It is hard to give thanks today and then sit down to a diet of "crow." Democrats were accustomed to that for years, and toward the last did not mind it. It now goes especially hard with the average Republican.

WHAT OF THE FUTURE?

The election is over and we turn from the discussion of principles, policies and candidates to a consideration of the results. The past is gone, never to return; what of the future?

The three men who occupied the center of the stage have changed po-sitions. The president retires from the office with a few electoral votesso few that they only emphasize his defeat. The only consolation that Mr. Taft can draw from the result is that, by sacrificing himself, he saved the country from a third term-at least he made certain the defeat of Colonel Roosevelt.

History will deal with him more kindly than the orators of the third party have. Even the criticism of the democrats will be softened by an ap-preciation of his personal qualities and of the great service that he has rendered the country by dividing the re-publican party. He could have fulfilled all the

expectations that were excited, and by attempting for a while to follow middle course, he alienated both sides so that when he finally cast in his lot with the "standpatters" he aroused no enthusiasm even among his followers. Then, too, his popular vote, and hence his electoral vote, was lessened by the fact that many who would have voted for him had he had any chance voted for Wilson in order to insure the defeat of Roosevelt, Mr. Dooley paign by saying that Mr. Taft had a for him if they did not have to vote

The chances are that the progressives will return and take charge of the party, would prevent the Democracy from and adopt in the next campaign a platform which will be a compromise between the two extremes, but so far as can be seen now Mr. Taft has rounded out his political career. As for Mr. Roosevelt himself, all de-pends upon the attitude he now takes toward the problems which confront us. If he still aspires to a third term, he will prove a dead weight to the sight, if the Bull Moosers only are new organization rather than an inspiration. A FINE WHITE BUCK.

The above shows a photo of a large white buck that was killed last week near Peddy Mountain Tunnel, several miles east of Coburn, by a party of hunters from Paxinos, Pa. It weighed, when cleaned and strung on the poles, 174 pounds.

This is a large deer, yet bucks, often tip the scales over 200 pounds. The special feature about this deer is that it was almost snow white, which is considered very unusual.

Last season a small white spike buck was killed over in Poe Valley, not far from the same locality, and it was considered a rare find, and was the object of much comment as it lay here at our station, as it was being shipped to Pitcairn.

The Paxinos party got the only white deer that we have heard of thus far this season. Many hunters cling to the superstition that a white deer is an omen of evil, and some actually will not attempt to kill one in the woods.

We are indebted to Sumner Musser, Jr., of Aaronsburg, an amateur photographer, for this photo, which he kindly supplied us for this article.

Governor Wilson has shown that he appreciates the fact that his administration will mark an epoch—an epoch that can be made glorious by the vindication of the party's claim to the confidence of the public .- From Com-

A brown bear, weighing 300 pounds, was killed by Edgar A. Schwenk, of Loganton, at Pot Pie hollow, seven miles southeast of Carroll, Clinton county, last Friday. The scene of the exploit was in an inaccessible part of the mountains seldom visited by hunters. The bear is declared not to have been a common brown bear, but a cinnamon, and is believed to have escaped from a menagerie. Old hunters said that they had no recollection of having seen a bear of the kind in the state, the cinnamon bear not being a native of Pennsylvania. The bear had been given the credit of attacking cattle belonging to farmers in the vicinity, many animals having shown signs of being mauled by a

Surrounding a huge bonfire on Hughes Field, Tuesday night, the Academy foot ball eleven and the students in general celebrated in a joyous manner the team's victory over Wyoming Seminary at Kingston, Pa., last Saturday.
