ROCK FORGE.

Well, as Sunday was Easter I suppose there were a great many eggs eaten. Now you can see the Easter hats everywhere; looks like summer. The report is that Howard Grove, of Houserville, is getting no better. John Gingery is some better at this writing. Isaac Tressler's moved from his old homestead along Spring Creek on Thursday to the Reynolds farm at Buffalo Run. Andrew Kuhn's moved to Big Hollow last week. Harry Woome's, of State College, has charge of John Kuhn's little girl at this writing, and we know she will be well taken care of as Mrs. Harry Woome is a kind-hearted and affectionate woman and knows how to appreciate children. D. F. Houser sold two fine horses last week. William Saxton and Lewis Launsbury attended the Raymond and Kidder sale at Boalsburg last Tuesday. John Colpeter sold his cow last week to Clayton Waiters, of Axemann. John expects to move to one of George Thompson's farms in the near future. We had a new mail man on Thursday as Mr. Hartswick was called to help with the singing at Mrs. E. D. Marshall's funeral. Clyde Struble's family, of the Branch, visited at Mrs. Struble's parents on Sunday, Samuel Krape's. Samuel Benner's youngest child was taken to the Bellefonte hospital last week and was operated on for pneumonia. The patient has improved on her lungs; she is now getting better. Orle Mulbarger is at present hard at work farming. William Emmlhizer's are the first farmers to have their ground as high as the ground lies high it dried out faster than the other farms. The women on route 3, Rock Forge, gave their mail man an egg shover for Easter. Mrs. Ira Benner and daughter attended the large furniture sale at Levi Roan's on Tuesday. Joe Bhears appeared on the scene last week and took the picture of the Rock Forge school scholars. William Shuey sold a horse last week. Samuel Poorman, who is going to college, visited with his parents, Sidney Poorman's, on Sunday.

PINE GROVE MILLS.

While cutting wood last week, J. L. Murphy received a deep cut in the head from a falling tree. H. N. Walker resigned last week as teacher of the grammar school. N. T. Krebs has been elected to teach the remainder of the term. W. F. Ard, a student in the Susquehanna University, is spending his Easter vacation with friends here. Miss Maud Rudy spent last week with her parents in Huntingdon county. William Johnson moved to the William Tat farm last week. Mr. and Mrs. Tate are now located at the William Martz home until they repair their home on Main street. Merchant A. G. Archey made a business trip to Bellefonte last week. Rev. John Reish filled the pulpit in the Lutheran church on Sunday afternoon. Rev. Chambers, the newly appointed minister to the M. E. church, arrived in town the beginning of the week. F. I. Paul, B. A., will preach in the Reformed church Sunday morning at 10:30.

PORT MATILDA.

Last Thursday being Miss Miriam Gates' birthday, a few of her nearby friends spent the evening very pleasantly with her at her home. Those present were, Miss Myrtle Reese, who recently closed a very successful term of school at Laurel Run; Mr. and Mrs. A. L. Cowher, and Mr. and Mrs. Jacob Woodring. After the guests were served with a delicious supper, which was prepared by Miss Miriam's mother, they departed for their respective homes, wishing Miss Miriam many more happy birthdays. Mrs. Mary Bennett, who is staying with her sister, Miss Nancy Woodring, has been very poorly the last few weeks, the latter is also very sick. Mrs. Jacob Woodring is also in a very bad condition at this writing. Those who spent Sunday very pleasantly at the home of Mr. and Mrs. G. W. Gates, were Mrs. John Kelley and daughters, Miss Goldia and Miss Nellie, Misses Isabel and Byrl Cowher, Messrs. Forrest, Hubert and Herman Cowher, also Wm. Bennett. Rev. H. A. McKelvey officiated at the funeral of Mrs. Margaret Sharer and preached an excellent sermon.

PENNS CAVE.

