909, after bestate had there been a fair count in ing bitterly fought by a good number Philadelphia. Berry is the foe of Republicans. Senator LaFollette Philadelphia. Berry is the foe of called on the President to talk with boodlers. You need that kind of men him about the bill in the hope that he Philadelphia. Berry is the foe of at Harrisburg.

president of the United States and he with the pledges of the party and "unwill carry Pennsylvania, if the Democrats turn out this year and vote. (meaning the Senator), and your as-Wilson is the man that cleaned up sociates in the Senate, go ahead, crit-New Jersey, and we need that kind of icise the bill, amend it, cut down the New Jersey, and we need that kind of a man at Washington.

ditions of our country are against platform I will veto it." such a policy. You may live to see the day when you will regret having drich's, Smoot Bill. Payne was bad cast such a vote. Three terms is a enough, Aldrich's was worse, but short step and then comes the "King Smoot,

A vote for Gramley for the legislature is an endorsement of either Penrose or Flinn for the United States protest because of the bargain with Senate. If that is what you want you will make no mistake in supporting Mormon element would stand by the Gramley. A vote for Foster means a Republican party and they have vote in the legislature against Pen- all his nastiness he has upheld every rose and Bill Flinn. You can depend

voting for high tariffs. Now you have name, that has driven the necessaries the high cost of living. Why should you complain if you have been voting for exactly what you get. Think meat, as part of the daily living and as this over; possibly if your wife could vote she could give you some real good pointers on this question. Talk it over with her before you vote.

Is Theodore Roosevelt greater than General U. S. Grant, the hero of Appomattox? Grant was denied a third term, is Roosevelt greater than Grant? Would not the election of Roosevelt be a reversal of one of our most sacred traditions? It is a most dangerous The men, women and children, who, experiment. A third-term is asking in the Woolen Mills at Lawrence. too much from the American people.

Roosevelt is in favor of regulating the monopolies that have grown up in this country. Woodrow Wilson main- many families had neither shoes nor tains that a monopoly is an un-American idea and has no place in a country where there should be free opportunty for all to earn a living. Take one of the owners of the factories died your choice, for that is the real dif-ference between these two candidates, estate bordering on \$40,000,000. This ference between these two candidates.

Before there were trusts Bellefonte had glass factories, axe factories, not cause industries to run, and keep chain works, puddling mills, iron labor employed, is best demonstrated mills, wire mills, several iron furnaces. In these days of monopolies naces. In these days of monopolies when running, employ largely free and high tariffs we have none of these imported labor, are standing idle. So industries. That is our share of pros- are all the protected industries. Mr. perity, when trusts swallow up the little industries, competition is destroyed and you finally "pay the but these works are always in opera-freight" in the increased cost of liv-

Think of it, Roosevelt is posing as Think of it, Roosevelt is posing as the people's champion. The fact has building operations, and a great line of other works, is the free imported labor former campaign fund was contributed by the trusts. That is enough to show where the trusts were when he was president. When Roosevelt became president there were in all 149 trusts. When he went out of his seven-year's at the white house there were over 10,000 trusts. That is his them over, record as a trust buster. How do you

the courage to make a first class con-dignity. It now appears that official

ton has the bulge on Gleason in one particular-Patton has boodle to burn of Sinnemahoning, who bought their ity. way to congress. Gleason is the people's candidate.

The people invariably get the kind of government they vote for. They have had Boss Penrose in this state for many years, for the reason that they voted that way. Next they may have Boss Bill Flinn, of Pittsburg, if The date your subscription expires is plainly printed on the label bearing your name. The cost of living is the great problem that confronts the average laboring man. Every man knows that the Taft cost of living has increased so rapidly in the past few years that it is causing distress to even provide er twelve years. We think he has been a decent living for his family, no matwell favored by the public in that ter how hard and how long he works, or how economical he may be. When he sees that the things he must buy Patton could not make a speech in at home are sold abroad for much less money that should set him to thinking real seriously,

THE TARIFF.

