PLUM GROVE—Union Twp.
On Wednesday, February 27th, a surprise party was held at the home of Samuel Emerick and wife. By a prearrangement Mr. Emerick was called to Unionville and when the guests, forty-three in number, reached the house they found Mrs. Emerick alone and she received them very graciously. She granted them permission to use the stove and tables and as each family had brought a basket, soon the tables were laden with good food things such as roast chicken, boiled ham, cakes, pies, etc. It was a feast fit for a king. When all was ready they sent for Sammy who was entirely innocent of what was going on and when he entered the house he found it crowded full of his friends and neighbors. In a neat little speech he thanked them for their good wishes and had them feel at home. Mr. Emerick has leased his farm and intends to retire and make Unionville his future home. After having spent 34 years on the same farm and worked hard, he thinks he deserves a little rest in his declining years. While Union Twp. loses one of her most respected families, Unionville gains one. All credit is to be given to Mrs. Henry Parsons for getting it up and in the way it was managed. After dinner was over Mrs. Emerick entertained the crowd by playing some very fine pieces on the roller organ. After this several hymns were sung by the ladies present. A chapter from the Bible was read and prayer offered by Reuben Alexander. All then departed wishing Mr. and Mrs. Emerick many more years of happy life. Below are the names of those present: S. K. Emerick and wife, Mrs. Miss Alexander, Arista Lucas and wife, Ellis Way and wife, D. W. DEAFNESS Cannot Be Cured
By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it becomes chronic you are deaf. It is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. No case out of ten is cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. It will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

SYMPTOMS OF CONSUMPTION
Yield to Vinol.
The medical profession do not believe that consumption is inherited, but a person may inherit a weakness or tendency to that disease.
A prominent citizen of Evansville, Ind., writes: "I was ill for five months with pulmonary trouble, and had the best of doctors; I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.)
Vinol soothes and heals the inflamed surfaces and allays the cough. Vinol creates an appetite, strengthens the digestive organs and gives the patient strength to throw off incipient pulmonary diseases.
Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

Demand Health Certificate.
At the conference of the Susquehanna Synod of the Lutheran church, six ministers entered into an argument not to pronounce the marriage ceremony over any couple unless they produce a health certificate from a physician. This action was brought about by the adoption of a resolution by the synod, endorsing the bill now before the legislature requiring such certificate.

Doctors Use This for Eczema
Dr. Evans, Ex-Commissioner of Health, says: "There is almost no relation between skin diseases and the blood." The skin must be cured through the skin. The germs must be washed out, and so salves have long ago been found worthless. The most advanced physicians of this country are now agreed on this, and are prescribing a wash of wintergreen, thymol and other ingredients for eczema and all other skin diseases. This compound is known as D.D.D. Prescription for Eczema.

Violet Hill, York, Pa.—"My hands were sore with eczema over three years. The eczema broke out in pimples; it was in blotches. It itched and pained awfully, and caused me to lose much sleep at night on account of itching. I could not put my hands in water or do other work. My hands were very unpleasant to look at. They were swollen at. They were swollen at one place, the matter came out at another place. My fingers were stiff; I could hardly bend them. I only used one box of Cuticura Soap and two boxes of Cuticura Pills, which I only used two months, night and morning, till my hands were healed and now they are as good as ever before."
