To Advertisers

Experience has shown that your name, telephone number, route or street number attached to your advertisement in these columns will bring much better results than the one which fails to give this information. Most people like to know who sent in the ad and hesitate to answer it if they do not know. The Centre Democrat will continue to insert "blind" or keyed ads, where the customer insists, but we do not recommend this method if best results are de-

sired. Advertisers please call at
