by local applications, as they cannot reach the dismased portion of the ear. There is only one way to
cure deafness, and that is by constitutional remedies.
Deafness is caused by an inflamed condition of the
mucous lining of the Eustachian Tube. When this
tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be
taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases
out of ten are caused by Catarrh, which is nothing
but an inflamed condition of the mucous surfaces.

16 Oliver St., Newark, N. J. - "About five years ago my little girl had a red spot on the back of the head which itched her very much. The sores

came in the form of a pimple full of pus and would itch. She would scratch until they would bleed, and wherever it touched there would be another sore until her whole head was covered with a hard scab. She could not sleep at night

to keep her from school. I had her treated and used a wash, and when I put it on her head it burned her so I thought she would go wild with the pain. I used ---and home remedies until I got so tired I thought she would never get cured.

Then I saw the advertisement for Cuticura Soap and Ointment and sent for a sample. The first night I used the Cuticura Ointment it loosened the scab. Today she is completely cured. I used three boxes of Cuticura Ointment and six cakes of Cuticura Soap and I have nothing to thank but Cuticura Soap and Cuticura Ointment." (Signed)

Dear Sir: I have known for over 40 years of the effects of Wilson's Remedy [Wilson's Preparation of Hypophosphites and Blodgetti] in cases of pulmonary troubles. At this point I will say to you what you have not before known of; that 49 years since, while I was a resident of N. V. City, I was severely ill with lung trouble. Physicians said I was a consumptive and my family physician told my wife that he thought I could not recover. My attention was directed to the Wilson Remedy, which I used with splendid effect. I have been on my feet and at work ever since my cure. Yours truly,
REV. CHAS. SAGER,
Pastor M. E. Church, Hunter, (Greene Co.,) N. Y.
