THE SUCCESSOR TO THE WASHING MACHINE! A Thrilling Announcement To Every Woman

AT LAST ... A WORKLESS WASHDAY

BENDIX is indeed the successor to the washing machine . . . re-placing laborious hand work with automatic clothes washing! All you do is put clothes in, set automatic controls, add soap and bluing. Bendix does all the rest . . . in one continuous operation . . . without attention!

No Labor . . . Cleaner Clothes

Gone all the dirty, laborious drudgery of washday! The Bendix Home Laundry gives clothes an agitated pre-soak, washes them, gives them three separate fresh water rinses, spins them damp-dry . . . then stops ... all automatically. And the Bendix is self-scouring, has no wringer ... and no set tubs are needed.

More Sanitary Than Washing Machines

Bendix launders clothes cleaner, makes them much more sanitary . . . and does all this easier than by any other home method. Its three-way washing action is positive, thorough . . . yet so gentle even sheer silks, rayons, delicate linens and fine woolens are washed without harm. Expensive woolen blankets, so difficult to launder, come out of the Bendix fresh and fluffy as new!

Safe-No Exposed Moving Parts

The Bendix whirls clothes damp-dry - has no power wringerno exposed moving parts-no dangerous machinery to catch fingers, hair or clothes.

Bendix pays for itself as it works its magic. Uses much less soap and bluing than washing machines and no more electricity. Launders with far less wear on clothes, yet handles 50% more clothes per load. Where a laundress is employed or clothes sent to a laundry, the Bendix effects a substantial direct cash saving. Because the Bendix occupies less space than a washing machine and eliminates set tubs, its installation in new homes saves money.

Easily Installed Anywhere

The Bendix is smartly styled . . . occupies surprisingly small space. Can be installed in the basement, kitchen or first floor service roomeven in a bathroom. The Bendix can be used in any home which has running hot and cold water and electricity and may be connected to the water and drain lines direct or flexibly connected with hoses to

faucets and drain outlet. See Amazing Demonstration See the Bendix demonstrated at one of the authorized dealers listed below. Learn how simple and dependable it is. How sturdily built,

with fewer operating units than washing machines . . . fewer parts to wear, vibrate or get out of order. Bendix Easy to Own

A small down payment and terms to suit your budget make the Bendix easy to own. Visit one of the dealers below today . . . find out how a few cents a day brings you workless washdays forever! BENDIX HOME APPLIANCES, Inc., SOUTH BEND, IND.
