"There's a time when forbearance ceaseth to be a virtue." There are a There are a number of pavements and crossings that are almost impassable and are a pecially to the pavement around the "burnt corner." Practically all travel to and from the trains and postoffice and a large majority of the school and the large majority of the school and a large majority of the school children have to pass over this pavement and it is a shame to compel women and children to wade mud shoe-mouth deep. It is the duty of council to provide proper pavements for the benefit of its constituents. It is no wonder the taxpayers are kicking at the high rate of taxes when we have to wade mud half the year. They have a right to The crossing between Shipley's and Lindemuth's consists of a lot of "nigger heads" laid across and most of them are generally covered with mud so that one cannot cross without sinking into mire two or three inches deep. It is simply horrible. Just the other evening as Mrs. James B. Stere and her two little girls were going around the burnt corner, Madeline cried out, "Oh, mamma, wait, I lost my gum shoe!" I have no doubt if the mud was shoveled off one might find a dozen rubbers of various sizes, Then there's that open celler withou a guard rail or fence between it and the mud "walk" which is a menace to life and limb. Whose duty look after the welfare of the citizen taxpayers, if not the Council's? More
