While visiting patients in Nittany valley, a few miles from Jacksonville, Dr. Water J. Kurtz, of Howard, met with an accident from which he escaped rather luckily. One of the spin-dles of his buggy suddenly broke from the front axle which allowed the axle to drop and strike the horse's heels whereupon the animal started on a mad run. The physician was thrown out and the wheel ran over his legs at the knees and he received a gash in his scalp. The buggy was badly damaged and the horse ran a considerable distance before being stopped. Dr. Kurtz was shortly after the accident picked up by a passing automobile and conveyed to his home.
