Hall Scout Troop went to the Glen-

At the administrators' sale of real estate and personal property of the late W. H. Long, the home near Coburn was sold to Ralph Kerstetter for \$900. This item includes about sixteen acres of land adpoining the buildings. The farm in Haines township was bid up to \$1200 but was not sold at that figure. Some of the personal property good brices, while some items were sold at prices considered to be low.

Clement H. Gramley, of Rebersburg, one of the Centre County Au- GIVE BROOD MARES ditors, suffered a bad sprain of the right ankle last Monday night when he tripped and fell while leaving the Centre County Hospital following a two this year? Then perhaps you visit with a friend Luther Stover, of Millheim, who is a patient at the institution. Mr. Gramley was walking along the concrete walk at the west side of the hospital when his attention was attracted skyward by a passing airplane and he failed to several steps ahead of him, resulting in a bad fall. Though able to resume his work at the Court House Tuesday morning.

filed and favorably passed on. The close approach of spring is causing effects the council to champ at the bit, ready for action. The two projects than an idle one. A well-balanced quets are to be used in pollinating include: Rebuilding the street and ration is essential. An abundance apple trees enough material should building side-walks-one on either side of the street or its full length. The extension of a water-line from pregnant mares suckling foals. In specialists. Growers have found the main line from on Pennsylvania addition to the demand from the that Jonathan Red Delicious, Grim-Avenue over School street to the developing fetus, there is the draft of Golden Golden Delicious, Mohigh school building. For the two of the mother in one case and for Intosh, Gano, and Ben Davis are projects the WPA will furnish the labor and the borough the material.
