AGED MAN VICTIM OF MURDEROUS ASSAULT

JOHN ROUSH HELD UP NEAR MILLHEIM.

HAD MONEY AND WATCH STOLEN

Was on His Way to Grange Picnic on Tuesday Forenoon When the Robbery Occurred—Beaten Into Insensibility.

John Roush, a retired farmer who resides at Madisonburg, was the victim of a dastardly assault and robbery while traveling on foot from his home to Millheim through the Brush valley narrows on Tuesday forenoon about 11 o'clock. The crime was committed by three men, whose appearance point very strongly to their being foreigners, and their treatment of the aged man was brutal to the extreme. After beating and kicking him into insensibility, they secured his watch and what money they could find on his person, and left him lying in the middle of the road. They then fled and up to this writing have been sought for in vain by Sheriff Lee and the three members of the State constabulary who are stationed in Bellefonte.

It is said that Mr. Roush was on his way to the Grange picnic at the time of the hold-up. He had planned to make the journey from Madisonburg to Coburn in company with another man who owned an automobile, but for some reason he missed the car, and started to walk to Millheim, a distance of about five miles. He had traversed about four-fifths of the way, to within a mile of Millheim, when he met the man who asked him the time of day. Mr. Roush very obligingly drew his watch from his pocket to accommodate the stranger, when the latter made a grab for it. As he did so, Mr. Roush caught hold of the man and they clinched, falling in the road. At this point, it is said that two companions of the robber came upon the scene and they jumped upon the prostrate victim and beat and kicked him unmercifully. Leaving the aged man lying unconscious in the road, the three men made their way presumably along the road in the direction from which Mr. Roush had come.

After regaining his senses Mr. Roush painfully made his way to the toll-gate nearby and gave the alarm. He was so badly beaten about the face and head that he could scarcely talk, and his features were hardly recognizable. Dr. Frank, of Millheim, happened along shortly after the assault occurred and took Mr. Roush to Millheim where his injuries were attended by Dr. Smith. The aged victim was later removed to his home in Madisonburg, and is said to be suffering considerably from the numerous bruises he received.

The amount secured by the robbers was a little more than six dollars in addition to Mr. Roush's gold watch. A fortunate part of the occurrence was the fact that the men overlooked \$50 that Mr. Roush had secreted in an inside pocket of his vest. They were evidently frightened at what they had done and left the scene without making a thorough search of their victim's clothes.

As soon as word was received in Bellefonte of what had occurred, Sheriff Lee and the three members of the State Police started for the scene, and have since been scouring that end of the county for the desperadoes. Where the men came from is not known, but they were seen passing through Millheim about an hour before the hold-up took place.

Mr. Roush is a well known and respected citizen about 55 years of age, and is probably about 55 years of age. The crime has aroused the indignation of the residents of that section of the county, and it may prove a serious matter to the highwaymen if they are caught by any others than the authorities.

Later:—One of the men implicated in the hold-up and assault upon Mr. Roush was captured near Loganton on Wednesday afternoon and brought to Bellefonte jail by State Policeman Burke. The man is thought to be a Polandner and his appearance indicates that he is not over thirty years of age. It is thought that the capture of the other two will follow in a short time.

MEETING OF VETERAN CLUB.

The thirty-ninth annual reunion of the Centre County Veteran Club was held on Tuesday at Grange Park, Centre Hall, and it proved a delightful outing for the old soldiers and their friends. After arriving at the park in the morning the meeting was organized in the auditorium and committees appointed. The address of welcome was made by Hon. Leonard Rhone, followed by a response on behalf of the Club by D. F. Fortney, Esq. The one regrettable feature of this year's gathering was the absence of the president and first vice president of the Club, Gen. Jas. A. Beaver and Comrade W. H. Fry, respectively, both of whom were kept away by reason of illness. In the absence of the above named gentlemen, ex-Sheriff W. A. Ishler, the second vice president, presided. Upon calling the afternoon meeting to order the committee reported their selection of all the old officers to serve the next year. They are: President—General Beaver; 1st Vice President—W. H. Fry; 2nd Vice President—W. A. Ishler; Secretary—W. H. Musser; Treasurer—George M. Boal.