Mrs. Rev. Pickens, of Williamsport, was spending a few days last week with her daughter, Mrs. R. P. Campbell. George Long and John Beam have come home for a few weeks to paint the Union church. Then will return to Altoona. Mrs. Rolland Hockman and son James, of Philadelphia, spent a few days with her sister-in-law, Mrs. Gardner Grove. Elmer Rossmann has moved to Boalsburg where he will farm for his father. Quite a few of our young folks attended the play at Spring Mills on Saturday evening and report having a good time. I would like to know what has become of the Centre Oak scribe by this time. The sale of J. C. Rossman was well attended on Saturday, and the goods brought reasonable prices.

MILESBERG.

Those who attended the funeral of the late Mrs. John Flack from a distance, are as follows: The sons and daughters, George Bradley, Chicago; Grant Bradley, Nanty Glo; Mrs. Smith, Morrisdale; Mrs. Keith, Seward; Mrs. Hensley, Munson; Mrs. Snedon, sister, and Mrs. Merriott, a niece, from Munson; William Chapman, brother, Hilewood; Mrs. S. Chapman, sister-in-law, Patton; including the following step-children: Mrs. Finley, Creekside; Nelson Flack and wife, H. A. Scribner and wife, and Laura Flack, from DuBoise; Fred Ray and wife, of Johnsonburg; Mrs. Mabel Bradley, daughter-in-law, Altoona. There will be a new home established in Milesburg in the near future. The wedding bells are jingling now. Harvey Pike departed one day last week for Osceola on business. Miss Kathryn Lauck spent Easter at her parental home in Snow Sho.

FILLMORE.

Spring is here at last and some of our farmers have begun their spring plowing. The ground is drying out very fast. Reuben Crust's sale was well attended on last Friday. Everything brought good price; Roy Crust, his son, bought the gray team for \$600. If you wish to see a fine team, just wait for Frank Lohr when he comes along with his new outfit. He purchased a new wagon, new harness, also a new team with driver thrown in. Gordon Huey who has been driving team the past two years for O. D. Eberts, of Martha Furnace, moved from that place on last Wednesday to the tenant house on the Kephart farm and will farm for the Kephart brothers this summer. Well done, Domino, that was pretty good. Did not know you were that good in guessing. Here is another: If it takes 40 yards of black velvet to make Jumbo, the big elephant, a coat, how long will it take a long black beetle to crawl through a barrel of tar. Hello, Pleasant Gap, we would like to know who said you died. We are glad to hear from you. I did not have time to tell you what kind of pieces of money you would receive, but you tell me this: If I give the postman \$1.00 for stamps and ask him for the same amount of one cent stamps, as two, the balance in three, and receive no change, how many of each kind will I get? Miss Edna Rogers spent Easter with Miss Hazel and Mildred Johnson, of Bellefonte. Miss Mabel Norris, of Juniata, spent Sunday with her parents at this place. G. W. Johnsonbaugh, of Boalsburg, spent Sunday at the home of his sister, Mrs. Mary Norris. Clayton Huey and Frank Hull returned home last week from Hayes Run. They expect to work on a farm this summer. Mr. and Mrs. George Taylor, of State College, spent Easter with their son, Ed, and family.

WADDLE.

We are very sorry to note that the angel of death visited the home of Amon Dean's and claimed the much beloved mother. Two of Waddle's highly esteemed young men, Charles Packer and Lester Horner, have left their boarding place, Mrs. Wm. Curry's, and have gone to Clarence Poorman's. Little Miss Helen Klinefelter is on the sick list. Miss Beulah Klinefelter was called home on account of her sister Helen's sickness. Quite a number of folk from Scottdale attended the meeting at Paradise. Harry and Wilson Sellers spent Easter with their mother, Mrs. P. A. Sellers. Charles Packer has been seen quite often traveling up the railroad. Wonder what the attraction is? Is it the first or second house? Those who spent Easter at Mrs. Houtz were, Mrs. Arthur Harrington, Miss Lottie Parsons, of Julian, Charles Packer, of this place, and H. W. and John Houtz, of Bellwood; all reported a fine time. Miss Rebecca Hassinger spent Easter at her home at Benore.

YARNELL.

