All Over Face. Festered, Came to Head. Caused Disfigurement. Used Cuticura Soap and Cuticura Ointment. Completely Cured.

R. F. D. No. 3, Newark, Del .- "At thouge of eighteen, pimples came on my face. They were scattered all over my face and festered

and came to a head. They caused disfigurement and were so bad that friends asked me 3 if I had small pox. I was ashamed to go out unless I wore a veil. I used every kind of salve people would tell me about but they failed to cure me. I saw in the paper about Cuticura Soap and Ointment

and began using them. I washed with the Cuticura Soap three times a day and used the Cuticura Ointment on going to bed, and in one month there was not a pimple on my face. I was completely cured and can highly recommend the Cuticura Soap and Ointment to everyone suffering from any skin disease. I also have used Cuticura Soap on both my little girls ever since their birth, and they never had a pimple or rash of any kind." (Signed) Mrs. Joseph Wilson, Mar. 9, 1912.

For red, rough, chapped and bleeding hands, itching, burning palms, shapeless nails and painful finger-ends, a one-night Cuticura treatment works wonders. Soak Soap. Dry, anoint with Cuticura Ointment, and wear old, loose gloves during the night. Sold throughout the world. Liberal sample of each mailed free, with 32-p. book on the skin and scalp. Address post-card "Cuticura, Dept. T. Boston."

\*\* Tender-faced men should use Cuticura Soap Shaving Stick, 25c. Sample free.