The orator of the day was Rev. Ezra Yocum, of Bellefonte, who made the splendid address appropriate to the occasion. Others who gave interesting talks were S. M. Spangler, of Kansas, a member of the 14th, who is making an extended visit to Centre county; Squire Musser, of Bellefonte; Miss Hall, of Wyoming, who made a play for woman suffrage, and others. The day was enlivened by music furnished by two good organizations—the Bellefonte bugle corp and the Coburn brass band. The committee of arrangements announced that the place of meeting next year would be Bellefonte.

LOCK HAVEN HAS SENSATION.

Two Prominent People Disappear on Same Day.

The prolonged absence of Mrs. Galien Stevenson, a pretty twenty-four-year-old mother, and James G. McCloskey, a prominent business man, married and with a family of two children, from their homes in Lock Haven is said to be causing much comment in that city. Mrs. Stevenson is the mother of one child. She lived with her husband on the farm owned by the latter's father, W. H. Stevenson, ex-mayor of Lock Haven, situated along the trolley line that runs to the Clinton Country club house. Her husband is a nephew of George Kramer, present mayor of the city. McCloskey has been engaged in the music business here for a number of years and was well known. His two children are aged seven and three years. His wife is a former Mill Hill girl. The husband of Mrs. Stevenson has charge of the dairy on his father's farm. When he left the county place on Saturday morning, Mrs. Stevenson also left home with his wife told him that she intended to accompany an aunt to Williamsport that morning to consult a physician. That was the last he heard of her with the exception of the letter that came to her father, Bruce Farwell, from Harrisburg recently in which the woman said that she was with the man she loved and would not return.

McCloskey also left home on Saturday morning in an automobile en route, he told his wife, for Jersey Shore to make several collections of money. It has been learned that he went to Williamsport in the machine and left it in a Williamsport garage.

JOHN REED'S NARROW ESCAPE.

While at Work in Stone Quarry on Saturday Morning.

Caught on a ledge of rock at which he was at work in the stone quarry of the American Lime & Stone Co., along the pike near Bellefonte on Saturday, John Reed, son of William Reed, of this place, made a narrow escape from instant death when a large quantity of rock fell from above him, almost burying him from sight. Reed, who has been working at this quarry for some time past, was operating what is known as a "pop drill," and had climbed to a ledge of rock when the drill to prepare a hole for blasting. Suddenly the embankment of rock began sliding toward him, and in endeavoring to escape its path his feet became entangled in the air hose and he fell on his back. His position was such that many of the rocks shot out over him, or he would have been completely crushed and buried beneath the many tons that fell. When found he was unconscious, with a large stone lying across his chest, and several resting upon his legs. Reed was quickly rescued by fellow-workmen, who had hastened to the scene of the slide, expecting to find him crushed to death. Although considerably bruised about the legs and chest he was able to walk to his home, where a physician treated his injuries. Reed as well as the other employees of the quarry regard his escape from a horrible death as nothing short of Providential.

UNION COUNTY FAIR.

The 60th annual fair to be held at Brook Park, Lewisburg, Pa., Sept. 23-24-25 and 26 will be a perfect success in every particular if the weather is favorable. The officers have greatly increased their premiums since they get an appropriation from the State, the track is in splendid condition and some fast horses are training there now that will contest for class purses and county honors. About 60 new stalls have been built which are modern and up-to-date in every respect.

There has been an addition put to the fair building 36x50 feet in which will be found long tables covered with almost everything that grows on a farm, or is canned, baked, preserved, pickled or stitched by farmers wives. The attractions of an entertainment will be the best ever presented to the public, too exciting to think about, too attractive to be resisted.

