## PIMPLES SO BAD ASHAMED TO GO OUT

All Over Face, Festered, Came to Head, Caused Disfigurement. Used Cuticura Soap and Cuticura Ointment. Completely Cured.

R. F. D. No. 3, Newark, Del.—"At the age of eighteen, pimples came on my face. They were scattered all over my face and festered and came to a head. They caused disfigurement and were so bad that friends asked me if I had small pox. I was ashamed to go out unless I wore a veil. I used every kind of salve people would tell me about but they failed to cure me. I saw in the paper about Cuticura Soap and Ointment and began using them. I washed with the Cuticura Soap three times a day and used the Cuticura Ointment on going to bed, and in one month there was not a pimple on my face. I was completely cured and can highly recommend the Cuticura Soap and Ointment to everyone suffering from any skin disease. I also have used Cuticura Soap on both my little girls ever since their birth, and they never had a pimple or rash of any kind." (Signed) Mrs. Joseph Wilson, Mar. 9, 1912.

For red, rough, chapped and bleeding hands, itching, burning palms, chaps, sores, and painful finger-ends, a one-night Cuticura treatment works wonders. Soak hands, on retiring, in hot water and Cuticura Soap. Dry, anoint with Cuticura Ointment, and wear old, loose gloves during the night. Sold throughout the world. Liberal sample of each mailed free, with 32-p. book on the skin and scalp. Address post-card "Cuticura Dept. T. Boston."

Sager has been for over sixty years of incalculable worth to sufferers from consumption, asthma, bronchitis, catarrh, gripe, coughs, colds and all lung and throat diseases, and is a household remedy in many, many homes to which it has brought health and happiness.

Ms. C. A. ABBOTT, August 11, 1905. 60 Ann St., New York City.

Dear Sir: I have known for over 40 years of the effects of Wilson's Remedy (Wilson's Preparation of Hypophosphites and Biotin) in cases of pulmonary trouble. At this point I will say to you what you have not before known of: that 45 years since, while I was a resident of N. Y. City, I was severely ill with lung trouble. Physicians said I was a consumptive and my family physician told me that he thought I could not recover. My attention was directed to the Wilson Remedy, which I used with splendid effect. I have been on my feet and at work ever since my cure. Yours truly,

REV. CHAS. SAGER, Pastor M. E. Church, Hunter, (Greene Co.), N. Y.

The above letter shows what a great boon the Wilson Remedy was to Mr. Sager, but it is but one of thousands received testifying to the curative powers of this wonderful remedy. Write at once to Mr. Abbott at the above address and he will furnish you convincing proof of the great worth to Humanity of this preparation.

Y., tells the story of impoverished blood—nervous exhaustion or some kidney trouble. Such examinations are made without cost and is only a small part of the work of the staff of physicians and surgeons under the direction of Dr. R. V. Pierce giving the best medical advice possible without cost to those who wish to write and make a full statement of symptoms. An imitation of nature's method of restoring waste of tissue and impoverishment of the blood and nervous force is used when you take an alternative and glyceric extract of roots, without the use of alcohol, such as

## Dr. Pierce's Golden Medical Discovery
