FOUR CHILDREN HAD ECZEMA ON FACE

And Other Parts of Body. Looked Miserable. Dreadful Itching and Burning. Scratched Into Sores. Cross and Restless. Cuticura Soap and Ointment Cured.

Felton, Pa .- "I have four children; they have all had eczema on their faces and other parts of the body which made them look miserable. It came in large pimples, very red with dreadful itching and burning and they scratched it into sores. They would scratch it until it would bleed all the time. It looked very sore and bad, would get scabs on, but they would scratch them off. They

could not sleep and were cross and restless. "We tried remedies, salves and other things which did no good. We found Cuticura Soap and Ointment the best. We had used them about a week when my four children were entirely cured." (Signed) Mrs. W. Anderson, March 5, 1912.

UNSIGHTLY PIMPLES ON HAND.

Mont Alto, Pa .- "An eruption appeared on my right hand in the form of pimples and was very unsightly. I began to bathe it with Cuticura Soap daily and apply Cuti-cura Ointment. The itching and burning ceased and the mark has entirely disappeared. I have also tried Cuticura Ointment for itching piles which annoyed me and kept me from sleeping. A few applications cured them entirely." (Signed) D. M. Brown, Apr. 8, 1912.

The Best Cough Syrup is Easily Made at Home

Costs Little and Acts Quickly. Money Refunded If It Fails.

This recipe makes a pint of cough syrup, and saves you about \$2.00 as compared with ordinary cough remedies. It stops obstinate coughs—even whooping cough—in a hurry, and is splendid for sore lungs, asthma, croup, hoarseness and other throat troubles.

and other throat troubles. Mix one pint of granulated sugar with pint of warm water, and stir for 2 utes. Put 21/2 ounces of Pinex (fifty cents' worth) in a pint bottle, and add the Sugar Syrup. Take a teaspoonful one, two or three hours. Tastes

gives almost instant relief. It stimulates the appetite, and is slightly laxative—both excellent features. Pinex, as perhaps you know, is the most valuable concentrated compound of Norway white pine extract, rich in guaiacol and the other natural healing

pine elements.

No other preparation will do the work of Pinex in this recipe, although strained honey can be used instead of the sugar syrup, if desired.

Thousands of housewives in the United

States and Canada now use this Pinex and Sugar Syrup recipe. This plan has often been imitated, but the old successful formula has never been equaled. Its low cost and quick results have made it immensely popular.

A guaranty of absolute satisfaction, or

money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