A Great Play Coming.

It is doubtful if any visitor to New York or Chicago last season failed to see the production of "Fine Feathers" which ran in those cities at the time. The attendance at this wonderful play was record breaking, and thus it happens that there is scarcely a town in America that does not contain several people who have already seen this production. That is why so much interest is being displayed here in the coming appearance of "Fine Feathers" at the Opera House, Monday, September 29th.

RESULT OF TUESDAY'S PRIMARY ELECTION

How the Voters of Centre County Expressed Their Preference at the Polls.

W. D. ZERBY WINS FOR STATE COMMITTEEMAN

Nine Candidates for Tax Collector Make Things Lively in Bellefonte Borough—Brown Wins Over Republican Opponents, While Johnson is Chosen as Democratic Nominee.

The primary election held Tuesday passed off very quietly in town and county with no disturbance of any kind to mar the serenity of the occasion. There was a very light vote polled owing possibly to the fact that the farmers are busily engaged at this time of year and also that many, not understanding the new primary law, failed to register and were thus deprived of a vote.

In the county the greatest interest seemed to center in the fight for Democratic State Committeeman between W. D. Zerby of Bellefonte, and William F. Smith, of Millheim. The fight was hotly contested on both sides and Zerby was elected by a decisive majority over his opponent Mr. Smith.

In the town the contest was between the Democratic party in Centre county which is in sympathy with the Democratic leadership in the state.

For Jury Commissioner J. Adam Hasel, of Axemann, is nominated over his opponent Russell Stamm of Marion Twp. by a large majority.

On the Republican side J. Linn Harris was elected State Committeeman without opposition and John D. Decker was the unanimous choice of his party for Jury Commissioner.

The Washington party have taken a decided slump from last year and are now the third party. Herbert H. Ashman, of Phillipsburg, is their State Committeeman with Geo. T. Bush of Bellefonte, for Jury Commissioner.

In Bellefonte the only big fight was on tax collector with nine seeking this position of trust. William H. Brown, former Recorder of the county, won the Republican nomination by a slight margin, while the present incumbent J. Kennedy Johnson had a walk over for the Democratic nomination. G. Willard Hall heads the Washington party ticket.

Below we give the vote by wards in Bellefonte borough, also vote in county on State Committeeman and Jury Commissioner.

THE 28th ANNUAL CONVENTION.

Of the Women's Christian Temperance Union of Centre County.

The 28th annual convention of the Women's Christian Temperance Union of Centre county, Pa., was held in Petrkin Hall, Bellefonte, on Thursday and Friday of last week. A number of delegates were present reporting good work done during the year. Especially interesting was the report of the campaign against the saloons in Phillipsburg where the names of all petitioners for liquor licenses were published. Great temperance sentiment was aroused, resulting in a considerable increase in W. C. T. U. membership.

Thursday evening's session was of special interest from the fact of the presence of the ministers and others not members who entered into an earnest discussion of methods for the betterment of present direful conditions. Forcible and helpful talks were given by Drs. Schmidt, Hayes and Yocum and Prof. J. R. Hughes.

Mrs. S. C. Wilson, state organizer, of Clearfield, Pa., spoke a number of times during the convention urging immediate and definite action along the lines now being followed in Clearfield county with marked success. In that county they have federated all the christian forces of the various denominations into a "Temperance Workers' League" which is canvassing the county, having first divided it into fifty districts for a no-license judge and for a dry county. The convention heartily endorsed her views and recommended such action being taken in this county. It is hoped and expected that a similar league will soon be established in Bellefonte.

At Friday morning's session the election of officers took place, resulting in all the old officers being re-elected. Life membership was bestowed upon the faithful and beloved president and vice-president, Mrs. A. M. Clew of Phillipsburg, and Mrs. John P. Harris, of Bellefonte. An excellent luncheon was served at noon Friday in the apartments of Dr. Edith Schad to all, including the ministers and their wives, which was greatly enjoyed.

