Friday morning near Curwensville foxes. when a fallen telephone wire he tenion wires. The accident occurred one mile south of Curwensville on the line that runs between Curwensville and Madera. He is said to have grasped a fallen telephone wire to throw it clear of his work. During the time the wire lay in the wet grass it apparently absorbed so much static electricity that when Mr. Merry grasped the wire he was unable to let go of it. A fellow workman came to Mr. Merry's rescue, grabbed his shirt and gave a jerk. The phone line, according to company officials, had not come in contact with the heavily charged line until the combined jerk of the two men flipped the dangling wire up in the air, bringing it in contact with the PATROLMAN JUBA ACCEPTS 22,000 volt line. Mr. Merry was single and was a member of the Clearfield American Legion band.
