Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remediation. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a running sound or imperfect hearing, and when it becomes chronic you are deaf. The only way to reach the inflamed mucous surface is by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hays' Catarrh Cure. Send for circulars, Free. Sold by Druggists. J. C. CHERNEY & CO., Toledo, O. Take Hays' Family Pills for constipation.

PRESCRIPTION

For a Long Life.

This is the prescription for a long life given by an old gentleman in Connecticut, who is ninety-nine years old and still well and cheerful. "Live temperately, be slow to anger, don't worry, take plenty of exercise in the fresh air, and, above all, keep cheerful."

Should the system get run down—digestive organs weak—the blood thin and sluggish, take Vinol, which is a delicious combination of the medicine—body-building properties of cod's livers, with the useless grease eliminated, and tonic iron added. We regard Vinol as one of the greatest body-builders and strength-creators in the world for aged people.

Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, you would be unable to supply the demand; it is the finest tonic and strength-creator I ever used."

We wish every feeble old person in this vicinity would try Vinol on our agreement to return their money if it fails to give satisfaction. C. M. Parrish, Bellefonte, Pa.

BABY IN MISERY WITH SKIN TROUBLE

On Fingers. Water Blisters of Itching Nature. When Scratched Would Spread. Not Able to Sleep. Used Cuticura Soap and Ointment Few Weeks. Trouble Gone.

124 Pennsylvania St., Chester, Pa.—"On her fingers my baby had like water blisters of an itching nature. They seemed like water blisters with white heads. She would scratch her fingers until she would be in misery. It appeared when she scratched them they would seem to spread. Her fingers seemed to burn with fever. Her hands would get red and inflamed and she would want to hold them in cold water. She was not able to sleep and when she slept at times she would scratch her fingers. She was cross and fretful and would sit up in bed at night and cry and scratch her hands furiously, especially if she got a bit over heated. The child was in a pitiful condition.

"She had been troubled about two months. I washed her with Cuticura Soap and used the Cuticura Ointment on her sores. It seemed to be miraculous the change in her after their use. I did not use the Cuticura Soap but a few weeks until the trouble was gone. Cuticura Soap and Ointment cured her. This was about two years ago and she has never been troubled since." (Signed) Mrs. J. J. McCabe, Apr. 12, 1912.

A single cake of Cuticura Soap and box of Cuticura Ointment are often sufficient when all else has failed. Cuticura Soap (25c.) and Ointment (50c.) are sold by druggists and dealers everywhere. Sample of each mailed free, with 32-p. 8234 Book. Address postcard "Cuticura, Dept. T, Boston."

"BLOOD IS THICKER THAN WATER"

Without good red blood a man has a weak heart and poor nerves. Thinness of the blood, or anaemia, is common in young folks as well as old. Especially is it the case with those who work in ill ventilated factories—or those who are shut up indoors in winter time with a coal stove burning up the oxygen or emitting carbonic (oxide) gas. This blood, or blood which lacks the red blood corpuscles, in anaemic people may have been caused by lack of good fresh air breathed into lungs, or by poor digestion or dyspepsia. Sometimes people suffer intense pain over the heart which is not heart disease at all, but caused by indigestion. Whatever the cause, there's just one remedy that you can turn to—knowing that it has given satisfaction for over 40 years.

DR. PIERCE'S
GOLDEN MEDICAL DISCOVERY

is a blood cleanser and alterative that starts the liver and stomach into vigorous action. It thus assists the body to manufacture rich red blood which feeds the heart—nerves—brain and organs of the body. The organs work smoothly like machinery running in oil. You feel clean, strong and strenuous instead of tired, weak and faint. Nowadays you can obtain Dr. Pierce's Golden Medical Discovery Tablets, as well as the liquid form from all medicine dealers, or tablets by mail, prepared in 1/2 or 50c size. Address R. V. Pierce, M. D., Buffalo, N. Y.
