

## SANTA'S CALL

By JAMES A. EDGERTON

COPYRIGHT, 1912, BY AMERICAN PRESS ASSOCIATION

WHEN Bobby wrote to Santa Claus,  
Inviting him to call,  
Bob's mother said that Santa would  
If Bobby only would be good,  
Which is the way that mothers should  
Reply to urchins small  
Who write a note to Santa Claus,  
Expecting him to call.

I know not why a typewriter  
Was put to such a use.  
To answer thus a social note  
Would get 'most anybody's goat.  
For rank, bad form it has my vote;  
'Twas socially obtuse;  
But Santa is a busy man  
And that was his excuse.

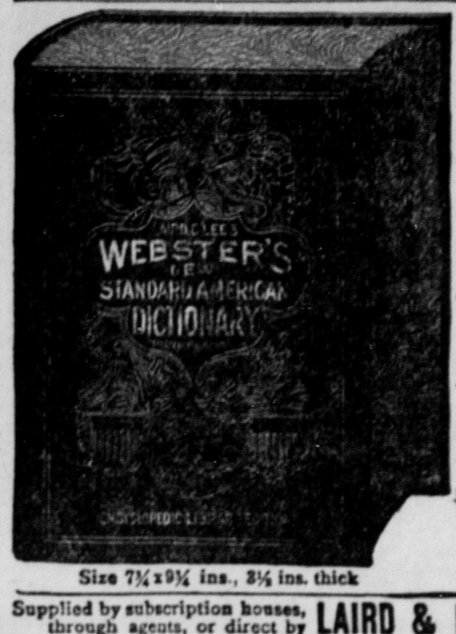

When Santa Claus got Bobby's note,  
He chuckled quite a lot;  
Down at his typewriter he sat  
And wrote an answer, saying that  
He'd love to call and have a chat,  
He'd be there on the dot;  
For somehow Bobby's little note  
Had hit his tender spot.

On Christmas Santa Claus dropped in,  
Down through the chimney flue.  
He told such tales of land and sea  
That Bobby often murmured "Geel!"  
And Bobby's sister laughed in glee—  
I'm sure that you would, too;  
And if you'd write to Santa Claus,  
Perhaps he'd call on you.

### SPANK SUFFRAGETTES.

"Take Them Into Square and Let All Witness Humiliation."

Mrs. J. Gardner Cassatt opened the Pennsylvania Association Opposed to Woman Suffrage in Philadelphia on Monday. In an address she said:

"Women who run afoul of the laws and are known as militant suffragettes should not be punished by sending them to jail. They should be taken out into the public squares and spanked before the eyes of all who care to witness their humiliation.

"Votes for women means neglect of the home. It means the encouragement of race suicide and the loss in the moral influence toward the uplift of society which women now have and which is far more potent than the hysterical speeches and sordid politics."

### "FAGGED-OUT" WOMEN

Will Find a Helpful Suggestion In This Letter.

Overworked, run-down, "fagged out" women who feel as though they could hardly drag about, should profit by Miss Richter's experience. She says: "Last winter I was completely run down and felt fagged out all the time, was nervous and had indigestion.

"One of my friends advised me to take Vinol, and it has done me great good. The tired, worn-out feeling is all gone and I am strong, vigorous and well. The stomach trouble soon disappeared and now I eat heartily and have perfect digestion. I wish every tired, weak, nervous woman could have Vinol, for I never spent any money in my life that did me so much good as that I spent for Vinol." Marie Richter, Detroit, Mich.

Thousands of women and men who were formerly weak and sickly owe their present rugged health to the wonderful strength-creating effects of Vinol. We guarantee Vinol to build you up and make you strong. If it does not, we give back your money. C. M. Parran, Bellefonte, Pa.
