Connecticut Girl Asks That Amount For Loss in Peculiar Accident. When Miss Gertrude Garity touched the button to turn on the current at her home in Suffield, Conn., one night recently, her hands were almost literally severed at the wrists by the burns which resulted.

Sleep and Health Travel Together.

A great many people boast about how little sleep they need. The man who sleeps seven hours a night is superior to the person who spends eight hours in bed; and the man who apparently can do his work with only six hours, thinks himself better than the seven hour man.

Saved \$50 for 33 Years.

An Altoona woman, who settled accounts with an Eighth avenue funeral director for her husband's burial recently, says the Tribune, used a \$50 bill that was given to her thirty-three years ago as a wedding present. It was the self-same bill, and it has been so well cared for that it is as crisp and clean today as a bill made only a year ago.

A WINTER COAT

not only keeps cold out, but cools body-warmth; but coffee serves the same purpose, it enables us to resist unsettled elements and serves as the great source of our body-heat. Greater body-warmth means richer blood, more fat, not obesity but fat which the body consumes for warmth, vitality, resistance-power—as a furnace consumes coal for heat—Scott's Emulsion does this.

DROPSY TREATED FREE

DR. FRANKLIN MILES, The Great Specialist Will Send a New \$37.50 Treatment Free.

Many "Hopeless" Cases Soon Cured After 5 to 15 Doctors Failed. At first no disease is apparently more harmless than dropsy, a little swelling of the eyelids, hands, feet, ankles or abdomen. Finally there is great shortness of breath, annoying spells, sitting up to breathe, cough, faint spells, sometimes nausea and vomiting, even bursting of the limbs and a lingering and wretched death if the dropsy is not removed.

Dr. Miles has been known as a leading specialist in these disease for 30 years. His liberal offer is certainly worthy of serious consideration. You may not have another opportunity. The Grand Dropsy Treatment consists of four dropsy remedies in one, also Tonic Tablets and Pura-Lax for removing the water. This treatment is especially prepared for each patient and is many times more successful than that of most physicians.
