MARTHA
The W. C. T. U. held their monthly meeting at the home of Mrs. John Bailey Tuesday evening, Jan. 11. They had a very interesting meeting with several business discussions which were very helpful. Also a very interesting lesson was given from the Torah Bearers by Mrs. D. R. Richards. The ladies of the community who do not attend are certainly missing something very good. Come and join with them in the good work of the Union in which we know all the ladies, especially the mothers should be very much interested. The W. C. T. U. ladies are really doing something worthwhile for our little village.
