BLANCHARD.

In Our Churches Next Sabbath. Christian—Preaching at 10:30 a. m., as well as Sunday school at the usual time, 9:30 a. m. In the evening at the Methodist Episcopal church of Beech Creek will unite in a union service at 7:30 p. m. with this church at the Methodist church at Beech Creek. Every one is welcome to attend all of these services. Samuel J. McCracken V. D. M., minister.

Baptist—Sunday school and young people's union at the usual hours. Preaching at 11 a. m., and 7:30 p. m. S. S. Clark, minister. The reception which was given the parents of the High School last Friday evening was well attended and the exercises that were given just before the eats were served was made up of declamations and dialogues, which made it very entertaining. After the entertainment the school students served the refreshments which consisted of ham sandwiches, pickles, coffee, ice cream and cake. All those present expressed themselves to the effect that they enjoyed the eats as well as they enjoyed the well spent evening. The school also invited the Alumni who were in the community.

At the regular meeting of the Christian Cemetery Association the following officers were elected: W. L. Harter, president; Samuel Golobes, vice; Nathan Bitner, secretary; J. A. Bitner, treasurer. Each officer was elected for the term of three years, as well as the following trustees were elected for the term of three years, Fred Glossner, John Eason and T. C. Smith. After paying all the bills a balance of \$135 was left in the treasury.

John Lingle, who went out to the Baker Run country in the first part of last November to hunt, just arrived home on the first. McVill Lingle, who accompanied him, also came home.

Dean Goodwin spent a two week's vacation in the woods with his uncle, Mel Lingle, for his health and we are sure that two weeks vacation which he spent in the mountain land did him a great lot of good.

At this writing Clara Council, who was taken to the Lock Haven hospital for an operation for appendicitis, which proved successful, is getting along as well as can be expected. So far she had not been discharged yet but if she keeps on improving her time in the hospital will be short.

Mrs. Joseph Jones was taken to the Lock Haven hospital for an operation and is getting along well under the circumstances. A speedy recovery is hoped for.

John Moon returned home to spend a few weeks with his folks.

SCOTIA.

A little son was born to Mr. and Mrs. J. Calvin Lykens on Tuesday last, February 25th. Congratulations are now in order.

William Bortoff, who has been employed at Lock Haven for sometime, came home one day last week and went to State, where he has secured a better position.

Mr. and Mrs. Geo. Harper returned to their home at Altoona, after a two-weeks' stay here and vicinity.

Mr. and Mrs. George Williams and son Calvin, of Ore Hill, formerly of this place, are visiting their relatives and many friends.

Adolph Reed is on the sick list. Malvin Lykens was a Bellwood visitor over Sunday.

On Thursday evening, February 27th, Harry E. Kellerman and Miss Stella Williams were united in the holy bonds of matrimony in the presence of several relatives and friends at the home of the bride's parents, Mr. and Mrs. James Williams, by the Rev. Runyan, of Stormtown. The young couple expect to make their home at this place. Their many friends extend best wishes for their happiness.

SPRING MILLS.

Miss Nina Slack, of Centre Hall, spent Tuesday in this place. Mrs. Jas. Osman and Mrs. Jerry Shunk are spending this week in Millroy.

Mr. and Mrs. S. M. Brown spent Saturday and Sunday in Millroy.

D. W. Emerick was home from Altoona to visit his family. Miss Besse Grove has gone to Philadelphia for a few days.

A number of the Centre Hall Temple members were down Tuesday evening to witness the initiation of five new members in the Centre Temple No. 163, after which a lunch was served.

A certain man says living is high, but when he can earn enough cutting ice, two days to buy a team, it remains improved. He is now engaged in taking out acid wood, and thinks in a short time can live retired.

Don't cotton too strongly to the fellow who always agrees with you. He generally wants to be paid.

The Best Cough Syrup is Easily Made at Home

Costs Little and Acts Quickly. Money Refunded If It Fails.

This recipe makes a pint of cough syrup, and saves you about \$2.00 as compared with ordinary cough remedies. It stops obstinate coughs—even whooping cough—in a hurry, and is splendid for sore lungs, asthma, croup, hoarseness and other throat troubles.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 1/2 hours. Put 2 1/2 ounces of Pinex (fifty cents worth) in a pint bottle, and add Sugar Syrup. Take a teaspoonful every one, two or three hours. Tastes good.

This takes right hold of a cough and gives almost instant relief. It stimulates the appetite, and is slightly laxative—both excellent features.

Pinex, as perhaps you know, is the most valuable concentrated compound of Norway white pine extract, rich in gualacal and the other natural healing pine elements.