Judging from the utterances of Mr. A. G. Morris on the Tariff, as conof politics in this state, be careful tained in the Republican papers of Milwaukee, Mr. Taft said, "Tariff re-vision should be immediate and on the whole should be a substantial revision downward." At Fort Dodge, lowa, on Ootober 3rd, 1908, he said, "Tariff du-ties should be reduced, and if elected. as I expect to be, I shall exercise all the legitimate influence that a Presihave a monarchical form of govern- dent can exercise to see to it that the plighted faith of the party on this subject, in letter and in spirit is ob-

"Third Terms"—no such a thing was known in the White House from 1776 to 1912. It certainly will be the first step to the "King Row." Two terms so great that on no ground could it be defended. There were other sched-

as the Payne Bill, passed the House would keep faith with the people. The President agreed with the Senator Woodrow Wilson will be the next that the bill was not a compliance less it were thoroughly over-hauled he would veto it." He further said, "You, duties, go after it hard. I will keep track of your amendments. I will read every word of the speeches you Think seriously before you support make, and when they lay the bill down before me, unless it complies with the

When the bill came out of the Senate it was known as the Payne, Aldegree. It was the same Smoot for whose dismissal two million or more of virtuous and good women petitioned the Senate to unseat. The same Smoot who held his place against this great Aldrich and others, if they would help him to hold his seat he and the whole measure in the interest of monopoly and trusts, and combinations. What think ye of it, ye virtuous! Smoot, a For years you no doubt have been maker of a tariff which carries his of life so high in price it is impossible for people in the ordinary walks of life to enjoy the luxury of any kind of to having anything in the line of ens for clothing, it is absolutely im-

> This Tariff Bill in the Senate was voted against by such able Republicans as Beveridge, Bristow, Clapp, Cummins, Brown, Burkett, Crawford, Dolliver, LaFollette, and Nelson,

possible.

Poor Taft was fittingly described by Dolliver "As an amiable gentleman surrounded by a number of men who know exactly what they want." Payne, Aldrich, and Smoot knew what they Mass., are made to suffer while the owners roll in wealth and luxury. The tariff, say the manufacturers is for labor. During the strike at Lawrence it was revealed that the children in only eight dollars a week, and when demonstrates who gets the benefits of

the Tariff... by the numerous silent industries in this community. Our furnaces, which Morris' lime rocks are not in the protected class. They cannot be imported, therefore Tariff cannot affect them, others which cannot be protected, the wages are higher, than in protected industries. The only competition the Europe, which the protectionist calls pauper labor.

ANOTHER LAME DUCK.

Our Republican friends are trying a whirlwind finish in the presidential campaign, on the back of a lame duck, labelled "prosperity." It won't bring

President Taft took an active part in the pre-convention campaign, but the result of the Chigago convention ders, rakes, forks, shovels, grabs James Gleason has the ability and were so discouraging that he retired gressman. He is the intellectual su- dignity was only a duck-shooter's

perior of Congressman Patton. Pat- ambush in the calamity fields of a swampy system from which he has been watching the hungry ducks fly over, and that at length his shooting while Gleason is only a practicing at-torney of moderate means. Patton is one lame duck which he has unscrupu. Recent welcome addition the rich man's candidate, about the lously called "prosperity." Shot lame same as Dresser and old man Barclay and therefore limited in foraging abil-daughter with Mr. and Mrs. John B. its lean body is now offered as Ruble, food for the working classes during the remainder of this campaign.

now being served from the White House in orders to Republican Brisbin, returned to her home in Hartowners of long closed mills and factories and other industrial institutions to start them up. In this way idle workingmen are to be wheedled into voting for Taft. They are to have a taste of lame duck between now and election day. Tariff-fed employers can afford to let them have that much if the result be successful competition and fat profit in a foreign market at the tremendous expense and loss of home labor.

