SUP. COURT JUDGES IN DOUBT

Gang Wins Out in Philadelphia and Elects the Entire Ticket-Oliver-Penrose Nominee Elected Mayor of Pittsburg-Other Returns.

Returns from larger cities last night indicated the defeat of the first constitutional amendment which would have opened the way to a bond issue of \$59,000,000 for roads. Defeat of the proposition by 100,000 is claimed, but as complete returns from all counties have not yet been made, the above figures may be reduced.

The election of John K. Henderson

and the possible election of John W. Kephart to superior court judgeships were forecasted by returns so far received at Harrisburg.

In Philadelphia the entire republi-can ticket was elected by a majority estimated by the machine leaders at from 25,000 to 40,000.

In Pittsburg Joseph G. Armstrong, former director of public works, was elected mayor by at least 2,000 votes. His election over Congressman Stephen G. Porter was conceded shortly after 10 o'clock Tuesday night by his opponents. The campaign leading up to the election was a bitter one. A score or more arrests for alleged fraudulent acts were made, including a number of prominent city and county officials who were said to have favored Mr. Porter.

William Sulzer, deposed governor, was elected assemblyman from the Sixth New York district. The vote was unexpectedly close, but both the demograt and republican leaders admitted his election. Sulzer ran as

a Progressive. New Jersey Endorses Wilson. Indications point to the election of James F. Fielder, democrat, as governor of New Jersey, by a plurality of about 15,000 over Edward Stokes, republican. Fielder's vote is running slightly below that received by Wood-

row Wilson, a year ago.

Massachusetts Democratic. The election of David I. Walsh, democratic candidate for governor of Massachusetts with an estimated plurality of 50,000 was generally con-