The convention adjourned Friday at 4 p. m. to meet next year in Phillipsburg.

Sincere thanks were extended to all the editors of those newspapers who generously give their valuable space for W. C. T. U. contributions and other articles arousing temperance sentiment.

HEAR DAMAGE CASES.

The viewers appointed by the court from among the County Board of Viewers to view and assess damages occasioned by the taking of land for railroad purposes, and to make report at the September term of court, held several interesting meetings in the grand jury room at the court house, Monday, Tuesday and Wednesday.

Timony for and against the petitioners in the following cases: Petition of Pennsylvania Railroad for viewers to assess damages sustained by Robert Cooke, of Howard township.

Petition of Pennsylvania Railroad for viewers to assess damages sustained by the farms of Geo. A. Confer and John F. Confer, of Howard township.

Petition of Pennsylvania Railroad for viewers to assess damages sustained by Burdine Butler to his farm in Howard township.

The above cases grow out of the building of the new track for freight purposes by the Pennsylvania Railroad in the vicinity of Howard and Mount Eagle. Much interest is being manifested in their outcome.

In addition to the above cases there was the Petition of the Forge Run Railroad Company for viewers to view and assess damages occasioned by the taking of land of the Estate of H. E. Prentiss, deceased, at railroad purposes in Rush township.

In the case of Robert Cook and the Herring, John J. Bower and John A. Way. In the Butler case the viewers were Henry Wetzel, Horace Herring and Toner Lucas and in the Prentiss suit Ward Fleming, John A. Way and Toner Lucas.

These viewers will fix the damages to the different properties and if not satisfactory the owners of the land have the right of appeal.

COLLEGE MAN SPANKS FATHER.

Elijah H. Hanley, president of Franklin College, Indiana, a Baptist minister of national prominence and formerly pastor to John D. Rockefeller, has created a sensation by admitting in a signed statement that he administered a spanking rebuke to his father recently for having ill-treated his mother. The paternal parents, Calvin Hanley, who is 65 years of age, is seriously ill at his home near Terre Haute, as the result of the punishment administered by his son. Prof. Hanley excuses his course in the following statement:

"I owe everything to my mother. Many are the times when I was a boy my father would want me to leave school to help in the work of the farm and she has picked the apples or gathered a load of corn that I might not miss a day from school. I have seen her deprived of all reasonable privileges until she wished for death. I have offered again and again to take her to my own home, but she has felt under obligation to remain with my father until they shall be separated by death.

"Twenty-five years I have kept my hands off of father, but when I learned that he called her by an unseemly name and wished she were 'in hell' I could not stand it any longer.

"I switched him on the hips and when the switch broke I spanked him with my hands. He would not apologize at first but did so afterward. I don't think I hurt him seriously. I tried not to do so. I did not strike him with my fist nor did I use a club. I wanted to be severe enough to warn him for all future time but not violent enough to injure him."

—Squire Musser had the honor of officiating at a foreign wedding on Monday, the contracting parties being John M. Soltis and Mary M. Finchot, both of Clarence.

DIED WHILE ON VISIT TO CENTRE CO. FRIENDS

NOAH J. STOVER'S SUDDEN DEMISE LAST WEEK.

HAD PLANNED FAMILY REUNION

Deceased, a Resident of Kansas, Was Visiting Former Home When Summoned by Death—Nittany Valley Has Unusual Number of Deaths.

Perhaps not in many years have there been so many homes in Nittany valley visited by the Death Angel in a short space of time as has occurred during the last week. Since last Thursday when the late Noah J. Stover was stricken and died at the home of his sister Mrs. H. A. Kaufman near Zion, there have been five additional deaths occurred in the valley, all of whom, except the late Samuel Tweed, lived within a radius of one mile of the town of Nittany. The result has been many sorrowing homes in that vicinity and many bereaved friends.