The workingmen and wage earners of all kinds in Centre county need not go outside to find an answer to in Centre county contains starving terment was made at Zion Hill. profit of the poverty of this Republican diet. In that one town, since became president, a chain faca foundry and machine shop two blast furnaces have shu down; the population has decreased; drafts on the poor fund have increased and the only answer to a prayer for prosperity was the location of a penitentiary nearby.

As elsewhere, the purchasing value third-thanks to the meat trust, the coal trust, and several other trusts Hall, are mourning the death of their fostered by Republican policies—bright little son, Kenneth, who died hold the sack.

The President's prosperity promise Boalsburg cemetery. is nothing but a naked bribe for votes which self-respecting working-men will surely not accept. Let the lame duck go, and look for one that has good wings and can fly.

A PROGRESSIVE.

James A. Gleason is the nominee of the Democratic party for Congress and he should also have been the nomiace of the Progressive or Washington party. His record would entitle him to the vote of the Washington party, as he has been a progressive Democrat for the last 16 years. He was the orator of Clearfield county for ade social in the Boal Hall on Thurs-Bryan in 1896, and has all through day evening at 8 o'clock, Oct. 31st. these years stood just where Bryan Proceeds to be applied to the maintestood on all questions before the nance of the town lights. Admission country. He is one of the leading 10 and 15 cents. lawyers of Clearfield county and is popular with all classes of people. His wife is a daughter of Rev. Gearhart, a Methodist minister, who years Wilson Rally. It will be a rare treat ago preached in different places in to hear Judge Southworth, and every-Centre county, being an evangelistic one in that section should make it a minister, and still lives in the town of Clearfield. Mrs. Gleason is a gradnate of Dickinson seminary, at Williamsport, Pa., and is a leading worker in the Methodist church of DuBois. Mr. Gleason is spoken of by all parties in his home as being the leanest man ever nominated for any

RUN-DOWN PEOPLE

Made Strong by Vinol. Run-down conditions are caused

by overwork, worry, too close confinement, a chronic cough or cold which it is difficult to cure.

We want to say to every person in this condition-you need Vinol, our delicious cod liver and iron tonic without oil, the great strength creator. It will supply iron to the blood in the most easily assimilated form, create a good, healthy appetite, strengthen your digestive organs and make you eat better, sleep better and feel better.

A case has just come to our attention from West Scranton, Pa., Mrs. Chas. Proper says: "For three years I was all run down, weak and had no appetite, and after all that time I am glad to say Vinol has brought back my health and strength, which is just what I was told it would do." We are confident that Vinol is the best body-builder and strength-creator

we have ever sold. Try a bottle on our guarantee to refund your money if it fails to

benefit you. C. M. Parrish, Bellefonte, Pa.

ROYAL BAKING POWDER Adds Healthful Qualities to the Food

Prof. Prescott, of the University of Michigan, testified before the Pure Food Committee of Congress, that the acid of grapes held highest rank as an article of food and he regarded the results from baking with cream of tartar baking powder as favorable to health.

Royal is the only Baking Powder made from Royal Grape Cream of Tartar.

this valley .- Millheim Journal.

On Saturday evening, a small boy matches came near causing a costly conflagration in Millheim. Rev. W. J. Dice's barn, and a mischievious boy happened along with matches and set fire to the contents of the crate. Frank Breon, who works at the Homan sale stable, saw the smoke and hurried to the scene and tilted the burning box away from the stable. Possibly a minute more and the fire would have communicated to the hay and straw on the loft and the stable and adjoining buildings would have been burned.—Millheim Journal.

Sunday was "Old Folks Day" in Methodist Episcopal church at Bald Eagle, and from all accounts the day was one of rejoicing especially among the older folk of upper Bald Eagle valley. The services began early in the morning with one of those good old fashioned Methodist class meetings, after which a general reception and one of those heart to heart hand shakings and meeting of friends took place. This was followed by an excellent dinner—one of those kind that are generally served by the counfolk-a dinner that always satisfies the inner man. About sixty per-J. W. Sweetwood, a resident of sons were present from a distance.
