—Next Thursday, Uncle Tom's Cabin Company, exhibiting the largest and grandest Uncle Tom's Cabin show in existence, will be the attraction at Garman's opera house. This company carries 50 people, dogs, ponies, two bands, music, floats and a miniature circus parade. Prices 25, 35 and 50 cents.

—Opening of the opera house, Thursday, Sept. 25th. Wait for it. Stetson's famous Uncle Tom's Cabin company, the greatest of them all. Secure your seats at Parrish's. Out-of-town people telephone your seats for reserved to Parrish's drug store. Auto busses on the Milesburg and State College lines make connection both ways.

—James W. Derr, who has been spending his summer vacation at his home in this place, departed on Wednesday morning for Altoona, Pa., to resume his duties as physical instructor in the State School for the Blind. This will be Mr. Derr's third term as instructor in that institution, and each succeeding year finds his department in a higher state of efficiency, for which he is justly commended by the head of the faculty.

—The friends in this place of Charles Donachy, son of Mr. and Mrs. S. A. Donachy, will be glad to learn of another deserved promotion which has come to him as a trusted employee of the Bell Telephone Company. The change in position also carries with it an advance in salary, another evidence that Charles's efforts to render good service to his employers are appreciated. His new position will make it necessary for him to reside in Williamsport in this county. The change will be between the age of 18 and 45 years, and must file their application prior to the hour of closing business on September 23rd.

—Charles Miller, who has been spending the summer with his father, John Miller, at Waterloo, Pa., is returning to Bellefonte last week and was a guest of his uncle, James H. Potter and family, up until Tuesday of this week, when he resumed his work as a student at State College.

—Captain and Mrs. S. Bowle, of the local Salvation Army Corp., are receiving the congratulations of their friends over the birth of a fine boy who arrived at their home on High street, Monday night. As this is their first boy, there is ample justification for the joy now prevailing that house hold.

—Many an automobile has run dry between Tyrone, State College and Bellefonte, and at a big expense the cars were able to get to their destination. In this case, the live merchant at the earnest solicitation of many autoists has established a gasoline tank at his establishment at Stormstown. This little bit of news will be received with much appreciation by the local automobile drivers.

—Lock Haven Express: A party of 14 motor cyclists from this city passed through the town at 8 o'clock on Monday morning, en route to the home of Ralph Myers' sporting goods store, on Sunday morning and were snapped by H. No mishaps of any nature occurred enroute.

—Calvin Smith, eldest son of Register J. Frank Smith, left Tuesday afternoon for Lewisburg where he will enroll as a freshman at Bucknell College. In a recent contest participated in by several members of the college from all over the country, Calvin was one of twenty to win a scholarship. While this scholarship does not pay the entire expense of his education, yet it helps some, and he deserves great credit for winning a prize which so many contestants took part. He is a fine young man and we feel sure will profit by this opportunity to get an education.

—On Tuesday Rev. C. W. Winey, pastor of the local United Brethren church, and Darius Waite, who is the representative delegate from this charge, left for Greensburg, Penna., to attend the sessions of Allegheny conference which opened in that city yesterday. There is just enough uncertainty regarding Rev. Winey's return to this place as pastor for the next conference year, to cause a feeling of regret among the members of his congregation and his friends in the various other denominations in Bellefonte. He has served the local church faithfully and well during the past four years of his pastorate here, and although his departure would mean regret to himself and congregation, his future advancement must also be considered. We have knowledge that a very flattering offer was tendered Rev. Winey recently from a large church in Dayton, Ohio, which is an indication that his successful labors in this place are being watched by others. Mr. Winey, however, refused the Dayton call, as he does not wish to leave the Allegheny conference. His absence from Bellefonte during the conference will extend over next Sunday, in which case there will be no services in the church other than Sunday school and Christian Endeavor.

—Robert Bloom, George Johnson, Walter Harpster and Charles Saxton are in the town for all engagements and are ready to furnish entertainment at any time or for any occasion.

Leaving Centre county the latter part of August, Mr. and Mrs. Brungart spent a week in Westmoreland county, and a week in Columbus, O., where they took in the great State Fair. From there they went to Bellevue and Dunkirk and met many old-time friends, some of whom were their former neighbors. On their return Mr. Brungart and wife stopped with friends in Pitcairn and Belwood and still had in view the Grange Picnic before starting for Rebersburg.

