Sunday School on Sunday morning at 9:30 o'clock, followed by Love Feast at 10 a. m. and sermon by Rev. Kelley at 11 a. m. There will also be preaching at 7:30 p. m. with sermon by Rev. Kelley. Mrs. G. W. Bullock spent the greater part of last week with her daughter and husband, Rev. and Mrs. Robert Keeler of Philadelphia. Guests of Miss Laura Rumberger at the Askin home on Sunday were Mr. and Mrs. Allen Rumberger and sons, of Tyrone, also Pearce Rumberger, of Near Baltimore, Md. who spent the week-end here among other relatives.

Our little community is again visited with an epidemic, this time being the measles. Last week there were only six children left in the Primary school and this week it was deemed proper to close the schools until new cases cease to appear. Some of the children have been pretty sick and caused their parents much concern. All are hoping for their speedy recovery.

Our community was again saddened by the death of an old time citizen, in that of Mrs. Beulah C. Eckley, who died last Thursday at the home of her daughter in Atlanta, Georgia, where she had been making her home for the past five years. Her body was placed in the Methodist church on Sunday noon and remained until after the funeral service, it being her last request. Funeral services were held on Monday afternoon at 2 o'clock and interment made in Oak Ridge cemetery. Mrs. Eckley had reached her 83rd year but had been ill for about two weeks prior to her death. Most sincere sympathies are extended to the family and friends in this hour of bereavement.

Missionary Meeting: The members of the Missionary Society of the Presbyterian church will be entertained this Thursday evening at the home of Mrs. W. B. Parsons.

BETTER to the Editor

Mr. and Mrs. Tax Dodger
Some people are under the erroneous impression (especially the ladies) that if they do not want to vote or have no regular income they are excused from paying their taxes. Such is not the case. To vote or not to vote has nothing to do with your tax obligations. The taxing bodies of each borough, township, county, etc., know approximately how much it costs to run the different public institutions and lay millage to cover this cost thereby apportioning this cost to each citizen, male and female.

There is an improvement in the condition of Mr. John Weisler at this time. Our other sick folks are also improving.

MILESBURG
A sign has been placed on the Spring creek bridge: Travel at your own risk. This is the only way the people of Tangleton have of getting out, and the children must cross it to go to school. It should be fixed at once.

Court Grants New Charter for Library

(Continued from page one)
corporation ever became involved in litigation. To correct these ill-effects the new corporation was set up with a fourfold purpose, namely: to create, establish and maintain a public library for the citizens of Bellefonte and Centre County; to establish a museum for historical data and relics; to create a meeting place for various civic organizations; and to house a society for literary and scientific purposes.

There is no capital stock in the corporation and members are not personally liable for debts contracted by the corporation. The corporate debt at no time may exceed 50 per cent of the value of real estate held by the organization.

Assets listed in the charter are as follows: funds from the McKeon estate \$12,000 (estimated); real estate, consisting of the Hummer property at the corner of Allegheny and Howard Streets, \$10,000; funds collected for library purposes, \$1,000, for a total of \$23,000.

The corporation became a living organization with the filing and recording of the charter in the office of Recorder Leamer R. Woodring this week.

The only step now remaining to be taken before the public library becomes a reality is for the court to direct the trustees of the Hummer estate, i. e. the First National Bank of Bellefonte, to furnish a deed to the corporation for the Hummer property. This is generally conceded to be more or less a routine procedure.

Glenn Rogers, in which questions pertaining to various aspects of education may be presented for discussion. For this anniversary or Founder's Day program, Mrs. John N. Corman and Mrs. John Hayes are providing a birthday cake.
