Howard High School News. The Parent-Teachers' Association of Howard will hold its monthly meeting on Thursday evening, February 24, at 8 o'clock in the High School Auditorium.

On Monday evening, February 21, a movie will be shown in the High School Auditorium. The main feature picture will be "Robinson Crusoe." There will also be a serial picture "Queen of the Jungle" and some short subjects shown including comedy and travelogue.

A special program has been arranged to celebrate the founders of this program will include a one act play entitled "Reminiscence" to be presented by the Dramatic Club. Also a "Founders Day Candle Lighting Tribute" will be presented. A social hour during which time refreshments will be served will follow the business meeting and the program. All members are urged to be present to celebrate the forty-first birthday of the P. T. A.

On Monday evening, February 21, a movie will be shown in the High School Auditorium. The main feature picture will be "Robinson Crusoe." There will also be a serial picture "Queen of the Jungle" and some short subjects shown including comedy and travelogue.

The main purpose of having this movie to find out whether the people of Howard are sufficiently interested in movies to warrant showing them at regular intervals. It is sufficient interest is shown, it is possible that the P. T. A. may sponsor the regular showing of movies in the High School Auditorium. The profits that they would receive would be used for worthy purposes in connection with the school. The pictures that will be shown have been approved by the National State Board of Censors. If you are interested in having movies in Howard come to the High School on Monday night. The larger the crowd the better chance we'll have of having regular movies. Doors open at 7:30. Pictures will begin at 8:00. Admission 10 and 20c.

A beautiful red velvet fireproof curtain and a valance trimmed with gold braid and a gold monogram of H. H. S. now hangs in the auditorium of the Howard High School. The

curtain was installed on Saturday, February 13. The hanging of the Cyclorama or back drops has not been completed as yet but probably will be within the next week. This work is being done by the Home Economics classes. Anyone who has any interest in the school is very happy that we now have this beautiful curtain. It improves the appearance of the stage and auditorium very much and makes it possible to use the stage for plays and entertainments.