No other preparation will do the work of Pinex in this recipe, although strained honey can be used instead of the sugar syrup, if desired.

Thousands of housewives in the United States and Canada now use this Pinex and Sugar Syrup recipe. This plan has often been imitated, but the old successful formula has never been equalled. Its low cost and quick results have made it immensely popular.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send, or write to the Pinex Co., Ft. Wayne, Ind.

A LETTER FROM MICHIGAN.

Charlotte, Mich., Feb. 25, 1913. Mr. Editor—I see you have quite a number of readers of the Centre Democrat in Michigan, so I thought a few lines from this part of the state would not be out of place. This winter has been one of the mildest winters we have had for a number of years up to Mr. Ground Hog's time. Since that we have been having winter. This morning was the coldest so far, three below zero. Have about six inches of snow and good sleighing and with the prospects of Mr. Ground Hog holding down his job faithfully. Now the farmers are beginning to tap the maple trees and make syrup and sugar. There used to be a great deal of that made in this county, but the groves are getting smaller and the trees scarcer every year, consequently the syrup and sugar will get scarcer. I wish our friend, Domino, would make a trip in his flying machine to our country, and see what a nice country we have, no hills or mountains to fly over. He would not need to fly high, and when he gets tired in the air, he can drop down into one of our beautiful lakes, and get a boat-riding, also fishing, he feels so disposed. The fish are there, if one has the knack of getting them. If Mr. Domino comes we will see that he is well cared for, and give him plenty of maple syrup, on his pan-cakes and sugar in his coffee. Besides, we can give him a taste of what it is, to live under a Democratic government. He has not had any experience of that kind for quite a while. I think he would relish it greatly. I must close or my letter will be too lengthy and probably go to the waste basket. We are always glad to see letters in the eastern papers from any of the Centre county people that have gone west.

NITTANY.

Miss Edna Gunsallus, who is employed at State College, is home and is sick with tonsillitis. We hope for her speedy recovery.

Alfred Gates, Lawrence Ohl, and Merrill Kessinger, who were employed at Ohio, have returned home and their many friends are glad to have them in our midst again.

Sam McCaleb gave a quilting party to some of her friends one day the past week. Those in attendance were Mrs. S. Peck, Mrs. James Gunsallus, Mrs. H. P. Zerby, Mrs. George Young and Mrs. George Tolbert. It was a very pleasant day for all present.

Ben Lutz, who is employed near Tyrone, greeted some of his many friends here Saturday night and took in the social.

Considering the dark muddy night, the social on Saturday night was largely attended, and a nice sum was taken in towards the church, for which the members wish to thank one and all.

Miss Alma Hall, of Unionville, visited her uncle and aunt, E. W. Armerman and wife, here quite recently. John Williams' sale on Saturday was largely attended and all articles brought good prices. W. B. Treaster was the auctioneer and Edward Yearlock was clerk.

Hand your news to the scribe or leave at the postoffice and it will be sent in for publication. The Mauck and Fisher case has been settled in Fisher's favor. It was a mistake, the Fisher had paid the costs to pay as has been reported.

Mrs. Charley Gunsallus and son, Milton, were to Lock Haven one day the past week on business.

It is the part of wisdom to treat an old man with veneration, an old woman with tact.

Lameness

Sloan's Liniment is a quick and reliable remedy for lameness in horses and other farm animals.

"Sloan's Liniment surpasses anything on earth for lameness in horses and other horse ailments. I would not sleep without it in my stable."

MARTIN DOYLE, 432 West 15th St., New York City.

Good for Swelling and Abscess. Mr. H. M. Gmna, of Lawrence, Kan., R. F. D. No. 3, writes—"I had a mare with an abscess on her hind leg, and a 50c bottle of Sloan's Liniment entirely cured her. I keep it all the time for all such small ailments and for everything that a horse has."

SLOAN'S LINIMENT

is a quick and safe remedy for hog cholera.

Governor of Georgia uses Sloan's Liniment for Hog Cholera. "I heard Gov. Brown (who is quite a farmer) say that he had never lost a hog from cholera, and that his remedy always was a tablespoonful of Sloan's Liniment in a gallon of slops, decreased the dose as the animal improved. Last month Gov. Brown and myself were at the Agricultural College building and in the discussion of the ravages of the disease, Gov. Brown gave the remedy named as 'unfailing'."

A BUSINESS HELP FOR BUSINESS MEN

Checks instead of ready cash—the safest method of paying bills and transacting business. Also the most convenient way. You always have the exact amount on hand. You always get a receipt for your payment—for a check, returned to you through your bank, is the best of valid receipts. Why not take advantage