When a young man Mr. Morgan came to Centre county, where he has lived ever since and most of this time residing in Philadelphia. He was quite prominent as a contractor and builder in this county, and was one of the State College buildings some years ago which demonstrated his ability in this connection, with his home people St. Paul's Episcopal church, Philadelphia, just recently completed, and many other fine structures. He was a man of high character and of the highest integrity. He was married to Miss Clara Jane Faulkner, a daughter of the late William Allen Faulkner, deceased, who survives, together with one son, Raymond Morgan, and one sister, Mrs. A. M. He had been in failing health since March 1912, when he retired from active service in the company's employ. Death was due to a complication of diseases. The deceased was a son of the late Samuel and Anna Bing and was born at Coatesville, November 4, 1864. When a boy he moved to Bellefonte, where he spent his early years. In September he entered the Pennsylvania railroad service as a brakeman. In September, 1885, after coming back from the war, he was employed as a fireman. In March, 1892, he entered the employ of a machine shop at Bellefonte as a machinist. In 1888 was made master mechanic of Bellefonte and Snow Shoe division. In July, 1891 he was made an engineer on the Tyrone division, and in that capacity until retired the first day of March, 1912. Mr. Bing served with honor and distinction during the Civil war, and saw much active service while a member of Company B, 210 Pennsylvania. Funeral services were held at his home on Wednesday afternoon at 2:30 o'clock and were conducted by Rev. H. W. Bieber, pastor of the Presbyterian church. Interment at Fairview cemetery, Tyrone.

—SHIELDS.—Called from this life just as he was entering upon the prime of manhood makes the death of Frederick Shields, which occurred at the Allegheny hospital in this city last afternoon, particularly sad and lamentable. The young man, whose home is in Columbus, moved with his parents to this city about eight years ago, having formerly resided at Milesburg and later in Bellefonte. He had been suffering from a tubercular ailment which resisted all human skill in effecting a cure. About two weeks ago, in company with his two brothers, Edward and Albert, he came to Bellefonte to make the trip from Columbus, Ohio to this place in an automobile. In his weakened condition the exertion seemed to have been too great for him, and he grew worse. He was admitted to the Bellefonte hospital Wednesday and gradually grew weaker, sinking into unconsciousness on Friday in which condition he remained until Sunday afternoon at 2:30 when death claimed him. The physicians diagnosed his ailment as tubercular meningitis. Frederick Shields was the son of Mr. and Mrs. Charles E. Shields, and was born at Milesburg, September 17, 1886; he was within three days of being 27 years of age. He is survived by his father and three brothers and sisters: Edward, Clair, Myrtle, Ruth, Mary, Albert and Dorothy, all of Columbus, Ohio. His mother preceded him to the grave about two years ago. Deceased was a consistent member of the Methodist church and president of the Epworth League. He held the position of court stenographer, and was held in the highest esteem by his employers and associates. On learning of his serious condition in the hospital, his sister, Miss Clair, arrived here Sunday and stayed with her until he passed away. The body was removed to the Wetler home in Milesburg where brief funeral services were conducted on Monday afternoon by Rev. Piper, who baptised the deceased twenty-five years ago. She is the daughter of Mr. and Mrs. Isaac Wyland, of this place, and has a large circle of admiring friends who join in extending their warmest wishes. The groom holds a responsible position with the Puett-Pearl Company, of Troy. Mr. Rowan will make Troy their future home.

Gramley presiding. Dr. Schmidt led in prayer. Miss Martha Robinson, state field worker, was present and read a communication from Supt. C. A. Oliver, stating that sixteen teacher-training classes have qualified—twelve short of the requirement for front line position. After some discussion as to how this deficiency might be made up, it was decided that each member of the Executive committee should see and urge reorganization of defunct classes and also organize new classes if possible. It is hoped that in this way Centre county will continue to be in the front line position. Pastors and Sunday School superintendents should be interested in this matter so that the required number of classes be organized and enrolled.

—Pres. Gramley recommended that each member of the Executive committee should urge and encourage attendance at the county convention held at Williamsport, Oct. 8, 9, and 10, 1913, and that persons desiring credentials to attend should write to Co. Sec'y, L. W. Nutall, Philadelphia, Pa., for same.

COUNCIL MEETING.

The regular semi-monthly session of the borough council was held on Monday evening at 7:30 in the public building on Howard street. President Keller was in the chair and the following members present: Seibert, Daggett, Beezer, Broeckerhoff, Walker and Sheffer.

