Birthday Party for Thomas Sholl.

The friends and neighbors of Thomas Sholl, of Madisonburg, assembled at his home on the evening of February 13th to celebrate the anniversary of his birth. Mr. Sholl has lived in Penna and Brush valleys his entire life, having devoted his energies to the tilling of the soil. He has been successful but he has also made friends as well as money. Happy is the man who can call his neighbors friends.

He has fully recovered and is able to go about his usual work. To celebrate this recovery as well as his birthday party, the friends gathered at his home on the evening of February 13th. The arrangements were in charge of his two daughters, Miss Kate Sholl and Mrs. Herbert Yearick.

The Madisonburg orchestra was on hand to furnish music for the occasion. Mrs. Mary Hazel Deitrich, an accomplished musician and teacher, delighted the gathering with several piano selections.

A bountiful supper was served, consisting of oysters, ice cream, cakes and sweetmeats. Mr. Sholl was the recipient of numerous presents. His friends and neighbors wish him more abundant success still and many more years of usefulness to himself and the community in which he lives.

AGED PEOPLE

cannot properly masticate solid foods and digestion is often upset—they do not receive the needed nourishment to make strength and preserve health, but if aged people everywhere could only realize the strength-sustaining nourishment in Scott's Emulsion they would take it after every meal.

It possesses the nourishing elements of cod liver oil, the vital powers of the hypophosphites of lime and soda and the curative qualities of glycerine, all so perfectly combined that nature immediately appropriates them to create strength—nourish the organs and build the body. It relieves rheumatism and ailments due to declining years. It adds to the span of life. Refuse substitutes for SCOTT'S.
