Bright, Newsy Letters From the Various Sections of the County.

### MILESBERG.

Butchering seems to be the only enterprise worthy of note around here just now.

Many folks come and go who have been invited to attend the business end of these gatherings, while others have called on friends and relatives, simply to renew fond friendships or to visit the old folks at home.

Mrs. Orin Heaton spent a few days visiting her brother, Austin P. Watson and wife in Orviston last week. In the meantime her husband built a rat proof smoke house which will be a great convenience.

A. T. Boggs arrived home from their hunting camp Saturday evening feeling fine and reported that their party got a fine buck and a cart load of rabbits and pheasants.

Homer Noll, wife and daughter and brother, Clynton, of Tyrone, spent the week-end at the home of John Swartz.

Misses Kesia Calhoun, Florence Brower and Mamie Snook, of Unionville, spent Sunday with their esteemed friend, Mrs. H. K. Ash.

A. G. Noll, of Bellefonte, moved his family on Pike street where he is engaged in making and repairing shoes. This is something this town has needed for a long time.

Thomas Griffith, of Phillipsburg, and Miss Florence Lucas, of Runville, were week-end guests at the home of Mr. and Mrs. Martin Brower.

Wilbur Lannen, who has been employed in Orviston, came home Saturday and expects to stay until his butchering is done.

Miss Julia Grady spent a few days visiting in Lock Haven and Williamsport, last week.

Bessie Watson departed Sunday for a couple weeks' visit with her brother, Thomas and wife in Juniata.

W. R. Johnson was taken to the Bellefonte hospital Saturday to undergo an operation. We hope it will not have a serious effect upon him.

W. L. Johnson, of Juniata, and brother John, of Tyrone, on returning from their hunting trip, stopped off here to see their father, W. R. Johnson. They killed a five-pronged buck.

Miss Zaida Derr, who has been visiting her brother Melvin and wife, returned home last Sunday, accompanied by her gentleman friend.

Mrs. William Stanley entertained her Larkin Club last Saturday evening with a coon roast, which they all enjoyed very much.

William Hockenbery and wife, of Tyrone, spent a few days in the burg last week and departed for their home Sunday.

G. W. Rightnow and wife, of Tyrone, spent the week-end at the home of W. R. Johnson.

Claud McCullough filled a position as clerk in Unionville for the P. R. R. Co. last week. It is rumored that the femininity of that town tried to capture him. But it didn't work.

Bessie Hall returned home last week after an extended visit with relatives in Tyrone and Osceola, and reported having a hilarious time.

Master Phillip Hall spent two days with his brother Frank last week, and Miss Nellie departed Sunday morning for a week's visit among friends and relatives in Tyrone and Osceola.

M. H. Hall spent a few days at home with his father, John Hall, last week.

Miss Edith Hummel, of Phillipsburg, spent a week visiting at the home of Mr. and Mrs. Samuel Stanley, recently.

### PLUM GROVE.

We have had nice weather during the past week.

Calab Way is visiting friends at Runville at present.

Miss Ruth Custer received a telegram Saturday evening that her grandmother, Mrs. Mary Colney, was seriously ill. Miss Ruth left her Sunday morning, expecting to reach Phillipsburg Sunday evening.

Those who called at the home of G. W. Deters Saturday evening were, Mr. and Mrs. E. G. Way, Mrs. Susan Stine, of Port Matilda, and Mr. and Mrs. James McClincy and children.

Mr. and Mrs. D. H. Custer purchased a fine lot of cherry trees from E. G. Way on Friday. When they grow we will know where to go to get cherries, alright.

E. G. Way took a load of buckwheat to Port Matilda on Friday. He says he got the best of flour.

Miss Rhoda Deters entertained a few of her girl friends on Saturday afternoon. Raymond says he don't like to play with the girls.

Ed. Hill went out on the Allegheny mountains the first day of deer season to hunt, but didn't get anything but an empty gun. He saw bear tracks, and says he is going out this week to get him or die trying. Wish you good luck, Ed.

As scribe No. 2 heard that scribe No. 1 is on the sick list we will excuse him for not writing any items.

E. B. Wood is starting to farm; he has already eight head of hogs and a driving horse.

Hog cholera is bad in Brush Hollow. Alfred Spotts has lost eight, and has two sick. Elery Spotts has lost some too, but we were unable to learn how many. Too bad to lose hogs when the price of pork is so high.

Those who butchered around here last week were D. H. Custer and Henry Parson.

On Saturday last, Prof. Everett, principal of Plum Grove High school shed his school coat and donned a rubber jacket, "grease proof," and helped hang some fine porkers.

J. M. Hoofmat, secretary of the central Pennsylvania Forest Fire Protective association, accompanied by our local fire warden, has been noticing some time in this locality, considering some very important improvements, relative to the better protection of forest fires. The amount of money that Mr. Snyder, Supt. of the Lehigh Valley Coal Co. is spending on the mountains of Beech Creek and vicinity, should encourage the land owners on this side of the Allegheny mountains and help along the good work.

Profruct Parson is just gaining one pound avoidpols per day since he butchered. Good hogs, Henry.

Mr. and Mrs. E. G. Way and Mrs. Susan Stine were auted to Coleville Sunday by Mr. Rhoads, where they received a fine dinner. Report having a nice time.

Mrs. P. B. Iddings and sister, Mrs. E. B. Wood and son, Raymond, made a short visit to Yarnell to see their sister, Mrs. George Walker, and report having a nice trip.

We noticed that scribe No. 3 failed to show up last week. Don't get discouraged for there are brighter days.

A certain lady from our grove was visiting Yarnell at a certain place, staying over night, and was aroused by a noise which she thought was a burglar, but it was George walking in his sleep saying, "where's mamma?"

Those from a distance who attended the butchering of P. B. Iddings were Percy Porcher, from Pittsart; William Newkirk and friend, Mr. Watson, of Altoona.

Mrs. Careless—"I was busy washing all morning and I'm not done yet. Jim complained about his breakfast and dinner, and I guess he will complain about his supper, because I haven't time to bother with very much. It seems to me the easier something it is to do the less your husband likes it."

Anty Drudge—"Well, what you'd better do is to let Fels-Naptha Soap do your washing and all the other work the easy way, and you will have more time to prepare better meals for your husband and more time for rest, too."

### Use Fels-Naptha next washday in cool or lukewarm water. Put the clothes to soak about thirty minutes with Fels-Naptha, then give them a light rub or two, rinse them and they are ready for the line without having been boiled or rubbed to pieces.

Fels-Naptha makes china and glassware glisten, pots and pans shine, whitens woodwork, dissolves grease and makes stains disappear. Always use it in cool or lukewarm water.

Buy it by the box or carton. Follow the easy directions on the Red and Green Wrapper.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed it has a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Solely by Druggists, etc.
