**Croup and Cough Remedy.**  
Croup is a terrible disease, it attacks children so suddenly they are very apt to choke unless given the proper remedy at once. There is nothing better in the world than Dr. King's New Discovery. Lewis Chamberlain, of Manchester, Ohio, writes about his children: "Sometimes in severe attacks we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear." So can you. 50c. and \$1.00. A bottle should be in every home. At all Druggists, H. E. Bucklin & Co. Phila. St. Louis.—Adv. Dec.

There's a beautiful statute in every block of marble, but only an expert sculptor can make it come out.

You would probably be surprised if you knew how much good has come out of your mistakes.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from two drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one dollar guarantee. If it fails to cure, send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists.

**This is Guaranteed to Stop Your Cough**  
Make this Family Supply of Cough Syrup at Home and Save \$2.

This plan makes a pint of better cough syrup than you could buy ready made for \$2.50. A few doses usually conquer an ordinary cough—relieves even whooping cough quickly. Simple as it is, no better remedy can be had at any price.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents worth) in a pint bottle; then add the Sugar Syrup. It has a pleasant taste and lasts a family a long time. Take a teaspoonful every one, two or three hours.

You can feel this take hold of a cough in a way that means business. Has a good tonic effect, braces up the appetite, and is slightly laxative, too, which is helpful. A handy remedy for hoarseness, spasmodic croup, bronchitis, bronchia, asthma, and whooping cough.

The effect of pine on the membranes is well known. Pinex is a most valuable concentrated compound of Norwegian white pine extract, and is rich in gualic acid and other natural healing pine elements. Other preparations will not work in this combination.

This Pinex and Sugar Syrup remedy has often been imitated, though never successfully. It is now used in more homes than any other cough remedy.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