The Luderbach-Barber Company, wholesale grocers, through their attorney, John J. Bower, stated that they desired to rent the portion of the Phoenix mill formerly occupied by the Yeager Mfg. Company, and asked what rent council would want for the property. Council's lease of the mill for a pumping station expires next February. Mr. Bower said they would rent the property with the understanding that if the bore did not release next February, Luderbach-Barber Company would not hold the bore, but would make other satisfactory arrangements with Col. Reynolds.

The street committee reported work done to various streets and alleys and the water committee reported repairs to various leaks. A large pipe will be required to supply the new water tower and enlarged Academy. The dam at the Phoenix mill has been cleaned and repaired. The work of laying the larger pipe to supply the residents of east Howard street is progressing nicely. In taking up the old pipe they discovered a big leak which was very materially reducing the supply of water in that section.

The finance committee stated that the Treasurer's report showed a balance in his hands of \$824.

The stand pipe for the reservoir has not been received yet, but Mr. Seibert reported it is on the way.

Under the head of old business the street committee reported that they had examined the bridge at the Glass Works and found one abutment in bad shape, but the other all right. They recommended a new concrete abutment at one end, and that the old pipe they discovered a big leak which was very materially reducing the supply of water in that section.

The new traffic ordinance which council authorized to be drawn up was submitted by Mr. Walker. It regulates the speed of autos, and has to do with vehicles of all descriptions. Among its provisions are that no person shall drive a car, under a penalty of fine and imprisonment. The speed limit for automobiles is a mile in 4 minutes or 15 miles an hour. Heavy solid tire cars used for drayage or motor traffic the speed limit is 12 miles an hour. Vehicles of all kinds must always keep to the right. The muffler cut out is prohibited in the borough limits. An officer can arrest any one violating any part of this ordinance without a warrant. All auto drivers must stop on signal of uplifted hand by an officer and must give name of owner of car, where from and names of passengers, under penalty of heavy fine for refusal.

The traffic ordinance after being referred to the Finance committee and Borough Solicitor Mitchell for some slight corrections and alterations.

The following notes were ordered renewed for six months at 5 per cent: \$2,500, due Sept. 18th; \$5,000 due Sept. 25th; \$1,200 due Sept. 28th; \$1,000 due Sept. 4th; \$700 due Sept. 4th. The following new notes were authorized to pay current interest and bonded indebtedness, to wit: \$500, both for six months at 5 per cent.

Y. M. C. A. STAR COURSE.

A splendid Line of Entertainments Has Been Secured.

The opening number in the Star Course will cost nearly as much as the whole course did last year. Some of the best singers and actors on the American platform will appear. The International Opera Company will give the opening number which will take place in the opera house. Telka Farm, formerly with Mrs. Schumann-Heink, will appear with the company, and also Burt McKenney, of the Star Opera Company, both of whom are stars.

A committee of ladies and gentlemen met last evening and perfected plans for their coming. On account of their wonderful singing and acting talents, the committee decided to have this number in the opera house, so that everyone may have the benefit of their beautiful voices. The stage will be handsomely decorated for the occasion.

The second number on the program will be Richard Pearson Holston, the hero of the Merrimack. A reception will be given him at 7 o'clock in the Y. M. C. A. Mr. Joseph Montgomery and a number of prominent people will have charge of this feature and the general public will be invited.

On account of the tremendous crowds that will want to see this hero the committee thought it advisable to admit the public by ticket.

There will be three other numbers on the program and the committee expect to give the people of Bellefonte the best course this year ever heard here, and trust every person will patronize it.

Automobile Accident at Bald Eagle.

An Altoona automobile party consisting of two ladies and a like number of gentlemen had an exciting experience near Bald Eagle about 3:30 o'clock Sunday afternoon when the left hind tire exploded causing the car to jump across a ditch into a neighboring field, finally landing on its left side. The party were going up Bald Eagle valley at a moderate gait when the accident happened. Had they been traveling anything but a sane gait they likely would have been killed or seriously injured. As it was they were thrown out, the ladies receiving a number of bruises and the entire party a general shaking up. Dr. Q. L. Lowrie, of Tyrone, hastened to the scene and rendered what professional attention was necessary. A garage at Tyrone took out a new wheel and drove the car into their garage on its own power. The wind shield and left rear door were destroyed. It was a five-passenger Ford.
