The police are working on the case and it is likely on arrest will soon follow. -For some time past W. H. Gar-

man of this place has been manufacout a rival for ingrown toe nails. The merits of the preparation have tracted the attention of several business men in Bellefonte, with the result that they have made negotiations with Mr. Garman to organize a company that will take hold of "Nogroin" and manufacture it upon a large scale This will afford the remedy a wide sale and no doubt prove a remunerative undertaking. "Billy" claims to have worked a score of years bringing his preparation up to its present high standard and there is nothing like it on the market today. One of the best features of "Nogroin' is the fact of its being absolutely harmless. A bottle of it could be drank drank of its being absolutely harm-less. A bottle of it could be drank with no ill effects whatever. It has never yet failed to effect a cure, and may some day make its discoverer a rich man.