Noah J. Stover.

The sudden death of Noah J. Stover, while on a visit to Centre county friends, last Thursday, was a great shock to his many acquaintances who were unaware that their former neighbor was so soon to pass from this life. Mr. Stover, whose home was in Baldwin City, Kansas, came to Centre county about six weeks ago to visit relatives and his place of birth. It was while at the home of Mr. and Mrs. H. A. Kaufman, near Zion, the latter of whom is his sister, that he was taken suddenly ill with acute indigestion. This occurred about 3 o'clock Thursday morning, and in spite of all available medical skill secured to afford his relief, Mr. Stover passed away two hours later. He had been as well as usual the evening before, and in the best of spirits had entered in the plan to hold a gathering of friends and neighbors at the Kaufman home the next day. His faithful wife, who was at his bedside when the end came, is nearly prostrated in her bereavement. Deceased was the son of the late Joseph and Mary Stover, and was born in spring township, about two miles from the place where his death occurred. As stated above, his wife, formerly Julia Gebhart, survives together with seven children, all of whom reside in Kansas. Mr. Stover was aged at the time of his death 56 years, 9 months and 27 days, and had been a resident of Kansas for the past twenty years. He leaves but one sister, Mrs. Amanda Kaufman, of Zion; two brothers, Isaac and Abraham, preceded him to the grave a few years ago. Brief funeral services were held at the home of Mrs. Stover on Wednesday.

Miss Mary Nolen.

Miss Mary Nolen, a daughter of Mr. and Mrs. James M. Nolen, of near Nittany, died in the Bellefonte hospital on Monday evening about 5 o'clock, aged about 28 years. The young lady had entered the hospital a week previous to be treated for gonorrhea. She submitted to an operation for removal of the growth, and succumbed from heart failure. Surviving are her parents and the following brothers and sisters: Guy, Glenn, Ray, John, Merrill, Ruth and Lenora. Deceased was a graduate of the Hubersburg High School, and had taught several terms of school at Huston. She was a young lady of splendid qualities and her demise will be mourned by a large circle of friends. Funeral services will be held this (Thursday) morning, interment to be made at Cedar Hill.

Samuel Tweed.

Samuel Tweed, a respected and well known citizen of near Huston, died at his home on Friday morning after a short illness with pleuro-pneumonia. He was aged about 55 years, and had been a resident of Nittany valley for a great many years. He is survived by his wife, nee Isabella Harris, and three children: Jennie, wife of William Meyer, of New York; William, of New York, and Margaret at home. Funeral services were conducted on Monday morning and interment made at Cedar Hill.

Death of Twin Babies.

The home of Mr. and Mrs. George Lockard, at Nittany, was visited by the Death Angel on Friday afternoon last, who took hence the spirits of their beloved twin children, aged 4 months. The parents are grieved and stricken over their loss, and have the sympathy of the community in this hour of trial. Interment was made on Saturday, both bodies being laid to rest in one grave.

Death of a Child.

The eighteen-months-old son of Mr. and Mrs. Harry Tressler died at the parents' home near Nittany on Friday night, following a brief illness with cholera infantum. There are three surviving children. Interment was made on Tuesday morning.

—T. F. Royer, of Spring Mills, was in Bellefonte on Tuesday with a basket of the finest peaches that have been shown in this place this season. Mr. Royer informs us that he will have a carload of these large-sized peaches in Bellefonte on Monday and Tuesday of next week, and will retail them at 25¢ per bushel.

Lloyd Lucas, of Howard, was admitted to the Lock Haven hospital on Monday for surgical treatment.

—International Opera Company opens Star Course this year. Five numbers, \$1.

—Mrs. Sarah Shook returned to her home in this place on Saturday after a pleasant visit with her son, Prof. James Shook, at Pottstown; her sister, Mrs. Markle, in Lewistown, and her daughter, Mrs. L. R. Poorman, at Huntingdon.
