**IN TORTURE WITH TERRIBLE ERUPTION**  
Horribly Itching Pimples. Scratched Till Bled. Thoroughly Miserable. Used Cuticura Soap and Ointment. Trouble Disappeared.

Watkins Park, Edgewater-on-the-Hudson, N. J. — "About two years ago I had a terrible breaking out of horribly itching pimples all over the stomach and upper part of my legs. I was in torture and scratched till I bled and could only sleep fitfully at night and was so glad to see the day dawn. I was feverish and thoroughly miserable. The reddish pimples had got a head on them like smallpox corpuscles. I rubbed them with a rough cloth, they itched so. They blenched together and made sores about the size of a nickel and scabbed over. My clothing irritated the sores so that I put a damp handkerchief next to them. Some said it was the itch and others the blives. "I took several treatments but got no relief. I was suffering for over six weeks when I began with the Cuticura Soap and Ointment. I washed myself with Cuticura Soap and hot water every night and when I had dried myself I rubbed the Cuticura Ointment thoroughly in and to my astonishment by the end of a week the whole trouble had disappeared and the old skin brushed off. I have not had a sign of a spot on my body since." (Signed) C. W. Charles, Nov. 9, 1912.  
Cuticura Soap 25c. and Cuticura Ointment 50c. are sold everywhere. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."
