

HIGH SCHOOL INSTRUCTORS.

Annual Gathering at State College-Inter-Scholastic Meet.

The fourth annual conference of high school principals was held at State College Friday afternoon and evening, May 2nd, and over sixty representatives from the different parts of the state were in attendance.

Among the principal events of the day was the luncheon served by the Domestic Science department in the Woman's building. The Review of the regiment of College Cadets on Beaver Field, and the dinner at President Sparks in the evening.

The conference was under the direction of Dr. S. E. Weber, professor of education, and was informal. Many interesting subjects were discussed. The interscholastic meet was held on Beaver Field at 1:30 and was the most successful track meet ever held at the college. It was attended by over 2000 visitors.

The schools were graded into two classes, A and B. In the first were Bellefonte academy, Indiana normal, Mercersburg academy and Kliski prep. In the second were the following high schools: Beaver Falls, Bellefonte, Harrisburg, Lock Haven, Milton, Mount Carmel, Philipsburg, Sewickley, Plymouth and Johnstown.

In the academy class Indiana State normal won with a margin of three points over Mercersburg. In the high school class Harrisburg won by a margin of 25 points. Besides medals as prizes J. G. White, Penn State '32, gave a handsome silver cup to the best school winning in the meet. The cup went to Harrisburg.

Penn State gave three scholarships as prizes, one for the high school securing the highest number of points, which Harrisburg won; another for the academy securing the highest number of points, which Indiana won, and a third for the individual scoring the highest number of points, which went to McMaisters of Sewickley High school.

Robinson, of Mercersburg, who ran the 100 and 220-yard dashes in 9 3-5 and 20 4-5 seconds, respectively, and McMaisters of Sewickley, High, who pole vaulted 14 feet and won the highest number of individual points. Harrisburg High won the mile relay and carried home the flag with her other trophies.

THE GETTYSBURG REUNION.

The acts just passed by the general assembly of Pennsylvania, regarding the great Gettysburg Reunion celebration at Gettysburg, Pennsylvania, July 1-4 next, were immediately approved by Governor Tener, and the one appropriating \$150,000 for the Pennsylvania commission to provide free transportation to Gettysburg and return makes following provisions: (a) classes of soldiers, sailors and Marines of the Civil War eligible to such transportation, provided the war record of each applicant is first proven to be correct by the Pennsylvania commission;

(b) all honorably discharged soldiers who enlisted from this commonwealth and served in a Pennsylvania Regiment, or any unit of Pennsylvania volunteers, at any period during the Civil War, including commands of the Pennsylvania volunteer militia (emergency regiments) and independent companies, batteries and troops, who are now living in Pennsylvania as citizens of this commonwealth;

(c) any of the above who are now living in other states, but Pennsylvania provides these free transportation to Gettysburg and return only from the Railroad station on the border of Pennsylvania which is nearest to their present residence; also (d) Class C. To any soldier either Union or Confederate, borne upon the rolls of any other state as a Civil War veteran, but now living within Pennsylvania as a citizen of this commonwealth, such transportation may be issued; likewise (e) Class D. To United States regular soldiers of the Civil War, now living within Pennsylvania as citizens of this commonwealth; and in addition (f) Class E. To United States sailors and marines, veterans of the Civil War, now living in Pennsylvania as citizens of the commonwealth.

All applications therefore must be made before June 1st, and the earlier the better, to the Pennsylvania Gettysburg commission at the capitol, Harrisburg, and upon application blanks now procurable from said commission, wherein must be stated explicitly the war record, etc., of each applicant, who must, in applying for such application blank, state what class he comes under.

Killed by Street Car. James Heberling, aged 47 years, a locomotive engineer on the Delaware & Lackawanna railroad, was struck and fatally hurt by a trolley car on the Sunbury and Selinsgrove line as he was walking on the track from his home on a street near the roundhouse Wednesday morning last week. The man was placed on the trolley car and was started to the Mary Packer hospital at Sunbury. He died before the car got outside of the borough of Northumberland.

