### HISTORICAL.

Baptists first came to Milesburg in 1792. The first minister was a missionary from New York state, who preached along Bald Eagle Creek and Birmingham. Then came two brothers named Gilbert, in 1819, and they were followed in 1821 by Calvin Phillips, of Ononda county, N. Y. A local in the Bellefonte Patriot read as follows: "Sabbath, July 29th, the ordinance of baptism, according to the views of the Baptist church, was administered in the Bald Eagle Creek at Milesburg to four persons." In July 1822 Elizabeth Comstock was appointed by the New York State convention to labor in Milesburg at seven dollars per week for three months, and one-fourth of this amount to be paid in cash. A stone meeting house was erected in 1830 which was replaced in 1859 by the present meeting house. Total number baptised to 1880 was five hundred and forty-one. This church has sent eight ministers into the field from its congregation at Milesburg who were as follows: Geo. I. Miles, Samuel Miles, Edward Miles, J. Green, Miles, J. B. Hutton, E. F. Clapp, E. The present church edifice was erected in 18— . The first trustees were Chas. G. Ryman, Thomas E. Taylor and Archie McMullin. In 1840 a Sabbath school was organized by the pastor, Dr. Bair. The class was attached to the Bellefonte circuit until 1853, when it was made a separate charge. In 1850 the church had three classes, with a combined membership of one hundred fifty. The leaders were B. E. Else, C. E. Else and Lyman T. Eddy. A. A. Shroyer, H. H. Musser, S. B. Orris, F. G. Mater, and William Marks. L. T. Eddy was superintendent of the Sunday school with an average attendance of one hundred and eight scholars. Rev. Ash is the present pastor.

An order of the session of the Bellefonte Presbytery church, dated March the 5th, 1868, certified that in accordance with the action of the Huntingdon Presbytery, and request, the following persons named were set off from the Bellefonte church to form the Milesburg church: John B. Thomas, Nancy A. Thomas, Sarah C. Thomas, Annie E. Thomas, Henrietta P. Thomas, Sarah I. Bair, Mrs. J. B. Hahn, Mrs. C. O. Holmes, James Alexander, Jacob Hahn, William Holmes, John Parsons, A. D. ### SPRING MILLS.

W. M. Allison returned from a business trip to Harrisburg and Lancaster.

The late rains put the road leading to the station in bad shape. A boat would be very desirable to transport passengers to and from the station. It is not a shame, where the most walking is done, our roadmaster has not done a tap of work in the last year. No ax to grind on that road, the people who advise you to have your own way are mighty popular.

Because charity begins at home is no reason why it should end there. Happiness begins at the same place and develops wonderfully if you are willing to allow others to get part of it.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a running ear, which is not perfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

### INDIGESTION FIVE YEARS

Relieved by Vinol.

Strength and even life itself depends upon the nourishment and proper assimilation of food, and unless digestion is good, the whole body suffers.

Mrs. L. D. Cook, Vineland, N. J., says: "I was sick five years with indigestion. My stomach seemed to have a heavy load in it, and at other times it seemed to be tied in knots. Nobody knows how I suffered.

"I tried a great many doctors and a great many kinds of medicine, but nothing did any good until I took Vinol. It has helped me wonderfully. I am improving fast, feel better and am getting my flesh back again. Vinol has done me a world of good."