Nancy Kelley was a guest of Samantha Pownell, Saturday and Sunday. Maud Miller departed to Bigler last Friday where she expects to remain an indefinite length of time. Malcolm Poorman, of Altoona, spent a few days the latter part of the week with his father, Fleming Poorman. The Christian Endeavor society at this place will have a chicken and waffle supper at the home of Alfred Shank, on Saturday evening, April 5th. Ice cream, cake and candy will be for sale. A cordial invitation is extended to all. The proceeds will be for the benefit of the pledge of this society.

TYLERSVILLE.

The new bell was put on the St. John's Reformed church last Saturday, March 22nd. Dedication services were held on Sunday forenoon. Rev. Wetzel, the former minister, preached the sermon. Samuel Kunkle's sale was well attended last Saturday. Bright Mechtly who had been working at New York, returned home. Perry Carl and George Stevenson, some of the students of Bucknell University, spent a few days visiting the former's parents, Mr. and Mrs. W. H. Carlis. Mrs. Hosterman, of Johnstown, is visiting her parents, P. T. Shrocken-gast's. Mrs. P. P. Greninger is on the sick list.

EACH DEER KILLED COST \$35.

Everyone Shot by Hunters Means So Much From Treasury. The game to the state of each deer killed by hunters is \$35, and this is the argument used by the advocates of the hunters' license bill, which provides that a license fee of \$1 must be paid for a permit to hunt. Though handicapped by lack of funds the state game commission is making strenuous effort to provide sport royal for the 230,000 sportsmen in the state. The commission has already established five game preserves. These are located on the forest preserves of the state in Perry, Franklin, Westmoreland, Clinton and Clearfield counties, and each game preserve is nine miles in circumference, surrounded by a single wire fence. Hunters are forbidden to shoot game in these preserves at any time of the year, or to even carry a gun on the preserves. The game commission, through the efforts of Senator Penrose, last year obtained from Yellowstone Park 50 head of elk, 25 of which were placed in the Clinton county preserve and 25 in the Clearfield county preserve. Not long ago 57 deer were obtained in Michigan were placed in the Perry and Westmoreland county preserves. The record of the game commission shows that last fall \$19 buck deer were killed and 67 doe deer. There is a law against killing the latter. Bears to the number of 135 were killed in the state, Pennsylvania is said to rank high among the states in the number of deer-killed within its boundaries.

Bargain Day in Coffins.

Farmers for miles around drove to Boyertown, Pa., to attend the oddest and most gawdiesale ever held, when they secured at bargain prices a lot of heavy rolled steel burial caskets, some of which had been used for the transportation of corpses across the sea. They sold in lots from five to fifteen and brought from 19 to 35 cents each. The Boyertown Burial Casket company purchased the caskets 15 years ago, but they were too cumbersome for use, and the entire lot was dumped on the land of Mahlon F. Cleaver, section of the Union cemetery. He used some of them in building a grain storage house. The caskets will be used by the farmers who bought them for water spouting and shed roofing.

WHISKEY EXPLODES.

In Fire Which Endangered Hotel Guests' Lives at Northumberland. Fire did damage to the extent of \$1,000 to the Merchants' hotel at Northumberland, last week. James O'Mera is the proprietor of the hotel and has 16 railroad men as his boarders. The fire originated from a defective electric wire in the cellar. The wires set fire to a frame partition between the furnace and an apartment set aside for the storage of whiskey and wines. When the frame partition caught fire, sparks set fire to the excelsior in a number of crates in which bottled whiskey was stored. An explosion occurred and spread the flames to the wine cellar, three barrels of whiskey in this cellar exploded and smothered the flames. The smoke from the smouldering embers filled the hotel, overcomng the wife of the proprietor and a number of his boarders. When a man gets hot and "explodes" it is a safe guess what is in him. Try This Home-Made Cough Remedy

Costs Little, But Does the Work Quickly, or Money Refunded.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents worth) in a pint bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours. You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. Usually ends a deep seated cough inside of 24 hours. Splendid, too, for whooping cough, croup, chest pains, bronchitis and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough. This recipe makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasantly. Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in gualaol and all the natural pine elements which are so healing to the membranes. Other preparations will not work in this formula. This plan of making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful formula has never been equalled. A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