As the trolley was backed up to the door of an undertaking establishment Miss Irene Heberling, the dead engineer's daughter, came from a tailor shop adjoining where she is employed, and asked who had been hurt. When she saw that the body was that of her father she fell in a faint and was unconscious for half an hour.

Dining Car License Refused. The legislature has vetoed down the bill providing for licensing dining cars to sell liquor in this state. Dining cars formerly sold strong drinks, but discontinued it about a year ago at the request of the anti-liquor league. They were anxious to resume the sale of liquors but wanted to be certain of a legal right so the legislature was asked for a law for that purpose. It has been refused. A railroad member said it came with very bad grace for the railroad companies to forbid their employees to take a drink of strong beverages and then ask for the privilege of selling the spirits.

Sees Circus as Home Burn. Williamsport Boy Carnegie Hero. Sheldon V. Clarke, of Williamsport, son of Major Clarke, city editor of the Gazette and Bulletin, was granted a bronze medal and \$2,000 as needed for educational purposes by the Carnegie Hero commission. Clarke, seventeen years old, a student in the Williamsport High school, was drowned at Williamsport, June 3, 1912. Duke became distressed in the West Branch of the Susquehanna river when 225 feet from the bank, where the water was between two and seven feet deep. Clarke, a stranger to him, immediately dived from the base of a bridge pier, swam 100 feet and then put his arm under him. He supported Duke and drifted with the current until they were picked up by men in a boat. The boys were nearly exhausted.

Fire Destroys Mountain Timber. Mountain fires covering a large area on the Black Log and Licking Creek mountains opposite Bixler's Gap in the Lewistown Narrows, are said to be now threatening vast tracts of matured timber on State Reservations. The flames have been raging for several days in that barren waste that comprises the Narrows but, driven by brisk west winds during the past twenty-four hours it has burned over thousands of acres and is now in close proximity to marketable timber.

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acts directly upon the blood and mucous surfaces of the system, thereby destroying the cause of the disease, and giving the patient strength by building up the constitution and assisting nature in its work. The remedy contains no such faith in its curative powers that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address P. J. CENEY & Co., Toledo, O. Hall's Family Pills for constipation. The Down measure, prohibiting the marriage of white persons with persons having one-eighth or more negro blood was taken off the calendar of the House Wednesday night of last week on a point of order raised by Representative S. B. Scott, of Philadelphia, who said it was unconstitutional. The bill was withdrawn really as the result of an earnest speech by Representative Bass, the negro member from Philadelphia.

Martin, Dauphin, asked the sponsor of the measure who was to decide if an applicant for marriage possessed one-eighth negro blood, and Down replied that the minister or magistrate who performed the ceremony was to ascertain this.

It was then that Mr. Bass made his speech. "The Anglo-Saxon race," he said, "has always maintained its individuality and do not need to apply the provisions of this bill to crush an already crushed people. I believe there is no disposition to reverse the verdict of the centuries and I believe there is a sentiment of fair play and justice among us."

Bogus Half Dollar in Circulation. The police departments of all towns in central and northwest Pennsylvania have been notified to be on the lookout for a gang of counterfeiters on their agents who recently flooded Sunbury and other parts of the State with bogus half dollars and then left the town for Williamsport. They are being trailed by United States officers who have been following them for several days. It is not known whether the coin agents stopped in Williamsport, although they bought tickets for that city when they departed from Sunbury.

The bogus coins are imitations of the 1908 series of half dollars. They show an imperfection on the eagle side where two stars are run together. They are five grains heavier than the authorized U. S. coin.

That the money passers are members of a band that have been placing a great number of bad coins throughout the east, is believed certain by the government agents who have been finding traces of the work in a number of other places. They followed the trio from Harrisburg where a number of the pieces had been passed.
